Subject Forbidden City should be forbidden  
period!!!!

*To: Erik Sund, and To Who It May Concern:*

*This E-mail is to officially, and strongly protest the issuance of Entertainment Permit for Forbidden City Resort & Casino LLC, DBA Forbidden City, 6380 E. Pacific Coast Hwy #A, Long Beach, CA 90803.*

*I am a Marina Pacifica Resident who has called repeatedly to the Long Beach Police Department for repeated violation of noise ordinance and will continue to call in furtherance of my right to the quiet enjoyment of my*

*property*

*The loud and obtrusive music coupled with screaming, yelling, hooping and hollering*

*of drunken patrons has created great disturbance losing peace and sleep. This has gone on well past 1:00 in the morning...At times I have felt the vibration of the bass/drum machine they use coming from Forbidden City, it was so loud. I have also found the glasses and left over lime trashed around Marina Pacifica grounds. These people are intolerant of their neighbors and refuse to cooperate in an effort to ensure everyone's rights to the enjoyment of their property.*

*I therefore strongly object to the issuance of Entertainment Permit to the Forbidden City. When you issue permits to those who have no respect for the property rights of others, you assist them in breaking the law.....please do your job in a responsible manner and resist the temptation to issue a permit to those who intentionally and, without any remorse, break the law in an effort to increase their profits at the expense of others whose right are constantly violated as a result. Thank you for your consideration.*
