

Date: August 2, 2005
To: Honorable Mayor O'Neill and Members of the City Council
From: Frank Colonna, Council Member, Third District *FC*
Subject: **AGENDA ITEM: Public Safety Advisory Commission I-710 Report**

Background

On May 31st, 2005, the Gateway Cities Council of Governments made a presentation to the I-710 Council Oversight Committee that provided insight to the progress of the I-710 expansion.

It would be appropriate and helpful to the City Council to receive input from the Public Safety Advisory Commission concerning any public safety issues that could be directly associated with the I-710 proposal. Therefore, I would like to request that the Public Safety Advisory Commission receive a presentation by Gateway Cities and thereafter be requested to provide the City Council with a report outlining their position with regard to I-710 expansion safety issues.

Recommended Council Action

Request the City Manager to work with Gateway Cities and the Public Safety Advisory Commission to put together a report outlining the public safety concerns with regard to the I-710 expansion project.
