

To Gerrie Schipske, 5th District Councilperson.

We live in the District you represent and have not been notified by your office, by you or the City of Long Beach about the Schroeder Hall or the Mentally-ill Homeless project that you approved on December 18, 2007. We are very disappointed in the lack of notification to our community and request that the subject be re-agendized that we may testify before the City Council.
