## Narrative

## Milton Mosley Interview

On December 31, 2015, at about 0931 a.m., Detective O. Valenzuela # 5790, and I, Detective S. Irving # 6027 interviewed Mosley at his residence. The interview was audio recorded. The following is a synopsis of the interview. For details of the interview, please listen to the audio in its entirety.

I asked Mosley to tell us what happened on the night of the shooting. Mosley said that he arrived at Miko's Sports Lounge at about 11:00 p.m. He saw a friend of his that he calls "Jiffy, like jiffy-lube" Mosley walked over to Jiffy and greeted him, asking him "what's going on?" There was a person with Jiffy, who was offended by Mosley interrupting their conversation. This person was later identified as "Casanova." Casanova said, "Mother fucker, don't you see me talking?" Mosley said, "Who are you, what are you talking about, man? This is a friend I know." Casanova said that he "didn't give a fuck." Mosley told Casanova, "I don't have time for this shit" and left the bar.

Mosley said that Milynta was taking a glass item or something to her car which was parked by his. Mosley and Milynta began to walk together to their cars. Mosley said Milynta is like a God-sister to him. They both walked

**LONG BEACH POLICE DEPARTMENT****Narrative**

north on the west side of Maine Avenue north of Willow Street. Mosley was parked on the east side of Maine Avenue north of Willow Street. They were walking in the middle of the street (Maine Avenue). Mosley was closest to the middle of the street and Milynta was walking by his side closer to the east curb. Mosley heard someone yell out from the front of the bar, possibly the security guard, "Hey June, watch out!" and they were waving their hands excitedly at him. Mosley looked back and saw that Casanova was running across the street in their direction. Mosley said that Casanova started shooting at him from far away. Mosley said that he called to Milynta after the first shot to warn her. Milynta went down after the first shot. Mosley was not struck by the gunfire. Mosley does not know how many shots were fired. Mosley said that he could hear the bullets flying by. Casanova turned around and ran south back across the street where he came from. Mosley said that he did not have a weapon and he did not shoot back.

Mosley said that Casanova was hanging out with "Jiffy" inside the bar earlier in the evening. Jiffy and Mosley went to school together, but Mosley doesn't know Jiffy's real name. Mosley described Jiffy as a Black male, heavy set, who wears his baseball cap backwards. Mosley said that Jiffy didn't have anything to do with the shooting. Jiffy was trying to calm Casanova down inside the bar prior to the shooting.

Mosley described Casanova as a skinny dude, about 46 years old, wearing gazelle glasses. Casanova had a hat on. Every time Mosley has seen Casanova, Casanova wears Dallas Cowboy's attire. Mosley described Casanova as being 5'8"/5'10" tall. Mosley says that he sees Casanova every blue moon and he does not know where he stays. Mosley says that he when they see each other, they will say "What's up" to each other. Mosley said that the last time he saw Casanova before the shooting was a month or two ago.

Detective Valenzuela showed Mosley a DMV photograph, photo dated September 24, 2012, of Jeffrey Johnson, aka "Jiffy." Johnson's identifying information was obscured. Mosley identified Johnson as the same "Jiffy" he was speaking of.

Detective Valenzuela showed Mosley a DMV photograph, photo dated October 6, 2014, of Norval Hartley, aka "Casanova." Hartley's identifying information was obscured. When shown the photograph, Mosley immediately identified Hartley by saying, "That's him." I asked if this is the person who shot at him and again, he said, "That's him."

**Narrative****Norval Hartley Arrest**

On February 25, 2016, CCAT Detectives and the San Bernardino County Sheriff's Office SWAT team arrested Norval Hartley at [REDACTED] in Barstow. Detective Covey # 5388 transported Hartley to the Long Beach Police Department for booking and processing.

A search warrant was obtained on February 24, 2016 at 1630 hours for [REDACTED] apartment #3, Barstow, CA and for Norval Hartley. The warrant was signed by the Honorable Judge Ana Maria Luna. CCAT Detectives searched the residence in which Hartley was located pursuant to the search warrant. CCAT Detective H. Cardiel #5678 found a dark blue Dallas Cowboys' beanie, and a black and blue Dallas Cowboy T-shirt. Detective J. Camrin #5490 later booked the two items into evidence.

On February 26, 2016, Detective O. Valenzuela # 5790 and I, Detective S. Irving # 6027 escorted Hartley to the Men's Jail interview room. Hartley told us that he only wanted his prescription glasses and did not want to speak with us. I explained to Hartley that his glasses were evidence and asked him if there was anyone I could call for him to help him get another pair. Hartley said he only had one pair and no one could help him.

On February 24, 2016, I obtained a search warrant to obtain a DNA reference sample from Norval Hartley. The search warrant was signed by the Honorable Judge T. Ong.

I explained to Hartley that we had a search warrant to obtain his DNA reference sample. Hartley said that he wouldn't give us a sample and also told us that we already had a sample on file. I told him that we had a search warrant, and we were going to get the sample with or without his cooperation. Hartley complied with the search warrant and offered no resistance. I used two buccal swabs and obtained the reference sample from his inner lower lip. I kept the sample in my possession until later booking into evidence at 400 W. Broadway.

Hartley said that he did not want to talk to us without his glasses. I asked him if he would talk to us about his case if we gave him his glasses. Hartley said that with or without his glasses, he would not speak with us. We escorted Hartley back to his cell and Detention Officer Y. Gomez # 8487 placed him back in his cell.
