Miller Children's & Women's
Hospital Long Beach

Importance of a Children's Hospital

Cherese Mari Lauthere Children's Village: Now Open!

- Previously medical offices were scattered around Long Beach. Now, a variety of medical and support services are centralized in the Children's Village.
- Only building of its kind in LA and Orange Counties to offer a one-stop-shop approach to specialty care for kids.

Children's Village: Pediatric Specialty Care

We have more than 30 pediatric specialties, including:

- Cardiology
- Endocrinology
- Gastroenterology
- Oncology
- Orthopedics
- Pulmonology

Children's Village: Medical and Family Support Services

Families have access to a variety of services all in one convenient location:

- Education Center
- Family Resource Center
- Imaging
- Laboratory
- Nutrition Services
- Pharmacy
- Rehabilitation Services
