Hi,

Will you please add to City Council meeting 8/9? 4-way stop needed at Pasadena & 19th. Photos are included.

I plan to be there in person to speak to this but just in case.

Thanks,
Tatiana Williams

Hi Chork,

Hope you're well. Do you know if there's an update for the 4-way stop at 19th and Pasadena?

Thanks,

Thank you Chork! I also noticed people stop anyway even though there's no stop sign there right now so I think it will be something everyone will get used to quickly and it will make it safer to cross.

Hi,

How can we make this happen?

We need a four-way stop at 19th and Pasadena. People routinely park close to the corner in the red and it makes a blind spot for anyone trying to cross Pasadena. Pictures show Hill in Pasadena with a four-way stop and 19th and Pasadena as it is today.
