HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Approve the Downtown Long Beach Property and Business Improvement District Annual Report for the period of January 1, 2016 through December 31, 2016, automatically extending the Agreement for Funding with the Downtown Long Beach Associates for one year; and authorize payment of \$530,697 in City property assessments from the Civic Center Fund (IS 380) in the Department of Economic and Property Development (EP). (Districts 1 and 2)

DISCUSSION

Downtown Long Beach Associates (DLBA) has three established sources of revenue that pass through the City to the organization. These include business operator assessments, property owner assessments and downtown parking meter revenue sharing. This recommended action relates to property owner assessment funds for expenses related to security, maintenance, public relations, special projects, advocacy and economic development in Downtown Long Beach. City Council approves the business operator assessment separately. DLBA's Approved FY 2015-16 Budget Narrative, including all sources of revenue, is provided for reference in Exhibit A.

The Downtown Long Beach Property and Business Improvement District (DLB-PBID) was established by the City Council on August 4, 1998. On August 7, 2012, City Council re-established the DLB-PBID. This re-establishment required a majority vote of the property owners in favor of re-establishing the district for a new term of ten years.

On January 12, 2001, City Council and DLBA executed an Agreement for Funding setting forth the duties and delegations of the parties. This Agreement is automatically extended on a year-by-year basis upon approval of the Annual Report and the related levy of assessments by City Council.

The DLBA Board voted on April 15, 2015 to raise assessment rates three percent (3.0%) per the allowed CPI adjustment. This is reflected in the attached budget and report. Properties are assessed based upon location within two defined zones in the DLB-PBID area. The assessment rate and level of program service provided varies, depending upon the zone in which the property is located. Assessment rates for 2016 are described in Section 6 of Exhibit B. An estimated total property assessment revenue of \$2,411,692 is reported in Section 7. Section 4 of the report shows a DLB-PBID budget of \$2,405,691 for the period. Adequate reserve funds (three percent of

estimated revenue) are available to make up any deficit between budgeted expenditures and actual revenue received for the period (Section 4 of Exhibit B).

The DLB-PBID assessment area contains properties owned by private commercial and residential property owners, the City of Long Beach, and the Long Beach Successor Agency (SA, formerly Redevelopment Agency of Long Beach). In FY 16, the City assessment is \$530,697, of which \$181,171 is related to Pike property development and will be paid to the City by Developers Diversified Realty (DDR), as required by their lease. Thus, the City's net assessment is \$349,526. The Successor Agency's assessment is \$11,652, which is approved by the Successor Agency Board separately. City and SA payments together total \$361,178 and represent approximately 15 percent of the total levy of \$2,411,692 for program year 2016. Exhibit C details City and SA-owned properties located within the DLB-PBID.

The Property and Business Improvement District Law of 1994 (Law) requires that the DLBA Board of Directors file an Annual Report detailing the DLB-PBID assessment methodology and assessment levy filed with Los Angeles County. The subject levy of assessment will cover the DLB-PBID contract period with the DLBA from January 1, 2016 through December 31, 2016. The Annual Report of Levy and Assessment is provided as Exhibit B for City Council approval.

The Law also allows the City to contract with service providers to carry out the DLB-PBID program. For the past 15 years, the City has contracted with the DLBA to carry out the DLB-PBID Management Plan.

This matter was reviewed by Deputy City Attorney Amy Webber on September 28, 2015, and Budget Management Officer Victoria Bell on October 1, 2015.

TIMING CONSIDERATIONS

The current DLB-PBID contract terminates on December 31, 2015. City Council approval of the Annual Report and related levy of assessment is requested on October 20, 2015 to ensure timely transfer of assessment revenue as required by City contract.

FISCAL IMPACT

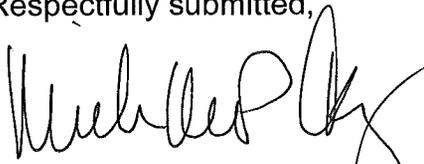

The City's assessment for FY 16 is \$530,697. Of this amount, \$181,171 is associated with Pike development property and will be paid to the City by DDR. The City will pay the portion of the assessment attributable to DDR after receipt of those funds from DDR. The balance of the City's assessment, \$349,526, will be paid from the Civic Center Fund (IS 380) in the Department of Economic and Property Development (EP). The FY 16 assessment amount for all Successor Agency-owned parcels is \$11,652. Approval of this recommendation will provide continued support to the local economy.

EXPENSES FY 2015-16

The DLBA is the non-profit management organization empowered by the Long Beach City Council to manage two Downtown Business Improvement Districts (BIDs). The Downtown Parking Improvement Area (DPIA) is supported through a special assessment established by business owners, while the Property Based Improvement District (PBID) is sustained with the contribution of the commercial and residential property owners within the District.

