RE: Business License Application # 20121520
Business Name: H&Y Rebar Inc.
Business Address: 3254 Cherry Avenue, Long Beach, CA 90802

Dear Sir:

Thank you for your interest in establishing a business in the City of Long Beach. Unfortunately, your application to operate a Steel Reinforcement Contractor business cannot be approved at this time due to noncompliance with applicable laws and regulations, pursuant to LBMC 3.80.421.1(B). The Planning and Building Department (see attached letter) has recommended that the business license application be denied for the following reason:

- This business has not obtained approvals and inspections for 2 modular office trailers, new electrical and a shed.

You are required to cease business operations within 10 days of receipt of this letter. To continue business operations would be a violation of the Long Beach Municipal Code.

When this business has been brought into compliance with the applicable laws and regulations governing the operation of a Steel Reinforcement Contractor business in the City of Long Beach, you may reapply for a business license. Following approval by City departments, the Department of Financial Management will issue a business license.

Should you wish to appeal the denial of your business license application to the Long Beach City Council, you may do so by filing a notice of appeal with the Director of Financial Management within ten days of receipt of this letter. The notice of appeal should state the reason for the denial and the grounds for such appeal. It should be sent to the undersigned along with a nonrefundable filing fee of \$1,050.00.

Please direct any questions to this matter to Jeannine Montoya, Business License Supervisor, at (562) 570-6211.

Sincerely,

JAMES A. GOODIN

Subject: Rejection of Business License Application

The Department of Planning and Building recommends the Director of Financial Management deny the application for a business license by Mike Yates, DBA H & Y Rebar Inc., 3254 Cherry Ave., Long Beach, California. The reason for this recommendation is that the applicant has failed to comply with applicable laws and regulations, pursuant to LBMC 3.80.42.1(B).

Specifically, this business has not obtained approvals and inspections for 2 modular office trailers, new electrical and a shed.

The Planning and Building Department, therefore, recommends that the Director of Financial Management deny Mike Yates, H & Y Rebar Inc's application for a business license.

Re: Business License

To Whom It May Concern:

I have owned and operated a business in the city of Long Beach since 1986. This letter is in response to a letter I received stating to cease operations of my business within 10 days. This letter has caught me extremely off guard as I had understood the permits and inspections needed had been obtained and were in order. Therefore I am enclosing a check for the filing fee of \$ 1,050.00 in hopes that this will suffice until I can resolve this matter.

Thank you,

Sincerely,

James H. Hofheinz, Vice-President
Hof & Yates Rebar, Inc.
