HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Authorize the City Manager to execute an agreement and any subsequent amendments between the City of Long Beach and the Glendora Police Department for participation of at least two police officers, on an overtime basis, in a countywide driving under the influence task force. The agreement will conclude on December 31, 2008 unless terminated by either party after giving at least 30 days' written notice.

DISCUSSION

The California Office of Traffic Safety is, once again, providing funding for participation in a countywide driving under the influence (DUI) task force. The Glendora Police Department receives the funding and distributes it to participating agencies pursuant to the agreement.

The Long Beach Police Department (LBPB) has participated in the task force for the last five years. The task force will consist of officers from various Los Angeles County law enforcement agencies, including LBPB. In accordance with the requirements of the agreement, the LBPB will provide at least two police officers on an overtime basis. The police officers will participate in approximately six countywide DUI Task Force enforcement operations and three jointly held regional DUI sobriety checkpoints during the grant period. The agreement will conclude on December 31, 2008, unless terminated sooner by either party after giving at least 30 days' written notice.

This letter was reviewed by Deputy City Attorney Richard F. Anthony and Budget Management Officer David Wodynski on November 22, 2005.
