**Subject:** Comments for City Council Meeting

**-EXTERNAL-**

**Please put in comments for the meeting on budget. The Legistar system is not working for comments. We should still be having Zoom meetings so the public can join in.**

**It is an absurdity that only 3.2 million is being allocated to the Long Beach Animal Shelter. We are in a crisis and we need to invest more money in spay/neuter programs in the community. The shelter is not taking in animals and not open 40 hours. What are they getting paid to do? The dog parks should be a great opportunity to do spay/neuter clinics, educate the public...**

**Please give more money to the Long Beach Shelter.**
