To whom it may concern;

Short Term Rentals (STR) are a boon to all small businesses especially restaurants. All guests are vetted as opposed to hotels that do not vet.

They enhance Long Beaches reputation as a wonderful vacation spot and bring in huge amounts of tax dollars.

I think, especially in the beach areas, (Belmont Shore) that STR are one of the best things that has happened to Long beach in a long time.

Glenn Paul,

I am a business owner and have been a resident of Long Beach for 50 Years.

Thank you for considering my opinion.
