1. [07-1470](#) Recommendation to discuss the Model Elements of a Dangerous Dog Ordinance for possible inclusion in the Long Beach Municipal Code at Title 6.

A motion was made by Vice Chair Schipske, seconded by Member Gabelich, to approve and refer to the City Council the following changes to the LBMC Section 6: Require microchipping of animals impounded by the Animal Control Division prior to owner redemption; Strengthen the leash law (LBMC 6.16.100); Create a new ordinance where in addition to possible criminal violations, the owner may be subject to administrative penalty if their dog is discovered loose and at large that have attempted to bite, attack or menace another human or animal, due the owner's failure to contain the animal by means of ordinary care; Create a linkage between education and fines that would require mandatory education regarding responsible pet ownership; and the possibility of requiring microchipping of all licensed dogs and/or microchipping dogs prior to adoption, due back on 4/1/2008. The motion failed by the following vote:

Yes: 3 - Lerch, Schipske and Gabelich
