## **City ECE Prioritization Background**

- 2018 Adoption of Long Beach Early Childhood Education (ECE) Strategic Plan
  - ➤ Goal 2: Increase access to and affordability of infant through Pre-K early care and education services
  - ➤ Objective: Creation of a centralized enrollment system
- 2020 Covid-19 Response & Recovery
  - ➤ Childcare and ECE deemed essential
  - ➤ City investments to ECE industry via CARES Act and Long Beach Recovery Act
- Childcare and ECE Prioritized in:
  - ➤ Long Beach Economic Blueprint
  - ➤ Long Beach 2030 City Vision

# Childcare System-Development Opportunity via Long Beach Recovery Act Funding

- ~ \$2.48 million allocated to Early Childhood Education, Childcare, & Literacy Development
- \$600,000 identified to support the stabilization of ECE industry and development of a community-led centralized enrollment system
- Mayor's Fund for Education identified as ideal organization to lead the effort
  - Already a trusted partner by ECE providers and LBUSD
  - > Proven track record via CARES Act response contracts (thousands of infant care supplies distributed)
  - Expertise and history of successful implementation of community-wide shared-services programs, working with diverse stakeholders
  - ➤ Capable of centralized administration in collaboration with City, LBUSD, ECE industry, business, community, and other stakeholders
  - > Ability to leverage both public and private investment for ongoing sustainability
- Contract Finalized February 2023 → Investment in the development of the Long Beach Early Learning Hub