Personnel

To support the programs and services provided by the BIDs, the DLBA administrative team consists of the following:

- President and Chief Executive Officer is to lead, facilitate and motivate personnel to accomplish all DLBA objectives as outlined in the mission statement and the PBID Management Plan. Subject to the direction of the Board of Directors, the President and CEO supervise and direct the day-to-day business and management of the organization and the BIDs.
- Clean and Safe Manager is responsible for managing the Clean and Safe Programs and is involved in community outreach programs to address the quality of life.
- Community Outreach Manager communicates with residents, meet regularly with HOAs and neighborhood associations, represent residential perspectives, and trouble-shoot residential issues related to the PBID's environmental services that include cleaning, safety and beautification.
- Communications Manager is responsible for all internal and external communication and develops communications protocol and best practices for DLBA, coordinating with departments and community partners.
- Marketing and Special Events Manager's primary objective is to increase awareness and enhance the image of DTLB by promoting existing infrastructure and developing new business and customer markets. Responsible for the supervision of all DLBA special events, including sponsorship. Also provides technical assistance to outside organizations and individuals that produce events within the District.
- Graphic Designer & Marketing Coordinator is responsible for assisting the Marketing Manager on all DLBA marketing efforts including special events, advertising and event related graphic design. Also an in-house resource for the entire organization in production and design of DLBA publications, notices & flyers, website updates, video development, advertisements and more.

- Special Events Coordinator will assist the Marketing and Special Events manager with all event planning and logistical execution including the permitting process required for each event, as well as provide hands-on support for set-up, implementation and tear-down at events.
- Economic Development Manager establishes strong working relations with downtown business and property owners, financial institutions, commercial brokers, developers and local economic development officials to advance downtown interests. Responsible for business recruitment and retention efforts.
- Economic Development Coordinator is responsible for gathering, analyzing, and cataloging Downtown real estate information to support business recruitment and for providing assistance to Economic Development Manager
- Placemaking Manager is responsible for working with community partners to create an environment that attracts and retains investment in DTLB by developing and managing improvements that enhance the visual appearance and connectivity of Downtown.
- Executive Assistant coordinates all administrative functions, which maximize the operating efficiency of the organization. Also motivates staff to operate efficiently and achieve organizational objectives.
- Administrative Assistant supports all departments in the daily administrative and clerical duties.

All salary, taxes and benefits are proportionally shared with all departments based on allocated time by the DPIA and the PBID, except for the Community Outreach Manager (100% PBID).

GENERAL ADMINISTRATION

\$540,027

General administration expenses include office rent, telephones, computers, office equipment lease, office supplies, postage, general insurance, professional services (including legal and annual audit fees), utilities, depreciation, taxes, accounting services (contract with a private firm), employee recruitment, bank charges, and outside support (temporary staffing as needed).

ADVOCACY

\$88,000

The DLBA is the leading voice for the Downtown community and plays a critical role in establishing and achieving objectives set forth by its stakeholders. DLBA Committees meets regularly to better serve its stakeholders and ensure the quality of life in the central business district. It also acts as a liaison between the residential and business community and many city departments and council offices.

Advocacy expenditures may include conducting workshops and orientations, costs for professional dues and subscriptions, participating in industry-related seminars and conferences or civic events, and Board contingency.

PUBLIC REALM

\$433,250

The public realm is one of DTLB's most important distinguishing characteristics. Our streets, sidewalks, parks and plazas set the tone for someone's experience in DTLB. The Public Realm Department, under the advisement of the Public Realm Committee, is responsible for developing and supporting capital improvement projects in accordance with the PBID Management Plan, which stipulates that the Special Project funds generated from assessments within the Standard and Premium service areas should support improvements that enhance the visual appearance of Downtown.

- **Capital Improvement Projects**

Capital Improvement Projects provide physical improvements to streets, sidewalks, parks and plazas with the purpose of creating an attractive, functional and safe environment. Projects of this type include vehicular and pedestrian wayfinding, streetscape furnishings, and other streetscape infrastructure improvements intended to enhance the visitor experience in Downtown. The DLBA will typically engage in public-private partnerships with the City or other entities to finance, develop, and maintain the improvements.

- **Placemaking Grants**

The intent of the Placemaking Grant Program is to identify and provide funding to associations and organizations interested in making physical enhancements to Downtown that enhance public safety, expand accessibility, and beautify the Downtown area.

- **Public Space Activation**

Activating underutilized areas by turning them into attractive, comfortable, and social public spaces can be effective in remaking a public space, often quickly and cheaply. Projects of this nature will typically include ongoing management and programming as part of the activation and include:

- The activation of the southeast corner of Ocean Boulevard and Pine Avenue to bring a semi-permanent park space and structures that will facilitate micro-retail opportunities, experiential art, and other temporary programming designed to activate the underutilized space.
- Strategically placed furniture in areas that are either void of social activity or those that are rich with life, but lack comfortable places to sit.
- The creation of public parklets, such as those fashioned from custom shipping containers, with the purpose of adding more neighborhood green space.

