3 THIS CONTRACT is made and entered, in duplicate, as of December 9, 2019
4 for reference purposes only, pursuant to a minute order adopted by the City Council of the

7 address is 135 S. State College Blvd., Suite 400, Brea, California 92821, and the CITY OF
8 LONG BEACH, a municipal corporation ("City").

9 WHEREAS, pursuant to a Notice Inviting Bids for as-needed local street
10 improvements in the City of Long Beach, California, dated June 5, 2019, and published by
11 City, bids were received, publicly opened and declared on the date specified in said Notice;
12 and

13 WHEREAS, the City Manager accepted the bid of Contractor; and

14 WHEREAS, the City Council authorized the City Manager to enter a contract
15 with Contractor for the work described in Project Plans and Specifications No. R-7153;

16 NOW, THEREFORE, in consideration of the mutual terms and conditions
17 herein, the parties agree as follows:

18 1. SCOPE OF WORK. Contractor shall furnish all necessary labor,
19 supervision, tools, materials, supplies, appliances, equipment and transportation for the
20 work described in Project Plans and Specifications No. R-7153 for as-needed local street
21 improvements in the City of Long Beach, California, said work to be performed according
22 to the Contract Documents identified below. However, this Contract is intended to provide
23 to City complete and finished work and, to that end, Contractor shall do everything
24 necessary to complete the work, whether or not specifically described in the Contract
25 Documents.

26 2. PRICE AND PAYMENT.

27 A. City shall pay to Contractor the amount(s) for materials and
28 work identified in Contractor's Bid for as-needed local street improvements in the

1 City of Long Beach, California, attached hereto as Exhibit "A"; provided, however,
2 that the total compensation to Contractor shall not exceed an annual amount of
3 Three Million Dollars (\$3,000,000) during the term of this Contract.

4 B. Contractor shall submit requests for progress payments and
5 City will make payments in due course of payments in accordance with Section 9 of
6 the Standard Specifications for Public Works Construction (latest edition) (the
7 "Greenbook").

8 3. CONTRACT DOCUMENTS.

9 A. The Contract Documents include: The Notice Inviting Bids,
10 Project Specifications No. R-7153 (which may include by reference the Standard
11 Specifications for Public Works Construction, latest edition, and any supplements
12 thereto, collectively the "Standard Specifications"); the City of Long Beach Standard
13 Plans; the California Code of Regulations; the various Uniform Codes applicable to
14 trades; the prevailing wage rates; Instructions to Bidders; the Bid; the bid security;
15 the City of Long Beach Disadvantaged, Minority and Women-Owned Business

20 and issued for the work; approved final design drawings and documents; and the
21 Information Sheet ("Contract Documents"). These Contract Documents are
22 incorporated herein by the above reference and form a part of this Contract.

23 B. Notwithstanding Section 2-5.2 of the Standard Specifications,
24 if any conflict or inconsistency exists or develops among or between Contract

26 agencies; 2) Change Orders; 3) this Contract (including any and all amendments
27 hereto); 4) Addenda (which shall include written clarifications, corrections and
28 changes to the bid documents and other types of written notices issued prior to bid

4 plans; 11) the Bid; and 12) the Notice Inviting Bids.

5 4. TIME FOR CONTRACT. The term of this Contract shall commence
6 at midnight on January 1, 2020, and shall terminate at 11:59 p.m. on December 31, 2021,
7 unless sooner terminated as provided in this Contract, or unless the services or the Project
8 is completed sooner. The Parties have the option to extend the term for three (3) additional
9 one-year periods, at the discretion of the City Manager. Time is of the essence hereunder.
10 City will suffer damage if the work is not completed within the time stated, but those
11 damages would be difficult or impractical to determine. So, Contractor shall pay to City,
12 as liquidated damages, the amount stated in the Contract Documents.

13 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
14 acceptance of any work or the payment of any money by City shall not operate as a waiver
15 of any provision of any Contract Document, of any power reserved to City, or of any right
16 to damages or indemnity hereunder. The waiver of any breach or any default hereunder
17 shall not be deemed a waiver of any other or subsequent breach or default.

18 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
19 herewith, Contractor shall submit certification of Workers' Compensation coverage in
20 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
21 attached hereto as Exhibit "B".

22 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
23 upon City by Contractor for and on account of any extra or additional work performed or
24 materials furnished, unless such extra or additional work or materials shall have been
25 expressly required by the City Manager and the quantities and price thereof shall have
26 been first agreed upon, in writing, by the parties hereto.

27 8. CLAIMS. Contractor shall, upon completion of the work, deliver
28 possession thereof to City ready for use and free and discharged from all claims for labor

1 and materials in doing the work and shall assume and be responsible for, and shall protect,
2 defend, indemnify and hold harmless City from and against any and all claims, demands,
3 causes of action, liability, loss, costs or expenses for injuries to or death of persons, or
4 damages to property, including property of City, which arises from or is connected with the
5 performance of the work.

