Subject: City Clerk public comment-Item 41: 22-1426

-EXTERNAL-

Good evening,

Please confirm that my public comment has been received. I am also including the City Attorney for them to review the Chair's social media comments as well...basically calling someone racist because they didn't agree with her views. How can the chair move forward the work of this Commission when she is also using social media to intimidate and call people horrible names?

It is unacceptable that Kenya Montgomery is still on the Commission and Alyssa Gutierrez is the chair.