- **Community Engagement/Planning**

Providing a means for stakeholder input into the development of Public Realm projects helps ensure that projects are designed and programmed to meet the ongoing needs of the community. The DLBA is also involved in advocacy activities that support and facilitate better pedestrian environments, stronger connectivity between key destinations, and other projects and programs that support the goals of the Strategic Plan Update. Efforts of this type include:

- Working with local and regional partners in building broad-based support for changes to policies and/or regulations that are obstacles to realizing a pedestrian friendly DTLB.
- Stakeholder outreach to obtain input regarding public and private development projects proposed in Downtown.
- Sponsor or support of visioning exercises, and transportation and land-use planning studies.
- Collateral such as infographics, maps, and how-to guides that inform and educate DTLB residents, business owners, and visitors.
- Professional development opportunities to advance the goals of the Strategic Plan Update as related to the public realm. This includes staff membership to organizations, attendance of conferences, and speaking engagements.

MARKETING

\$246,118

The DLBA Marketing Department, under the advisement of the Marketing and Communications Committee, is dedicated to increasing the awareness for and enhancing the image of DTLB. This is achieved through year-round promotions, publishing a monthly e-newsletter, implementing and sustaining media relations activities, maintaining an informative and user-friendly website, and a wide variety of advertising programs and collateral materials.

- **Advertising & Promotions**

Advertising is essential to communicating all DTLB has to offer. In efforts to maintain top-of-mind awareness within the community, the DLBA needs to maintain an advertising budget in support of different advertising opportunities that present themselves throughout the year. This will also include programs promoting Downtown businesses and DLBA collateral including the Holiday Gift Guide, a Wayfinding Map and Happy Hour in DTLB.

- **Communications: Stakeholder Outreach and Public Relations**

On-going communication with the various audiences served by the DLBA, including DTLB stakeholders, residents, visitors, employees and media, is of extreme importance. To that end, the DLBA will focus on social media outreach efforts while also maintaining traditional forms of communication (including press releases, post cards, posters, etc).

- **Annual Report**

The DLBA Annual Report serves to highlight the accomplishments and measurable results from each of the departments with the organization. Produced on an annual basis, the report contains brief descriptions of the DLBA programs initiated within the past Fiscal Year and also provides financial summaries. The Annual Report will be distributed to all local officials, partners and key stakeholders as well as be available for download via the DLBA website.

- **www.downtownlongbeach.org**

The DLBA's website is a valuable tool for the dissemination of both consumer and business information to interested parties. The website averages approximately 40,000 hits per month, serving more than 12,000 users. The continual update and progress of this site is integral to its success. To stay current on the latest trends and position ourselves as a valuable news resource, the Marketing Department is proposing to budget for a redesign in the 2015-2016 fiscal year.

SPECIAL EVENTS

\$1,008,072

Special Events offer an exciting means of attracting and generating increased foot traffic to the central business district. Through creating and supporting opportunities for people to experience the urban energy and appeal of the Downtown area, the DLBA can demonstrate its initiative and commitment to enhancing the environment. The goal of the Special Events Department, under the direction and leadership of the Marketing and Communications Committee, is to manage and centralize all aspects involved with the DLBA's special events programs, including planning and execution in addition to providing technical assistance to outside organizations and individuals that produce events in the DTLB.

- **Celebrate Downtown**

The 11th annual signature event will be open to all stakeholders as an opportunity to honor downtown partners, as well as highlight the DLBA's accomplishments and programs for the year.

- **New Year's Eve on Pine**

The DLBA will produce this iconic event in two parts. One is a family-friendly component at the Waterfront, including free children's entertainment and fireworks show for the East Coast countdown. The second is an outdoor concert festival on Pine Avenue, featuring live music from 3 stages, a dozen outdoor bars and countdown celebration.

- **Long Beach Bicycle Fest**

The DLBA will continue to put an emphasis on celebrating bike-friendly Long Beach with partnerships including Wolfpack Hustle and Bikeable Communities which produces exciting elements including the Crit and City Cross Obstacle course. Along with craft beer, vintage bikes and live Long Beach bands, this event has something for everyone and represents the true heart of Long Beach.

- **Thunder Thursday on Pine**

The DLBA will produce the 18th Annual Thunder Thursday on Pine, the official kick-off party to the Toyota Grand Prix of Long Beach. Held on Pine Avenue between 1st Street and 3rd Street, this free event will feature a motor cross demonstration, motorcycle stunts, live music, and a static car display.

- **Summer And Music (SAM) Series**

The 8th Annual Summer and Music (SAM) series will feature local and regional acts, while activating the major areas of the Downtown from June – September.

- **Taste of Downtown Series**

The DLBA will produce a series of three Taste of Downtown events, inviting visitors and residents to enjoy sample-sized portions of signature dishes from restaurants in the Waterfront, East Village Arts District and Pine Avenue neighborhoods. The addition of a beer & wine garden, and exciting new Downtown restaurants has led to an increase in attendance and revenue.

