FISCAL IMPACT

This recommendation requests the City Manager to provide a contribution to Cambodia Town Inc. to support the 16th Anniversary Dinner of Cambodia Town Designation. The total appropriation increase of \$850 in the General Fund Group in the City Manager Department will be offset by a decrease in appropriation of the Sixth Council District One-time District Priority Funds in the General Fund in the Citywide Activities Department. This recommendation is anticipated to require a minimal level of staff time beyond normal budgeted scope of duties and is expected to have minimal impact on existing City Council priorities.
