Hello,

I have been a resident of Long Beach for 23 years and I believe allowing a beer and wine license for bay shore concessions would improve the environment within our community. This is a great community and I believe this would only make it better!

Thanks,

Dear Mary,

I am absolutely thrilled to express my full support and approval for the license for beer and wine sales at Grillemall/Bayshore concessions! As someone who loves and appreciates the beauty of the area, I am confident that this decision will take the beach experience to the next level.

The addition of beer and wine sales is not just a business opportunity, but a chance to create a vibrant and fun environment that everyone can enjoy. It's an opportunity to showcase the best of what our community has to offer and support local businesses that are the heart and soul of our community.

I am convinced that this move will elevate the beach experience and create a more enjoyable and memorable atmosphere for all. It will be an invitation for visitors to linger longer, socialize and create lasting memories.

Thank you for considering this request, and I cannot wait to see the incredible impact this decision will have on our beloved community.

With excitement and anticipation,

Phillip Mazzocco
