CONTRACT

**30676**

1  
2  
3 THIS CONTRACT is made and entered, in duplicate, as of May 14, 2008  
4 for reference purposes only, pursuant to a minute order adopted by the City Council of  
5 the City of Long Beach at its meeting held on May 20, 2008, by and between ALL  
6 AMERICAN ASPHALT, a California corporation, whose address is 400 East Sixth Street,  
7 Corona, California 92879 ("Contractor"), and the CITY OF LONG BEACH, a municipal  
8 corporation ("City").

9 WHEREAS, pursuant to a "Notice Inviting Bids for the Improvement of Los  
10 Coyotes Diagonal Between Studebaker Road and Carson Street in the City of Long  
11 Beach, California," dated April 11, 2008, and published by City, bids were received,  
12 publicly opened and declared on the date specified in said Notice; and

13 WHEREAS, the City Manager accepted the bid of Contractor; and

14 WHEREAS, the City Council authorized the City Manager to enter a  
15 contract with Contractor for the work described in Plans & Specifications No. R-6690;

16 NOW, THEREFORE, in consideration of the mutual terms and conditions  
17 herein, the parties agree as follows:

18 1. SCOPE OF WORK. Contractor shall furnish all necessary labor,  
19 supervision, tools, materials, supplies, appliances, equipment and transportation for the  
20 work described in "Plans & Specifications No. R-6690 for the Improvement of Los  
21 Coyotes Diagonal Between Studebaker Road and Carson Street in the City of Long  
22 Beach, California," said work to be performed according to the Contract Documents  
23 identified below. However, this Contract is intended to provide to City complete and  
24 finished work and, to that end, Contractor shall do everything necessary to complete the  
25 work, whether or not specifically described in the Contract Documents.

26 2. PRICE AND PAYMENT.

27 A. City shall pay to Contractor the amount(s) for materials and  
28 work identified in Contractor's "Bid for the Improvement of Los Coyotes Diagonal

1 Between Studebaker Road and Carson Street in the City of Long Beach,  
2 California," attached hereto as Exhibit "A".

3 B. Contractor shall submit requests for progress payments and  
4 City will make payments in due course of payments in accordance with Section 9  
5 of the Standard Specifications for Public Works Construction (latest edition).

6 3. CONTRACT DOCUMENTS.

7 A. The Contract Documents include: The Notice Inviting Bids,  
8 Plans & Specifications No. R-6690 (which may include by reference the Standard  
9 Specifications for Public Works Construction, latest edition, and any supplements  
10 thereto, collectively the "Standard Specifications"); the City of Long Beach  
11 Standard Plans; Plans and Drawings No. C-5652 for this work; the California Code  
12 of Regulations; the various Uniform Codes applicable to trades; the prevailing  
13 wage rates; Instructions to Bidders; the Bid; the bid security; the City of Long  
14 Beach Disadvantaged, Minority and Women-Owned Business Enterprise Program;  
15 this Contract and all documents attached hereto or referenced herein including but  
16 not limited to insurance; Bond for Faithful Performance; Payment Bond; Notice to  
17 Proceed; Notice of Completion; any addenda or change orders issued in  
18 accordance with the Standard Specifications; any permits required and issued for  
19 the work; approved final design drawings and documents; and the Information  
20 Sheet. These Contract Documents are incorporated herein by the above  
21 reference and form a part of this Contract.

22 B. Notwithstanding Section 2-5.2 of the Standard Specifications,  
23 if any conflict or inconsistency exists or develops among or between Contract  
24 Documents, the following priority shall govern: 1) Change Orders; 2) this Contract;  
25 3) Permit(s) from other public agencies; 4) Plans & Specifications No. R-6690; 5)  
26 Addenda; 6) Plans and Drawings No. C-5652; 7) the City of Long Beach Standard  
27 Plans; 8) Standard Specifications; 9) other reference specifications; 10) other  
28 reference plans; 11) the bid; and 12) the Notice Inviting Bids.

1           4.     TIME FOR CONTRACT. Contractor shall commence work on a date  
2 to be specified in a written "Notice to Proceed" from City and shall complete all work  
3 within thirty-five (35) working days thereafter, subject to strikes, lockouts and events  
4 beyond the control of Contractor. Time is of the essence hereunder. City will suffer  
5 damage if the work is not completed within the time stated, but those damages would be  
6 difficult or impractical to determine. So, Contractor shall pay to City, as liquidated  
7 damages, the amount stated in the Contract Documents.

