

CONDITIONAL USE PERMIT FINDINGS

**2011 E. Spring Street
Application No. 1806-04 (CUP18-013)
July 18, 2019**

Pursuant to Section 21.25.206 of the Long Beach Municipal Code, a Conditional Use Permit can be granted only when positive findings are made consistent with the following criteria set forth in the Zoning Ordinance. These findings and staff analysis are presented for consideration, adoption and incorporation into the record of proceedings:

- 1. THE APPROVAL IS CONSISTENT WITH AND CARRIES OUT THE GENERAL PLAN, ANY APPLICABLE SPECIFIC PLANS SUCH AS THE LOCAL COASTAL PROGRAM AND ALL ZONING REGULATIONS OF THE APPLICABLE DISTRICT;**

The project site is located in Land Use District #9 – General Industrial Uses. LUD #9 is intended to accommodate industrial, manufacturing, research and development. Supporting uses like restaurants and retail are necessary or desirable to serve nearby industrial business. The proposed sales of alcoholic beverages at a convenience store are consistent with the requirements of this district; therefore the principal use of the site is consistent with the General Plan. The project is consistent with the zoning regulations of the IL zoning district, as the off-site sale of alcoholic beverages at a convenience store are allowed through the Conditional Use Permit process.

- 2. THE PROPOSED USE WILL NOT BE DETRIMENTAL TO THE SURROUNDING COMMUNITY INCLUDING PUBLIC HEALTH, SAFETY OR GENERAL WELFARE, ENVIRONMENTAL QUALITY OR QUALITY OF LIFE; AND**

The sale of alcoholic beverages (beer and wine) for off-site sales at a convenience store is not expected to be detrimental to the surrounding community. Conditions of approval are included to ensure minimization of any negative impacts associated with the operation of the proposed project. Conditions include security measures to prevent nuisances and loitering and to ensure safe operations of the facility.

- 3. THE APPROVAL IS IN COMPLIANCE WITH THE SPECIAL CONDITIONS FOR SPECIFIC CONDITIONAL USES, AS LISTED IN CHAPTER 21.52.**

Section 21.52.210 states that the following conditions shall apply to all alcoholic beverages sales uses requiring a Conditional Use Permit:

- A. The operator of the use shall provide parking for the use equivalent to the parking required for new construction regardless of the previous use as to legal nonconforming rights.**

The convenience store is located within a commercial center that includes a ready to eat restaurant and retail uses. Based on the existing square footage for the existing convenience store 10 parking spaces would be required. The site currently has 74 parking spaces available for the center and is in compliance with the required number of parking spaces.

B. The operator of the use shall provide night lighting and other security measures to the satisfaction of the Chief of Police.

The Long Beach Police Department (LBPd) reviewed this application. The LBPd had no objections to the request provided that the project incorporate Conditions of Approval that require security cameras, night lighting, and security measures required by Long Beach Police Department have been incorporated.

C. The operator of the use shall prevent loitering or other activity in the parking lot that would be a nuisance to adjacent uses and/or residential neighborhoods.

Condition of Approval No. 26 will require the operator to prevent loitering along sidewalk area including landscaping areas serving the use during and after hours of operation.

D. The use shall not be in a reporting district with more than the recommended maximum concentration of the applicable on or off-premise sales use, as recommended by the Long Beach Police Department, except: (1) locations in the greater downtown area; or (2) stores of more than 20,000 square feet of floor area, and also providing fresh fruit, vegetables, and meat, in addition to canned goods.

In consideration of a Conditional Use Permit application for the sale of alcoholic beverages, staff evaluates the number of existing alcohol licenses in the subject Census Tract (9800.18) in which this convenience store is located, as well as the total number of reported crimes in the subject Police Reporting District.

Section 21.52.210 of the zoning regulations requires that the use shall not be in a reporting district with an over-concentration of alcohol sales, as recommended by the California Department of Alcoholic Beverage Control (ABC), and that the use shall not be in a reporting district with a high crime rate as reported by the Long Beach Police Department. The convenience store is not located in a high crime area per LBPd; nor is it an over concentrated district for off-site sales. In the subject census tract (9800.18), one license for off-site alcohol sales is allowed and there are zero licenses currently. Staff consulted with the LBPd on this application and they expressed no opposition provided that they incorporate security measures such as security cameras and lighting.

- E. The use shall not be located within 500 feet of a public school or public park, except: (1) locations in the greater downtown area; or (2) stores of more than 20,000 square feet of floor area, and also providing fresh fruit, vegetables, and meat in addition to canned goods.**

The subject site is not located within 500 feet of a public school, private school or public park.

- 4. THE RELATED DEVELOPMENT APPROVAL, IF APPLICABLE, IS CONSISTENT WITH THE GREEN BUILDING STANDARDS FOR PUBLIC AND PRIVATE DEVELOPMENT, AS LISTED IN SECTION 21.45.400**

Section 21.45.400 specifies types of projects that require compliance with green building standards. The proposed use is not one of the types of projects that require compliance Section 21.45.400, and therefore, this section of the Municipal Code would not be applicable to the proposed use.
