18           B.     No permit will be issued to authorize tobacco retailing at any

22 misdemeanor.

23           D.     In addition to the above remedy, a violation of this Chapter  
24 may be remedied by a civil injunction or abatement action initiated by the  
25 City Attorney.

28 tobacco retailing as provided by this Chapter shall file an application with

1 the City Manager, City Health Officer or designee.

3 submitted in the name of each proprietor proposing to conduct retail  
4 tobacco sales and shall be signed by each proprietor or an authorized

7 laws affecting the issuance of a tobacco retailer's permit.

8 D. The application for a tobacco retailing permit shall be filed on  
9 a form and shall contain such information as is requested by the City,

23 for the tobacco retail permit. The fee for such permit shall be determined by  
24 the City Council by resolution.

25 F. The City Manager, City Health Officer or designee shall issue  
26 the tobacco retail permit to the applicant unless: such application is  
27 incomplete or inaccurate, the application seeks authorization for tobacco  
28 retailing by a person or location for which a suspension is in effect under

1 this Chapter, or the application seeks authorization for tobacco retailing that  
2 is unlawful under this Chapter, this Code or applicable law.

- 16 6. The permit number.

17 B. The tobacco retail permit shall not be transferable or  
18 assignable from one (1) person or proprietor to another or from one (1)  
19 location to another location. If the information required in the permit  
20 application changes, a new tobacco retailer's permit is required before the  
21 business may continue to act as a tobacco retailer. For example, if a  
22 proprietor to whom a permit has been issued changes business location,  
23 that proprietor must apply for a new permit prior to acting as a tobacco  
24 retailer at the new location. Or if the business is sold, the new owner must  
25 apply for a permit for that location before acting as a tobacco retailer.

26 C. Each permittee shall prominently display the permit at each  
27 location where tobacco retailing occurs.

28 D. Possession of a valid tobacco retail permit under this Chapter

1 does not entitle the permittee to engage in an activity which is otherwise

3 violations of the tobacco retail permit issued pursuant to this Chapter. In  
4 addition, a violation of California Penal Code section 308 or any violation of  
5 the Long Beach Municipal Code, may subject the permit holder to  
6 suspension or revocation of their permit.

8 below the minimum age allowed by State law for selling or possessing any  
9 tobacco product.

10 5.81.050 Permit - Fees.

11 An annual fee shall be charged for a tobacco retail permit. The fee  
12 shall be generally calculated so as to recover the cost of both the  
13 administration and enforcement of the tobacco retail permit program,  
14 including the cost of issuing the permits, renewing the permits,  
15 administering the retailer permit program, retailer education, retailer  
16 inspection and compliance checks, documentation of violations,

18 nonrefundable, except as required by law. Fees shall not be prorated.

19 5.81.060 Permit - Term and renewals.

20 All tobacco retail permits issued under this Chapter will be for a  
21 period not to exceed one (1) year in duration. The City Manager or his or  
22 her designee shall automatically renew such permits if the City Manager or  
23 designee determines that the permit holder complied with the provisions of  
24 this Chapter and applicable laws during the preceding permit term, and if  
25 the permit holder pays the annual fee required by this Chapter. All tobacco  
26 retailers must notify the City in writing if they discontinue selling tobacco  
27 products.