- **Promenade Beer and Wine Festival**

The DLBA will produce the 3rd annual Beer & Wine Festival in support of the growing beer and wine businesses throughout Downtown. The event will include beer and wine sampling, food tastings from Downtown restaurants and live entertainment.

- **Event Reserve**

These funds will be held for contingent events that DLBA may want to supplement with financial or advertising backing.

ECONOMIC DEVELOPMENT

\$485,151

Under the advisement of its committee, the Economic Development (ED) Department fulfills the role of leading, managing, and collaborating on Downtown initiatives, issues, and programs related to economy. The department is responsible for carrying out key strategies, including assisting and retaining existing businesses, attracting retail and other employment-generating businesses, researching and reporting on Downtown's economic and demographic trends, as well as broadening Downtown's local, regional and national visibility.

Business Recruitment and Development

One of the ED Department's core responsibilities is providing ongoing and targeted assistance to potential businesses, including business recruitment activities.

- **Strategic Recruitment Services**

ED staff will meet with prospective businesses and engage in recruitment efforts that involve business visits and downtown site selection/relocation tours.

- **Downtown Commercial Façade Grant Program**

The department will fund a commercial façade improvement projects that will improve the exteriors of retail businesses, including individual building facades, signs and awnings, in addition to enhancing the overall look of the neighborhoods. The program seeks to leverage private and public investments (i.e. the City of Long Beach Commercial Improvement Rebate Program and Startup Business Grant) to make improvement efforts affordable and creative.

- **Advertising**

The ED advertising campaign will continue to utilize the most effective and popular real estate trade journals and other vehicles for driving ED messaging. Expanding beyond traditional advertising, ED staff will use alternative forms of communication, including but not limited to social media and public relations, to deliver messages.

- **Grand Opening Assistance**

ED will support new businesses by providing grand opening assistance, including offering advice, marketing support and new business banners.

Business Retention and Expansion

Similar to ED's recruitment services, assistance for existing businesses is also a core part of the department's focus. Business retention support includes consulting with existing businesses to recommend strategies for improving or enhancing business health and operations as well as coordinating with local agencies and entities to assist with permitting and site selection as needed.

- **Surveys and Data Collection**

Programming in this area will focus on expanding the department's available set of data and information through surveys of Downtown users, residents and office workers to understand and communicate existing and new economic opportunities.

- **Data Purchase and Subscriptions**

Working with data collection agencies, the department will seek to expand its access to Downtown-specific data in order to provide up-to-date real estate information while using brokerage tools such as CoStar and ESRI for expedited information on expiring leases.

Outreach

ED will increase the visibility of the DLBA and DTLB through sponsorships of and participation in numerous local, regional and national events, as well as activities targeting the local commercial real estate and business communities.

- **Real Estate Owner and Investor Events**

ED will also convene an annual gathering of major DTLB office building owners to foster greater understanding of respective roles and ambitions for DTLB.

- **Business Seminars**

This series of seminars will focus on business retention and creation, examining business trends via presentations and discussions led by knowledgeable panelists.

- **Broker Mixers**
Continuing successful events from previous years, ED will organize and host a series of mixer events, such as the annual Grand Prix Mixer, for the commercial real estate community.
- **Conference Attendance, Memberships and Professional Development**
In addition to maintaining prior participation in events such as ICSC and IDA/CDA, staff will focus on economic development-oriented events and sponsorships. It may also participate in a range of professional development and conference activities to engage with DTLB and industry-specific audiences in order to maintain best practices.

Projects and Publications

- **Recruitment Collaterals**
Recruitment collaterals such as tenancy maps, leasing brochures, and District and industry profiles will be produced on an ongoing basis to ensure an up-to-date suite of materials and information.
- **New Business Kit**
A new business kit will prepare new and prospective businesses with user-friendly information related to business licensing, permitting and resources.
- **Economic Profile**
Staff will continue the production of its annual *Downtown Economic Profile*, highlighting various data, trends, and forecasts related to economic investment, growth, and potential in DTLB. Ultimately, it acts as a data-driven resource to help attract investment toward the city's central business district.
- **ED Website**
Staff will focus efforts on enhancing the www.downtownlbbusiness.com website, with updated photographs and GIS-search capability for its retail site search function, as well as incorporate updated district/neighborhood profile information.
- **Small Business Saturday/Small Business Week**
DLBA ED staff in concert with the Marketing team will expand on the success of Small Business Saturday, dedicated to supporting small, local businesses the Saturday after Thanksgiving. Additionally, as part of National Small Business Week, the DLBA will take the opportunity to highlight the impact of outstanding entrepreneurs, small businesses, and others from our Downtown.

OPERATIONS

\$1,702,688

Under the advisement of the Public Safety Committee, the Clean and Safe programs are dedicated to the security and maintenance of the 85-block PBID in DTLB.