8           5.     ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The  
9 acceptance of any work or the payment of any money by City shall not operate as a  
10 waiver of any provision of any Contract Document, of any power reserved to City, or of  
11 any right to damages or indemnity hereunder. The waiver of any breach or any default  
12 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

13           6.     WORKERS' COMPENSATION CERTIFICATION. Concurrently  
14 herewith, Contractor shall submit certification of Workers' Compensation coverage in  
15 accordance with California Labor Code Sections 1860 and 3700, a copy of which is  
16 attached hereto as Exhibit "B".

17           7.     CLAIMS FOR EXTRA WORK. No claim shall be made at any time  
18 upon City by Contractor for and on account of any extra or additional work performed or  
19 materials furnished, unless such extra or additional work or materials shall have been  
20 expressly required by the City Manager and the quantities and price thereof shall have  
21 been first agreed upon, in writing, by the parties hereto.

22           8.     CLAIMS. Contractor shall, upon completion of the work, deliver  
23 possession thereof to City ready for use and free and discharged from all claims for labor  
24 and materials in doing the work and shall assume and be responsible for, and shall  
25 protect, defend, indemnify and hold harmless City from and against any and all claims,  
26 demands, causes of action, liability, loss, costs or expenses for injuries to or death of  
27 persons, or damages to property, including property of City, which arises from or is  
28 connected with the performance of the work.

1           9.     INSURANCE. Prior to commencement of work, and as a condition  
2 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence  
3 of all insurance required in the Contract Documents.

4           In addition, Contractor shall complete and deliver to City the form  
5 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply  
6 with Labor Code Section 2810.

7           10.    WORK DAY. Contractor shall comply with Sections 1810 through  
8 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a  
9 penalty to City, the sum of Twenty-five Dollars (\$25) for each worker employed by  
10 Contractor or any subcontractor for each calendar day such worker is required or  
11 permitted to work more than eight (8) hours unless that worker receives compensation in  
12 accordance with Section 1815.

13           11.    PREVAILING WAGE RATES. Contractor is directed to the  
14 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Fifty Dollars (\$50)  
15 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,  
16 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any  
17 work done by Contractor, or any subcontractor, under this Contract.

18           12.    COORDINATION WITH GOVERNMENTAL REGULATIONS.

19           A.     If the work is terminated pursuant to an order of any Federal  
20 or State authority, Contractor shall accept as full and complete compensation  
21 under this Contract such amount of money as will equal the product of multiplying  
22 the Contract price stated herein by the percentage of work completed by  
23 Contractor as of the date of such termination, and for which Contractor has not  
24 been paid. If the work is so terminated, the City Engineer, after consultation with  
25 Contractor, shall determine the percentage of work completed and the  
26 determination of the City Engineer shall be final.

27           B.     If Contractor is prevented, in any manner, from strict  
28 compliance with the Plans and Specifications due to any Federal or State law, rule

1 or regulation, in addition to all other rights and remedies reserved to the parties  
2 City may by resolution of the City Council suspend performance hereunder until  
3 the cause of disability is removed, extend the time for performance, make changes  
4 in the character of the work or materials, or terminate this Contract without liability  
5 to either party.

6 13. NOTICES.

7 A. Any notice required hereunder shall be in writing and  
8 personally delivered or deposited in the U.S. Postal Service, first class, postage  
9 prepaid, to Contractor at the address first stated herein, and to the City at 333  
10 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager. Notice  
11 of change of address shall be given in the same manner as stated herein for other  
12 notices. Notice shall be deemed given on the date deposited in the mail or on the  
13 date personal delivery is made, whichever first occurs.

14 B. Except for stop notices and claims made under the Labor  
15 Code, City will notify Contractor when City receives any third party claims relating  
16 to this Contract in accordance with Section 9201 of the Public Contract Code.

17 14. BONDS. Contractor shall, simultaneously with the execution of this  
18 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the  
19 form attached hereto and in the amount specified therein, conditioned upon the faithful  
20 performance of this Contract by Contractor, and a good and sufficient corporate surety  
21 bond, in the form attached hereto and in the amount specified therein, conditioned upon  
22 the payment of all labor and material claims incurred in connection with this Contract.

23 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor  
24 any of the moneys that may become due Contractor hereunder may be assigned by  
25 Contractor without the written consent of City first had and obtained, nor will City  
26 recognize any subcontractor as such, and all persons engaged in the work of  
27 construction will be considered as independent contractors or agents of Contractor and  
28 will be held directly responsible to Contractor.

