1. (18-0407) Recommendation to receive supporting documentation into the record, conclude the public hearing, find that the area to be vacated is not needed for present or prospective public use; and, adopt resolution ordering the vacation of Pasadena Avenue between 33rd Street and Interstate 405 San Diego Freeway. (District 7)	Janet West	jayjay76511@gmail.com						<p>PART 1 I am opposed to the approval of this Resolution for these reason:</p> <p>1) SA Properties Company L.P. is paying \$20,210 for a 10,110 square foot property which comes to about \$2 a square foot. The only vacant property I see listed for sale in Long Beach presently is 2150 Orange Avenue which is a 36,590 square foot lot and the asking price is \$675,000 which comes to approximately \$18.50 per square foot.</p>	5/15/2018
7. (18-0414) Recommendation to adopt resolution authorizing City Manager, or designee, to submit a grant application to the State Department of Forestry and Fire Protection, Urban and Community Forestry California Climate Investments Grant Program, for urban and community forestry programs in the City; accept said grant, if awarded, in an amount up to \$1,260,633 funded by the California Greenhouse Gas Reduction Fund; and, execute all documents necessary to accept the funds and implement the programs. (Citywide)	Susan Miller	mpshogrl@msn.com						<p>Planting trees for our Urban forests are important along with maintaining healthy, existing trees such as the 40 palms trees at 2 &amp; PCH. Choosing the correct Native trees to plant is paramount. Watering, availability of water resources, stop using Round Up and continued maintenance of the trees must be part of the program.</p>	5/14/2018