DOWNTOWN CLEAN TEAM PROGRAM/PERSONNEL

The Clean Team ensures the central business district remains attractive, clean and appealing for visitors, employees and residents. In order to consistently address maintenance issues, a multi-dimensional approach was developed consisting of sidewalk maintenance, graffiti removal, pressure washing, trash collection, landscape maintenance, paper sign and handbill removal, and maintenance problems requiring third party intervention. The Clean Team provides service as mandated by the PBID Management Plan as well as contracted services outside of the PBID scope which are funded through compensatory revenue and not PBID revenue. An example of contract service is the agreement between the DLBA and the Long Beach Transit Information Center to provide restroom host service.

- **Sidewalk & Landscape Maintenance**

Uniformed personnel sweep litter, debris and refuse from sidewalks and gutters within the District while pressure washers service 16 to 20 blocks per day, five days a week. The District standard is to have all sidewalks washed every six weeks, with Premium areas washed weekly. Tree wells and planters are maintained and kept free of litter and weeds.

- **Graffiti Removal**

The Clean Team removes graffiti and stickers by using solvents and pressure washing. The District maintains a zero tolerance graffiti policy. All tags will be removed within 24 hours of notification. For those tags that the Clean Team is unable to remove, the Go Long Beach app is used to report and track the removal of the tag.

- **Maintenance Problems Requiring Third-Party Intervention**

Problems that are outside the jurisdiction of DLBA personnel to address or repair are monitored in order to minimize blight or unsafe conditions in the District. Requests are made to the responsible party for repair. Types of problems include blocked or damaged sewers or drains, damaged sidewalks, streets, and/or alleys, non-operating street lights, damaged or missing street signs, etc.

DOWNTOWN SAFETY GUIDES PROGRAM/PERSONNEL

The Downtown Safety Guides support the Long Beach Police Department (LBPD), property owners and tenants in overall crime prevention efforts and reduction in neighborhood street disorder, while offering customer service to pedestrians. They provide highly visible neighborhood security and are intended to supplement, not replace individual building security and the LBPD. They also assist with quality of life issues, participate in outreach programs, and are radio-equipped to efficiently communicate.

- **Bicycle Patrol**

Bike Patrols discourage aggressive panhandling and other unsuitable street behavior. Their presence is a deterrent to theft and burglary from motor vehicles. They also deter and report illegal street vending, illegal dumping and street code violations while performing goodwill gestures such as escorting employees, helping lost persons and giving directions. In addition, Bike Patrols assist with traffic control in case of accidents or unusual occurrences.

- **Foot Patrol**

The Foot Patrol concentrates on the highest pedestrian-use corridors such as Pine Avenue, the Promenade, City Place and The Pike at Rainbow Harbor. The Foot Patrol has the same mission and receives the same training as the Bike Patrol.

- **Segway Patrol**

All Downtown Safety Guides are trained to use a Segway during their daily patrols. The Segways give Safety Guides an elevated perspective that allows greater visibility and better views of activity on the streets. The ease of mobility between the Downtown districts is greatly improved, allowing for quicker response time and more efficient travel between stops.

- **Homeless Outreach Specialist**

A Homeless Outreach Specialist has been added to the Downtown Safety Guide Team to provide street outreach to individuals experiencing homelessness seven days a week and link them to local social service agencies.

COMMUNITY OUTREACH

The DLBA Community Outreach Manager oversees residential outreach services including clean and safe programs and participates in neighborhood association activities, serving as a liaison between residents, the City of Long Beach, the business community and the DLBA.

1. BACKGROUND

The Downtown Property-Based Business Improvement District (the "PBID") was originally formed in 1998 pursuant to the Property and Business Improvement District Law of 1994 (the "PBID Law"). It was renewed for 10 years in 2003, and then renewed again in 2012 for an additional 10 years. Assessments for the PBID can be levied through and including Fiscal Year 2021/22.

The original formation and each subsequent renewal was approved by the City of Long Beach (the "City") City Council following an assessment ballot protest proceeding including the tabulation of property owner protest ballots and a public hearing.

The City Council appointed the Downtown Long Beach Associates (the "DLBA") to make recommendations to the City Council on the expenditure of revenues derived from the levy of assessments, the classification of properties, and the method and basis of levying the assessments. The PBID budgets and policies are recommended to the City Council by the DLBA Board, composed of property and business owners located within the PBID.

This Annual Report is prepared pursuant to Section 36650(a) of the PBID Law and includes any proposed changes to the PBID boundaries, benefit zone boundaries, the basis and method of levying the assessments, and any changes to the classification of property.

2. *PROPOSED CHANGES*

There are no proposed changes to the boundaries, the benefit zones, or the assessment methodology of the PBID.

3. IMPROVEMENTS AND ACTIVITIES

The improvements and activities described in this Section are those developed by the DLBA and the formation engineer as outlined in the June 2012 Engineer's Report.

