I'm commenting on the Measure A five year plan. I'm dissapointed that Somerset park is not included for pickleball upgrades. We have at least 20 people out there twice a week playing pickleball yet so resources are being allocated for resurfacing (major tripping hazards), stripes or signage. Pickleball is an easy sport for all to play and why the city continues to ignore the demand for it is frustrating. We don't want to drive 20 minutes for courts. Please focus some resources in Bixby Knolls and North Long Beach.