1           16. CERTIFIED PAYROLL RECORDS. Contractor shall keep and  
2 cause each subcontractor to keep an accurate payroll record in accordance with Division  
3 2, Part 7, Article 2 of the California Labor Code. Contractor's failure to furnish such  
4 record to City in the manner provided herein for notices shall entitle City to withhold the  
5 penalty prescribed by law from progress payments due to Contractor.

6           17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to  
7 the contrary in the Standard Specifications, Contractor shall have the responsibility, care  
8 and custody of the work. If any loss or damage occurs to the work that is not covered by  
9 collectible commercial insurance, excluding loss or damage caused by earthquake or  
10 flood or the negligence or willful misconduct of City, then Contractor shall immediately  
11 make the City whole for any such loss or pay for any damage. If Contractor fails or  
12 refuses to make the City whole or pay, then City may do so and the cost and expense of  
13 doing so shall be deducted from the amount due Contractor from City hereunder.

14           18. CONTINUATION. Termination or expiration of this Contract shall not  
15 terminate the rights or liabilities of either party which rights or liabilities accrued or existed  
16 prior to termination or expiration of this Contract.

17           19. TAXES AND TAX REPORTING.

18           A. As required by federal and state law, City is obligated to report  
19 the payment of compensation to Contractor on Form 1099-Misc. and Contractor  
20 acknowledges that Contractor is not entitled to payment under this Contract until it  
21 has provided its Employer Identification Number to City. Contractor shall be solely  
22 responsible for payment of all federal and state taxes resulting from payments  
23 under this Contract.

8 shall use the address of the Work site as its business address and may use any  
9 address for its mailing address. Copies of the form and permit(s) shall also be  
10 delivered to the City Engineer. The form must be submitted and the permit(s)  
11 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not  
12 order any materials or equipment over \$100,000 from vendors outside California  
13 until the form is submitted and the permit(s) obtained and, if Contractor does so, it  
14 shall be a material breach of this Contract. In addition, Contractor shall make all  
15 purchases from the Long Beach sales office of its vendors if those vendors have a  
16 Long Beach office and all purchases made by Contractor under this Contract  
17 which are subject to use tax of \$500,000 or more shall be allocated to the City of

4 relating to this Contract.

5           22. NO PECULIAR RISK. Contractor acknowledges and agrees that the  
6 work to be performed hereunder does not constitute a peculiar risk of bodily harm and

12           24. SUBCONTRACTORS. Contractor agrees to and shall bind every  
13 subcontractor to the terms of this Contract; provided, however, that nothing herein shall  
14 create any obligation on the part of City to pay any subcontractor except in accordance  
15 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply  
16 with this Section shall be deemed a material breach of this Contract. A list of

**USE TAX DIRECT PAYMENT PERMIT  
(General Information and Filing Instructions)**

Revenue and Taxation Code Section 7051.3 authorizes the State Board of Equalization to issue a "Use Tax Direct Payment Permit" to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a use tax direct payment exemption certificate which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a use tax direct payment permit, an applicant must meet the following conditions:

(1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and

(2) The applicant must certify to the Board either of the following:

(A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or

(B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed use tax direct payment application, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a use tax direct payment permit and exemption certificate will be mailed to the applicant.

If you would like additional information regarding the use tax direct payment permit or need assistance in completing this application, you can call (916) 324-2883, or write to the Board of Equalization, Public Information and Administration Section, MIC-44, PO Box 942879, Sacramento, CA 94279-0044.

# Use Tax Direct Payment Exemption Certificate

## IMPORTANT NOTICE TO VENDORS

This exemption certificate when timely taken in good faith from a person who holds a use tax direct payment permit relieves a vendor from the requirement to collect and remit USE TAX on sales or leases of tangible personal property (other than leases of motor vehicles subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to the person who issued the certificate. It does NOT relieve a vendor of any SALES TAX obligations. Generally, this certificate should be accepted only by out-of-state vendors or by lessors of tangible personal property other than motor vehicle lessors. Sellers can claim a deduction on their sales and use tax returns for any sales made under this certificate.

Vendors must retain a completed copy of this certificate in their files for a period of not less than four years to substantiate the exempt status of sales made under its authority.

This Exemption Certificate has been approved by the California State Board of Equalization.