3.1. Environment Activities

PBID "Environment" activities and improvements are intended to improve commerce and the quality of life by making each individual assessed parcel safer, cleaner and more attractive which will encourage investment dollars downtown and generate additional pedestrian traffic. Environment activities specially benefit each individual assessed parcel, including commercial, government, parking structures, non profits and residential. The special benefit to each individual assessed parcel from these activities is that a safer and cleaner environment will increase commercial activity, which directly relates to increase in lease rates and customer usage, and a safer and cleaner environment for its residents.

Clean and Safe Program

Downtown's clean and safe program was developed following the creation of the PBID in 1998. Objectives in managing the program include:

- Deploy a Clean and Safe program that will make a visible, tangible and lasting impact.
- Document existing City services and ensure that PBID-funded services are supplemental to, and do not replace, existing City services.
- Ensure that the program is properly capitalized and that additional funding will not be required once the PBID is created.
- Provide flexibility in the modeling of the program so that the PBID can either create its own in-house program or contract with private firms.

To meet these objectives, uniformed Clean Teams have been deployed throughout downtown to remove litter and graffiti, steam clean sidewalks and maintain furniture in public places. Safety Guides provide an emphasis on public safety and have been effective at deterring nuisance crimes, providing hospitality services to downtown tenants, visitors and residents and connecting the district's homeless population to available resources. Recent yearly achievements of PBID funded Clean Team and Safety Guide crews include:

- Pressure washing of more than 36 million square feet of sidewalks
- Removal of 7,500 graffiti tags and stickers
- Nearly 470,000 pounds of trash were collected
- Nearly 5,000 pounds of weeds were removed
- Safety Guides made more than 97,000 business contacts
- Safety Guides provided 2,125 citizen assists, gave directions to 8,300 individuals and information to 13,000 persons
- Safety Guides had service contacts with 2,500 homeless individuals

The PBID continuation work program anticipates ongoing deployment at the following frequencies:

Clean Team	
Hours of Deployment per Week	640
Weekly F.T.E.	16
Average Weekly Coverage	7 days/week
Litter Removal/Pan & Broom	Daily with peak night service in the Premium Area
Machine Sweeping	Daily All Downtown - Higher Frequency in Premium Area
Steam Cleaning: Standard	Once Every 4 to 6 Weeks
Steam Cleaning: Premium	Weekly
Graffiti Removal	Daily as Needed
Light Landscape/Weeds	As Needed
Emergency cleaning	As Needed
Maintenance of PBID funded beautification elements	As Needed

Safety Guides	
Hours of Deployment per Week	566
Weekly FTE	14.15
Coverage in All Areas	12 to 16 hours
Coverage in Premium Areas	12 to 16 hours plus late night on weekends
Foot Patrol	Premium Area Only
Bike & Segway Patrols	Daily All Downtown
Visitor Services, Safety Escorts, Motorist Assist, Homeless Outreach	Daily All Downtown

Deployment of Clean and Safe Services: Clean and safe services are deployed in each of two "benefit zones" within the PBID:

Premium Service Zone: The Premium service zone includes areas of highest pedestrian activity where demands for clean and safe services are greatest. This area includes the most significant activity generators within the boundaries of the district, including City Place retail center and the Pine Avenue, Promenade and Long Beach Boulevard corridors, the 1st Street corridor in the East Village, and the transit facilities along 1st Street. These activities create the conditions requiring a greater amount of clean and safe services, such as dirty sidewalks, the presence of graffiti and the need to provide safety guide assistance. The Management Plan anticipates that service deployment frequencies within the Premium service zone will be three times more than the remainder of the PBID – from the number and type of safety guides to the frequency of sidewalk cleaning. Under the current PBID deployment plan, Safety Guides patrol each block of the Premium Zone between 25 and 40 times per day.

Standard Service Zone: The remaining areas of the PBID encompassed by the Standard service zone have less pedestrian activity and demands for clean and safe services are generally lower. The standard areas have lower intensity activity generators, including less ground floor retail and a higher concentration of office and residential uses. Accordingly, the lower level of pedestrian activity results in reduced need for clean and safe services. Service frequencies within the Standard service zone are less than the frequency of services in the Premium service zone. Under the current PBID deployment plan, Safety Guides patrol each block of the Standard Zone between 8 and 12 times per day, about one third of the frequencies delivered in the Premium service zone.

Options for Enhanced Security: The PBID renewal process has evidenced continued property owner concern with both the reality and perception of public safety on downtown streets. There are a variety of elements contributing to this concern, including ongoing challenges with transient and homeless populations, nuisance crimes ranging from aggressive panhandling to vandalism, and other quality of life issues.

In order to more effectively deploy PBID resources to improve enhanced security, funds for information and safety ambassadors may be redistributed to related activities that have been effective in other California PBIDs, including:

- An "outreach specialist program" in which ambassadors would be tasked with a case management approach to match chronic homeless individuals with available social services (Sacramento, Santa Monica).
- Other quality of life and safety initiatives in partnership with local agencies that may be developed and recommended by the DLBA Public Safety Committee.

