17. (19-0502) Recommendation to declare ordinance amending the Long Beach Municipal Code by adding Chapter 8.97, relating to Tenant Relocation Assistance, read the first time and laid over to the next regular meeting of the City Council for final reading. (Citywide)	Kevin Shin	kevin.c.shin@gmail.com						While imperfect, the changes to provide Tenant Relation Assistance are a step in the right direction towards helping address our ongoing and growing housing affordability and related homelessness crisis. As a landlord, residents, engaged community member, and advocate for greater equity, I support the tenant relocation assistance changes and encourage the council to further strengthen them in the future in a way that better reflects the speed at which rents continue to rise in our city.	5/21/2019

(Citywide)	Diana Jones	hrhdiana2000@yahoo.com						Nuisance properties will become the unintended consequences of this absolutely ridiculous proposition. And you will create a very unfriendly environment to further development equaling less affordable housing. All of you should take a class in economics 101; it might help you understand the dire consequences.	5/20/2019

(Citywide)	Gretchen Swanson	gretchen.swanson3@gmail.com						Please support this ordinance - our residents need this assurance and protection. I live in a neighborhood with 80% renters - many have been dislocated with no option to live within LB or even nearby. Yet their lives, their work, their education is in LB.	5/20/2019
22. (Citywide)	Lucy Johnson	lucyjohnson1@gmail.com						I urge the City Council adopt the recommendation of the Department of Human Resources for this item, and to pass the resolution attached to the item. My email outlining the reasons for my position was sent a few moments ago to each Councilmember,	5/21/2019
