**Subject:** Please Vote No on any Rent Control

Please vote no on any changes to policy that would enact any form of rent control.

As a property owner, a residential property owner, and as a real estate professional I can not begin to list the numerous downfalls for tenants, property owners, and real estate professionals in the city of Long Beach.

Trying to put a tenants relocation burden on a landlord regardless of size seems wrong regardless of wealth or standing in the community.

I hope common sense prevails and you all vote no.

Thank you
