 - [8] The applicability of the Americans with Disabilities Act towards the operating of collectives in either residential or commercial corridors; and

-

[2] Declare a moratorium on medical marijuana facilities in order to develop a process for business licensing, adopt related zoning ordinances and to provide a time period for the registration of all existing facilities in order to determine the location and number of dispensaries within the City;

[3] Develop and recommend the zoning requirements for placement of these facilities: i.e .not allowed near churches or schools, in neighborhoods, etc.; [4] Develop and recommend a standard on the number of dispensaries that would be allowed in the City; and [5] Determine how to amortize the closure of preexisting, non-confirming uses after guidelines have been established.
