From: Councilwoman Suely Saro, Sixth District
Subject: **Reward Expenditure**

NB-35

RECOMMENDATION:

Approve the expenditure of \$5,000 in the General Fund Group as a reward for information leading to the identification and conviction of the individuals responsible for the desecration of Martin Luther King, Jr. statue on July 2, 2021.

DISCUSSION:

On July 2, 2021, at approximately 3:18pm, officers were dispatched to Martin Luther King, Jr. Park located at 1950 Lemon Avenue in Long Beach regarding a reported act of hate/bias-motivated vandalism. Upon arrival, officers discovered a swastika and lightning bolts spray painted on the statue of Martin Luther King, Jr. The graffiti was removed by the Parks, Recreation and Marine Department and an investigation related to this incident was launched. Patrol Officers and Detectives canvassed the area for witnesses and video. Detectives and Patrol Officers continue to go to the park in an attempt to locate witnesses. Currently, the Police Department has no suspect description or workable leads. The City of Long Beach would like to enlist the help of the public by offering a reward for any information leading to the arrest of a suspect(s).

To assist in the continuing investigation, ADL (the Anti-Defamation League) has proposed offering an initial \$3,000 toward a reward leading to the conviction of the individuals responsible for this crime. The City of Long Beach will contribute up to \$5,000, for a total reward of up to \$8,000. Together, this reward could be beneficial to the ongoing investigation.

This matter has been reviewed by Budget Manager Grace H. Yoon on July 8, 2021.

FISCAL IMPACT:

This recommendation requests authorization for a \$5,000 reward payment for information leading to the identification and conviction of the individuals responsible for the desecration of the Martin Luther King, Jr. statue on July 2, 2021. The funding source for this payment has not been identified and will likely add to the projected General Fund shortfall in FY 21. Staff will request an appropriation increase at a later time for the disbursement of these funds once the recipient of the reward has been determined. The requested action is anticipated to require a minimal level of staff hours beyond the budgeted scope of duties and is expected to have minimal impact on existing City Council priorities.

SUGGESTED ACTION:

Approve recommendation.
