Subject: Fund Transfer for Community Concert

RECOMMENDATION:

Decrease appropriations in the General Fund Group in the Special Events Department by \$1,663.77 to offset a transfer to the City Manager Department.

INTRODUCTION:

Free concerts have become a major feature of the community throughout the summer as numerous neighborhood groups host concerts in the park as a way of showing appreciation for the residents of their neighborhood, but also creating a greater sense of community. Creating fun, engaging, family oriented community events is an important way of building neighborhood cohesion and positivity. The Friends of Belmont Shore are hosting their annual community concert this year in memory of the late Bill Lorbeer, and supporting this effort to bring the neighborhood together represents an important way of further developing positive community development.

FISCAL IMPACT:
