To whom it may concern,

My name is Blanca Ornelas and I am a resident of our district one Washington neighborhood. Our neighborhood is suffering due to all the crimes we are enduring. We are the neighborhood with the highest shootings and crime. It saddens me to see gang graffiti everywhere around our neighborhood! We shouldn't have to live in fear. This is not what our children and young teens should be living. I ask that you please support our council woman, Mary Zendejas. We need our gangs unit back!!!! We need a safer community! Our police officers have been working really hard and there's only so much they can do. They need your support!

Sincerely,

Blanca Ornelas

My name is Iris Ornelas, I live in the 1st District.

There has been an extreme increase of violence in the last year, up to today in our city. More needs to be done and what our Councilwoman Mary Zendejas is requesting in terms of reporting with the City Council within 30 days on violent and quality of life crime in Long Beach, and outline of current efforts and what is being done to address this increase of violence, is more than reasonable.

Additionally, we need to bring back a Field anti gang unit. Long Beach is being taken over by gangs again, like it was in the 90s. There needs to be more done to ensure our safety!!!
