1. (District 2)	Anne Proffit	anne@highpowermedia.com						There is NO WAY this city should do another stupid road diet without trying out the consequences themselves. You're really asking for another lawsuit and costing us money that should be spent elsewhere. Dr Garcia's pipe dream of being Santa Monica is backfiring - you should all be canned.	11/7/2017
PUBLIC COMMENT:	Anonymous Resident	traffictransportation@gmail.com						What is the basis for this decision? Stop wasting money on bike lanes, hardly anyone uses these and when they count they make up the numbers, enough of road dieting. With this traffic will choke and will have adverse effects on neighboring streets causing excessive delays. Dear councilwoman please don't support this. Also, we heard that Broadway and 3rd Street the bike lanes will be reversed reducing parking by over 50 spaces. Please someone put an end to this madness.	11/6/2017

(Citywide)	Lucy Johnson	lucyjohnson1@gmail.com						For the past 5 or 6 years (maybe more), I have purchased an annual parking pass. Originally the pass was sold by the Marine Bureau just 4 the Granada lot. Now it costs more, covers most beach lots, and is purchased from whichever vendor the City chooses for citywide parking. Every year since that change, it has been a hassle to obtain my pass from the vendors. If/when this item is approved, please include a requirement 2 notify current passholders how to renew, prior to expiration.	11/7/2017
30. (17-1012) Recommendation to declare ordinance amending the Long Beach Municipal Code by adding Chapter 8.17, relating to default beverages offered with children's meals read the first time and laid over to the next regular meeting of the City Council for final reading. (Citywide)	Anne Proffit	anne@highpowermedia.com						This is not the business of council - sounds like another stupid idea from Jeannine Pearce, who has no business sitting on council	11/7/2017
