THIS CONTRACT is made and entered, in duplicate, as of December 9, 2019 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on November 12, 2019, by and between ALL AMERICAN ASPHALT, a California corporation ("Contractor"), whose address is 400 E. WHEREAS, pursuant to a Notice Inviting Bids for as-needed local street improvements in the City of Long Beach, California, dated June 5, 2019, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans and Specifications No. R-7153;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in Project Plans and Specifications No. R-7153 for as-needed local street improvements in the City of Long Beach, California, said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT.

A. City shall pay to Contractor the amount(s) for materials and work identified in Contractor's Bid for as-needed local street improvements in the

1 City of Long Beach, California, attached hereto as Exhibit "A"; provided, however,
2 that the total compensation to Contractor shall not exceed an annual amount of
3 Seventeen Million Dollars (\$17,000,000) during the term of this Contract.

4 B. Contractor shall submit requests for progress payments and
5 City will make payments in due course of payments in accordance with Section 9 of
6 the Standard Specifications for Public Works Construction (latest edition) (the
7 "Greenbook").

8 3. CONTRACT DOCUMENTS.

9 A. The Contract Documents include: The Notice Inviting Bids,
10 Project Specifications No. R-7153 (which may include by reference the Standard
11 Specifications for Public Works Construction, latest edition, and any supplements
12 thereto, collectively the "Standard Specifications"); the City of Long Beach Standard
13 Plans; the California Code of Regulations; the various Uniform Codes applicable to
14 trades; the prevailing wage rates; Instructions to Bidders; the Bid; the bid security;
15 the City of Long Beach Disadvantaged, Minority and Women-Owned Business
16 Enterprise Program; this Contract and all documents attached hereto or referenced
17 herein including but not limited to insurance; Bond for Faithful Performance;
18 Payment Bond; Notice to Proceed; Notice of Completion; any addenda or change
19 orders issued in accordance with the Standard Specifications; any permits required
20 and issued for the work; approved final design drawings and documents; and the
21 Information Sheet ("Contract Documents"). These Contract Documents are
22 incorporated herein by the above reference and form a part of this Contract.

23 B. Notwithstanding Section 2-5.2 of the Standard Specifications,
24 if any conflict or inconsistency exists or develops among or between Contract
25 Documents, the following priority shall govern: 1) Permit(s) from other public
26 agencies; 2) Change Orders; 3) this Contract (including any and all amendments
27 hereto); 4) Addenda (which shall include written clarifications, corrections and
28 changes to the bid documents and other types of written notices issued prior to bid

4 plans; 11) the Bid; and 12) the Notice Inviting Bids.

5 4. TIME FOR CONTRACT. The term of this Contract shall commence
6 at midnight on January 1, 2020, and shall terminate at 11:59 p.m. on December 31, 2021,
7 unless sooner terminated as provided in this Contract, or unless the services or the Project
8 is completed sooner. The Parties have the option to extend the term for three (3) additional
9 one-year periods, at the discretion of the City Manager. Time is of the essence hereunder.
10 City will suffer damage if the work is not completed within the time stated, but those
11 damages would be difficult or impractical to determine. So, Contractor shall pay to City,
12 as liquidated damages, the amount stated in the Contract Documents.

13 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
14 acceptance of any work or the payment of any money by City shall not operate as a waiver
15 of any provision of any Contract Document, of any power reserved to City, or of any right
16 to damages or indemnity hereunder. The waiver of any breach or any default hereunder
17 shall not be deemed a waiver of any other or subsequent breach or default.

18 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
19 herewith, Contractor shall submit certification of Workers' Compensation coverage in
20 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
21 attached hereto as Exhibit "B".

22 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
23 upon City by Contractor for and on account of any extra or additional work performed or
24 materials furnished, unless such extra or additional work or materials shall have been
25 expressly required by the City Manager and the quantities and price thereof shall have
26 been first agreed upon, in writing, by the parties hereto.

27 8. CLAIMS. Contractor shall, upon completion of the work, deliver
28 possession thereof to City ready for use and free and discharged from all claims for labor

1 and materials in doing the work and shall assume and be responsible for, and shall protect,
2 defend, indemnify and hold harmless City from and against any and all claims, demands,
3 causes of action, liability, loss, costs or expenses for injuries to or death of persons, or
4 damages to property, including property of City, which arises from or is connected with the
5 performance of the work.

