Subject: NO to 410 w Willow application for entertainment permit.

This email is concerning the restaurant at 410 w Willow 90806 applying for an entertainment permit. I live nearby and am against an entertainment permit because the restaurant is too close to residential homes and is not constructed to keep sound inside the premises. Live music could impact negatively on the quality of life for people who live nearby. Resident should be a priority when considering any permit for a mixed use zoned business or the City could have yet another nuisance business to contend with that waste City resources aka our taxes.

Thank you.
