

AMENDMENT NO. 3 TO AGREEMENT

RENEWAL 26770
GROUP #3712
REVISED

AGREEMENT dated December 1, 2006, as amended, between CITY OF LONG BEACH and DELTA DENTAL OF CALIFORNIA "Delta Dental," is hereby further amended, effective January 1, 2011, as follows:

Paragraph 1.3 is amended to read:

- 1.3 "Contract Term" means the period beginning on January 1, 2011, and ending on December 31, 2012 and each subsequent yearly period during which this Contract remains in effect.

Paragraph 2.1 is amended to include:

New hires will become eligible for Benefits on the first day of the month following 30 days of employment.

Paragraphs 2.4 and 2.5 are amended to read:

- 2.4 Dependents are the Primary Enrollee's legal spouse or domestic partner (as defined below) and dependent children from birth to age 26. Children include natural children, stepchildren, adopted children, children of a domestic partner, children placed for adoption and foster children. The Dependents of Primary Enrollees are eligible to enroll on the same date that the employee, of whom they are a Dependent, becomes a Primary Enrollee. Later-acquired Dependents become eligible as soon as they acquire Dependent status.

Domestic partners are defined as same sex partners, who are both at least 18 years of age, and opposite sex partners when one or both partners are over the age of 62. Domestic partners may be required to provide the Contractholder with a copy of the Declaration of Domestic Partnership registered with the Secretary of State of the State of California.

A domestic partner is subject to the same terms and conditions as any other Dependent enrolled under this Contract.

- 2.5 A dependent child may continue eligibility if:
- a) He or she is incapable of self-sustaining employment because of a physically or mentally disabling injury, illness or condition that began prior to reaching the limiting age;
 - b) He or she is chiefly dependent on the eligible employee for support; and
 - c) Proof of Dependent's disability is provided within 60 days of request. Such requests will not be made more than once a year following a two year period after this Dependent reaches the limiting age. Eligibility will continue as long as the Dependent relies on the eligible employee for support because of a physically or mentally disabling injury, illness or condition that began before he or she reached the limiting age.

Last sentence of sub-paragraph 2 of Paragraph 3.1 is amended to read:

Delta Dental is maintaining a prefund amount of \$326,061.58.

Paragraph 5.2 is amended to read:

- 5.2 Such deductible amounts shall apply once each calendar year or portion thereof during which the patient is continuously eligible under the Contract. The deductible does not apply to Diagnostic and Preventive or Dental Accident Benefits.

Paragraph 5.3 is amended to read:

- 5.3 The maximum amount Delta will pay for Diagnostic and Preventive, Basic, Crowns, Inlays, Onlays and Cast Restorations, Prosthodontic and Dental Accident Benefits provided to any Enrollee in a calendar year is \$1,000.00, applicable if services are provided by non-Delta Dental PPO Dentists; and \$2,000.00 in a calendar year, applicable if services are provided by Delta Dentist PPO Dentists.

Paragraph 8.8 is hereby deleted:

- 8.8 Enrollees have access to dental care when they are outside of the United States through Delta's partnership with International SOS Assistance, Inc. (I-SOS). I-SOS is a worldwide network of dentists and dental clinics. English-speaking operators are available around the clock to answer questions and assist with scheduling care. Delta Dental coverage outside the United States is the same as Delta Dental coverage within the United States and is determined by the Contractholder's plan design. Access to the I-SOS network is offered through a partnership agreement and will not be available if the agreement terminates.