Resident Coordinator/Community Outreach Manager: Also within the budget for the Clean and Safe program is a Resident Coordinator / Community Outreach Manager to help downtown's residential population utilize Clean and Safe services. The Resident Coordinator / Community Outreach Manager will provide information, regularly meet with HOAs and resident associations, represent resident perspectives, and trouble-shoot resident issues related to the PBID's Environmental services that include cleaning, safety and beautification.

Beautification Program: In addition to the general cleaning and safety programs for the purposes of improving commerce to each individual assessed parcel, the PBID may also provide highly visible improvements that will add to the attractiveness of public spaces; such as cosmetic improvements to the landscape and streetscape on the public rights-of-way throughout the District. While downtown Long Beach has been well maintained, the beautification needs continued refreshing and updating. These improvements may include but not necessarily be limited to:

- Seasonal banners and decorations
- Public art
- Street furniture and amenities
- Feasibility analyses and plans for design, streetscape and other physical improvements
- Other activities and improvements that visibly enhance the Downtown environment

Annual recommendations regarding the allocation of beautification funds are determined by the Public Realm Committee that provides recommendations to the DLBA board of directors.

3.2. Economy Activities

Activities aimed at working with property owners to improve Downtown's overall image, increased sales and building occupancies are part of the PBID Management Plan. These services are intended to provide special benefits to each individually assessed parcel.

Marketing, Special Events, & Communications: Marketing and special event activities will aim to improve the overall image of Downtown with the goal of attracting consumers and visitors, and attracting and retaining businesses, jobs and investment. Initiatives must be designed to provide collective benefits to each individual assessed parcel. While annual work programs and budgets will be developed by the Marketing and Communications Committee and approved by the Downtown Long Beach Associates board of directors, programs will be selected from a variety of options that may include the following:

- Advertising, including branding and cooperative campaigns and increased placement and frequency in print media.
- Increased distribution and enhanced quality of publications, including downtown maps, directories and activity guides.
- Improved and increased special event and festival production.
- Public relations efforts to promote a positive image and overall experience.

Economic Development: These programs will provide a primary one-stop point of contact for business prospects looking to locate and/or grow in downtown. Comprehensive market information on downtown will be researched, packaged and maintained. Specialized research will identify specific target business groups and niches that are most likely to locate within downtown and benefit from local assets.

DLBA staff will serve as a liaison to assist business and property owners in permitting and development review processes. Program staff will work collaboratively with real estate professionals, City staff, and regional economic development groups to coordinate and leverage business attraction efforts.

Responding to the top priority evidenced by downtown stakeholders in the PBID renewal process, the economic development initiative will initially focus on activating storefronts throughout the downtown, including the recruitment of retail stores, temporary or "pop-up" installations, public art and other

methods. Initiatives detailed in the 2013 Strategic Plan Update will also be continued, including but not limited to:

- "Shop Local" campaigns that aims to inform and match residents and employees to downtown retail;
- Traditional and emerging business recruitment programs and activities; and,
- Efforts to welcome new businesses to downtown.

Activity	Standard Zone	Premium Zone

3.3. Advocacy, Administration & Reserves

Advocacy and administrative costs have been included within the PBID budget. Examples of advocacy and administrative costs include:

- Accounting and annual financial reports,
- Program support costs including supplies, equipment and rent,
- A delinquency reserve estimated at 3% of assessments,
- A general benefit reserve estimated at 0.89% of the budget, to be paid with non-assessment revenue. The general benefit reserve is established to address that the PBID may provide de minimus general benefit (i.e. general benefit to the public and/or surrounding community), requiring 0.89% of the budget to be financed by non-assessment revenue, and
- Other administration costs associated with the overhead and administrative support of programs.

To reduce administrative costs, increase leveraging of funds, and to avoid duplication of enhanced services, the PBID will continue to be managed by the Downtown Long Beach Associates to deliver day-to-day services. DLBA can leverage PBID assessments with additional revenues, including business license BID fees, sponsorship revenue, contracts, grants and earned income.

4. BUDGET

The formation engineer estimated the general benefit of the PBID improvements and activities to be 1%. Thus 1% of the budget must be funded from sources other than assessments.

4.1. District Budget

The District budget for Fiscal Year 2015/16 has been submitted to the City Council and is, by reference, made part of this report. In accordance with the District's PBID Management Plan, budgeted costs in the amount of \$2,405,691 (net of 3% delinquency and 3 months revenue to conclude calendar year) will be recovered. Also in accordance with the Management Plan, reserve funds (the aforementioned 3% of the anticipated revenue) will supplement any difference between the anticipated revenue and the actual revenue collected throughout the course of the fiscal year.