6 9. INSURANCE. Prior to commencement of work, and as a condition
7 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence of
8 all insurance required in the Contract Documents.

9 In addition, Contractor shall complete and deliver to City the form
10 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply with
11 Labor Code Section 2810.

12 10. WORK DAY. Contractor shall comply with Sections 1810 through
13 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
14 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by
15 Contractor or any subcontractor for each calendar day such worker is required or permitted
16 to work more than eight (8) hours unless that worker receives compensation in accordance
17 with Section 1815.

18 11. PREVAILING WAGE RATES. Contractor is directed to the prevailing
19 wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred Dollars (\$200)
20 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,
21 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any
22 work done by Contractor, or any subcontractor, under this Contract.

23 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

24 A. If the work is terminated pursuant to an order of any Federal or
25 State authority, Contractor shall accept as full and complete compensation under
26 this Contract such amount of money as will equal the product of multiplying the
27 Contract price stated herein by the percentage of work completed by Contractor as
28 of the date of such termination, and for which Contractor has not been paid. If the

1 work is so terminated, the City Engineer, after consultation with Contractor, shall
2 determine the percentage of work completed and the determination of the City
3 Engineer shall be final.

4 B. If Contractor is prevented, in any manner, from strict
5 compliance with the Plans and Specifications due to any Federal or State law, rule
6 or regulation, in addition to all other rights and remedies reserved to the parties City
7 may by resolution of the City Council suspend performance hereunder until the
8 cause of disability is removed, extend the time for performance, make changes in
9 the character of the work or materials, or terminate this Contract without liability to
10 either party.

11 13. NOTICES.

12 A. Any notice required hereunder shall be in writing and personally
13 delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to
14 Contractor at the address first stated herein, and to the City at 411 West Ocean
15 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of
16 address shall be given in the same manner as stated herein for other notices. Notice
17 shall be deemed given on the date deposited in the mail or on the date personal
18 delivery is made, whichever first occurs.

19 B. Except for stop notices and claims made under the Labor Code,
20 City will notify Contractor when City receives any third party claims relating to this
21 Contract in accordance with Section 9201 of the Public Contract Code.

22 14. BONDS. Contractor shall, simultaneously with the execution of this
23 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
24 form attached hereto and in the amount specified therein, conditioned upon the faithful
25 performance of this Contract by Contractor, and a good and sufficient corporate surety
26 bond, in the form attached hereto and in the amount specified therein, conditioned upon
27 the payment of all labor and material claims incurred in connection with this Contract.

28 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any

1 of the moneys that may become due Contractor hereunder may be assigned by Contractor
2 without the written consent of City first had and obtained, nor will City recognize any
3 subcontractor as such, and all persons engaged in the work of construction will be
4 considered as independent contractors or agents of Contractor and will be held directly
5 responsible to Contractor.

6 16. CERTIFIED PAYROLL RECORDS.

7 A. Contractor shall keep and shall cause each subcontractor
8 performing any portion of the work under this Contract to keep an accurate payroll
9 record, showing the name, address, social security number, work classification,
10 straight time and overtime hours worked each day and week, and the actual per
11 diem wages paid to each journeyman, apprentice, worker, or other employee
12 employed by Contractor or subcontractor in connection with the work, all in
13 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
14 payroll records for Contractor and all subcontractors shall be certified and shall be
15 available for inspection at all reasonable hours at the principal office of Contractor
16 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
17 to furnish such records to City in the manner provided herein for notices shall entitle
18 City to withhold the penalty prescribed by law from progress payments due to
19 Contractor.

20 B. Upon completion of the work, Contractor shall submit to the City
21 certified payroll records for Contractor and all subcontractors performing any portion
22 of the work under this Contract. Certified payroll records for Contractor and all
23 subcontractors shall be maintained during the course of the work and shall be kept
24 by Contractor for up to three (3) years after completion of the work.

25 C. The foregoing is in addition to, and not in lieu of, any other
26 requirements or obligations established and imposed by any department of the City
27 with regard to submission and retention of certified payroll records for Contractor
28 and subcontractors.

