Subject: City Council Meeting tonight - item #16

-EXTERNAL-

hello

I am seeking clarification on the Ticketing Lobby portion of this project.
Why are we building such a large ticketing area?
Are you planning on expanding the traffic at LGB, allowing more flights and/or passengers?

Really want to know if you're building now so its easy to expand later.

I am against expanding the Long Beach airport- its small and easy that's why people like it so much.

thank you, Cathy Tesch- district 5