The budget approved by the DLBA Board estimated gross assessment revenue of \$2,405,691 for 2015/16. However, due to parcel changes and adjustments to parcel characteristics, the actual 2015/16 assessment levy is \$2,411,691.84. The difference is \$6,000.84.

See Section 7 for a detailed listing of current year assessments.

4.2. Surplus or Deficit Carryover

The District will undergo an independent audit upon the conclusion of Fiscal Year 2014/15 on September 30, 2015. The audit should be completed by December 2015. Surplus or deficit carryover information will be available upon completion of the audit.

4.3. Contributions from Other Sources

The formation engineer estimated the general benefit of the PBID improvements and activities to be 1%. Thus 1% of the budget must be funded from sources other than PBID assessments. Outside sources will include revenue from DPIA, Event Ticket Sales and Contract Services.

5. BOUNDARIES

The PBID boundary developed by the formation engineer as outlined in the June 2012 Engineer's Report encompasses approximately 70 blocks of the core of Downtown Long Beach which is bounded roughly by:

- Shoreline Drive to the south, including the Pine Avenue Circle
- Golden Shore to the west and
- Alamitos Avenue to the east.
- To the north, 3rd Street in the western part of the PBID, 8th Street in the central part and 4th Street in the eastern part.

In general the boundary includes approximately 60 "whole blocks", the remainder includes portions of blocks. The properties within whole blocks have all their street frontages included in the activities, i.e., all four street frontages. The properties within a portion of a block have only the street frontage of the property included in the PBID boundary that receives the PBID activities.

5.1. Benefit Zones

Two benefit zones were created to reflect two different levels of service. The deployment and frequency of clean and safe services in the Premium Zone will be greater than the deployment and frequency of clean and safe services in the Standard Zone. The benefit zones are delineated as follows:

Premium Service Zone includes most blocks in the central portion of the PBID bounded by Long Beach Boulevard to the east, 6th Street to the north, Pine and Pacific Avenues to the west and Ocean Boulevard to the south.

Standard Service Zone includes much of the western portion of the PBID bounded roughly by Pacific Avenue, 3rd Street, Golden Shore, Shoreline Drive and Ocean Boulevard. To the east, the standard zone is roughly bounded by Elm Avenue, 4th Street, Alamitos Avenue and Ocean Boulevard.

Maps of the district boundary and the benefit zones are provided on the following pages.

6. ASSESSMENT METHODOLOGY

Assessments for the PBID are calculated using the methodology developed by the formation engineer as outlined in the June 2012 Engineer's Report. Assessments are computed using five property characteristics: land use type, benefit zone, linear frontage, lot square footage, and building square footage. Each assessable parcel is categorized into one of the following land use types: Commercial, Government, Residential, Non-Profit, and Parking.

Per the formation engineer's report:

"Each residential condominium will be assessed based upon its unit gross building square footage and a pro rata share of building lot square footage and frontage based upon the size of the condominium in relation to the gross square footage of the building."

"For properties with frontage on both premium and standard zones, linear frontage will be allocated to each zone, and lot plus building square footage rates will apply to the zone fronting the address side of the building."

After each parcel is categorized into its proper land use type, linear frontage, lot square footage and building square footage are determined and those values are multiplied by the assessment rates shown below to determine the total assessment.

6.1. Current Year Actual Assessment Rates

For 2015/16, the PBID Board approved an assessment rate increase of 3%. Thus the actual assessment rates for 2015/16 are 3% greater than the actual assessment rates used in 2014/15.

Category	Actual Rates 2015/16	
	Standard Zone	Premium Zone
Frontage	10.3349722087	16.6939767628
Lot + Building (Com/Gov)	0.0451077446	0.0495519400

Lot + Building (Non-Profit/Residential)	0.0138808149	0.0183250103

6.2. Current Year Maximum Assessment Rates

The maximum assessment rates increase each year by 5% over the prior year's maximum assessment rates. The actual assessment rates in any year may be less than or equal the maximum assessment rates. The actual assessment rates cannot exceed that year's maximum assessment rates.

Category	Maximum Rates 2015/16	
	Standard Zone	Premium Zone
Frontage	11.2195069419	18.1227568296

Mixed Use (Commercial & Residential)	38,209.26	78,498.00	116,707.26
Totals (1)	\$960,074.36	\$1,451,617.48	\$2,411,691.84

(1) Slight variance due to rounding

The Table below provides a breakdown of the Fiscal Year 2015/16 levy amounts placed on the County of Los Angeles Property Tax Roll, the State Board of Equalization Roll (for public utilities) and those billed directly to parcel owners:

Method of Levy	Levy Amount
County of Los Angeles Property Tax Roll	\$1,745,260.42
Direct Bill (1)	649,148.28
State Board of Equalization Roll (SBE) (2)	17,283.14
Total	\$2,411,691.84

(1) These parcels are owned by the City of Long Beach, LACMTA, the State of California, USPS, the US Government, and the Judicial Council of California

(2) These parcels are owned by Southern California Edison