If any loss or damage occurs to the work that is not covered by collectible commercial insurance, excluding loss or damage caused by earthquake or flood or the negligence or willful misconduct of City, then Contractor shall immediately make the City whole for any such loss or pay for any damage. If Contractor fails or refuses to make the City whole or pay, then City may do so and the cost and expense of doing so shall be deducted from the amount due Contractor from City hereunder.

PERFORMANCE BOND
(Bond for Faithful Performance)

WHEREAS, The CITY OF LONG BEACH, a municipal corporation of the State of California, hereinafter the "City" or "Obligee," have conditionally awarded to ALL AMERICAN ASPHALT, a California corporation designated as the "Contractor" or "Principal" herein, a contract for the work ("Work") described as follows: As-Needed Local Street Improvements, as described in Specification No.: R-7153, Addenda/Addendum and related drawings.

WHEREAS, the Principal is about to enter into a Contract with Obligee for performance of the Work, which Contract, and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, the Principal is required to furnish a bond guaranteeing the prompt, full and faithful performance of its obligations under the Contract Documents concurrently with delivery to Obligee of the executed Contract.

NOW, THEREFORE, we the undersigned Contractor, as Principal, and Fidelity and Deposit Company of Maryland, an admitted surety insurer in the State of California, as Surety, are held and firmly bound unto THE CITY OF LONG BEACH, a municipal corporation of the State of California (hereinafter the "City" or "Obligee") in the penal sum of One Million Dollars (\$1,000,000) lawful money of the United States, for the payment of which sum, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal shall promptly, fully and faithfully perform each and all of the obligations and things to be done and performed by the Principal in strict accordance with the terms of the Contract Documents as said Contract Documents may be modified or amended from time to time; and if the Principal shall indemnify and save harmless the Obligee and all of its officers, agents and employees from any and all losses, liability and damages, claims, judgments, stop notices, costs, and fees of every description, whether imposed by law or equity, which may be incurred by the Obligee by reason of the failure or default on the part of the Principal in the performance of any or all of the terms or the obligations of the Contract Documents, as they may be amended and supplemented including, but not limited to, its liability for liquidated damages for delay, all warranties or guarantees required thereunder and indemnity obligations; then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

Whenever the Principal shall be, and is declared by the Obligee to be in default under the Contract, which shall include without limitation, any breach or default of the Contract Documents, then, after written notice from the Obligee to the Surety, as provided for below, the Surety shall either remedy the default or breach by the Principal or shall promptly and faithfully take charge of the Work of and complete the Work in accordance with the requirements of the Contract Documents with a contractor other than the Principal at its own expense and make available as work progresses sufficient funds to pay the cost of completion less the balance of the Contract price including other costs and damages for which the surety may be liable hereunder; provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the Obligee.

Within fifteen (15) days of Obligee's written notice to the Surety of the failure of performance of the Contract by the Principal, it shall be the duty of the Surety to give to the Obligee an unequivocal notice in writing of the Surety's election to remedy the default(s) of the Principal promptly, or to arrange for performance of the Contract promptly by a Contractor other than the Principal, time being of essence to this Bond. In said Notice of Election, the Surety shall state the date of commencement of its cure or remedy of the Principal's default(s) or its performance of the Contract. The Surety's obligations for cure or remedy, include but are not limited to: correction of defective work and completion of the Contract, additional legal, design professional and delay costs arising from Surety's actions or failure to act; and liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance by the Principal. The Surety shall give prompt written notice to the Obligee upon completion of the cure or remedy of the Principal's default(s) of its performance of the Construction Contract.

If the Surety does issue its Notice of Election and does not proceed to cure or remedy the Principal's default(s) of its performance of the Work with reasonable promptness, the Surety shall be deemed to be in default on this bond fifteen (15) days after receipt of a written notice from Obligee to the Surety demanding that the Surety perform its obligations under this Bond, and the Obligee shall be entitled to enforce any remedy available to Obligee.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

FURTHER, Principal and Surety agree that if Obligee is required to engage the services of attorneys in connection with enforcement of the bond, each shall pay Obligee's reasonable attorneys' fees incurred, with or without suit, in addition to the above penal sum.

The guarantees contained herein shall survive the final completion of the Work called for in the Contract Documents with respect to the obligations and liabilities of the Principal which survive such final completion.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 12th day of December, 2019.