6 9. INSURANCE. Prior to commencement of work, and as a condition
7 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence of
8 all insurance required in the Contract Documents.

9 In addition, Contractor shall complete and deliver to City the form
10 (“Information Sheet”) attached as Exhibit “C” and incorporated by reference, to comply with
11 Labor Code Section 2810.

12 10. WORK DAY. Contractor shall comply with Sections 1810 through
13 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
14 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by
15 Contractor or any subcontractor for each calendar day such worker is required or permitted
16 to work more than eight (8) hours unless that worker receives compensation in accordance
17 with Section 1815.

18 11. PREVAILING WAGE RATES. Contractor is directed to the prevailing
19 wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred Dollars (\$200)
20 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,
21 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any
22 work done by Contractor, or any subcontractor, under this Contract.

23 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

24 A. If the work is terminated pursuant to an order of any Federal or
25 State authority, Contractor shall accept as full and complete compensation under
26 this Contract such amount of money as will equal the product of multiplying the
27 Contract price stated herein by the percentage of work completed by Contractor as
28 of the date of such termination, and for which Contractor has not been paid. If the

1 work is so terminated, the City Engineer, after consultation with Contractor, shall
2 determine the percentage of work completed and the determination of the City
3 Engineer shall be final.

4 B. If Contractor is prevented, in any manner, from strict
5 compliance with the Plans and Specifications due to any Federal or State law, rule
6 or regulation, in addition to all other rights and remedies reserved to the parties City
7 may by resolution of the City Council suspend performance hereunder until the
8 cause of disability is removed, extend the time for performance, make changes in
9 the character of the work or materials, or terminate this Contract without liability to
10 either party.

11 13. NOTICES.

12 A. Any notice required hereunder shall be in writing and personally
13 delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to
14 Contractor at the address first stated herein, and to the City at 411 West Ocean
15 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of
16 address shall be given in the same manner as stated herein for other notices. Notice
17 shall be deemed given on the date deposited in the mail or on the date personal
18 delivery is made, whichever first occurs.

19 B. Except for stop notices and claims made under the Labor Code,
20 City will notify Contractor when City receives any third party claims relating to this
21 Contract in accordance with Section 9201 of the Public Contract Code.

22 14. BONDS. Contractor shall, simultaneously with the execution of this
23 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
24 form attached hereto and in the amount specified therein, conditioned upon the faithful
25 performance of this Contract by Contractor, and a good and sufficient corporate surety
26 bond, in the form attached hereto and in the amount specified therein, conditioned upon
27 the payment of all labor and material claims incurred in connection with this Contract.

28 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any

1 of the moneys that may become due Contractor hereunder may be assigned by Contractor
2 without the written consent of City first had and obtained, nor will City recognize any
3 subcontractor as such, and all persons engaged in the work of construction will be
4 considered as independent contractors or agents of Contractor and will be held directly
5 responsible to Contractor.

6 16. CERTIFIED PAYROLL RECORDS.

7 A. Contractor shall keep and shall cause each subcontractor
8 performing any portion of the work under this Contract to keep an accurate payroll
9 record, showing the name, address, social security number, work classification,
10 straight time and overtime hours worked each day and week, and the actual per
11 diem wages paid to each journeyman, apprentice, worker, or other employee
12 employed by Contractor or subcontractor in connection with the work, all in
13 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
14 payroll records for Contractor and all subcontractors shall be certified and shall be
15 available for inspection at all reasonable hours at the principal office of Contractor
16 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
17 to furnish such records to City in the manner provided herein for notices shall entitle
18 City to withhold the penalty prescribed by law from progress payments due to
19 Contractor.

20 B. Upon completion of the work, Contractor shall submit to the City
21 certified payroll records for Contractor and all subcontractors performing any portion
22 of the work under this Contract. Certified payroll records for Contractor and all
23 subcontractors shall be maintained during the course of the work and shall be kept
24 by Contractor for up to three (3) years after completion of the work.

25 C. The foregoing is in addition to, and not in lieu of, any other
26 requirements or obligations established and imposed by any department of the City
27 with regard to submission and retention of certified payroll records for Contractor
28 and subcontractors.

1 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to
2 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
3 and custody of the work. If any loss or damage occurs to the work that is not covered by
4 collectible commercial insurance, excluding loss or damage caused by earthquake or flood
5 or the negligence or willful misconduct of City, then Contractor shall immediately make the
6 City whole for any such loss or pay for any damage. If Contractor fails or refuses to make
7 the City whole or pay, then City may do so and the cost and expense of doing so shall be
8 deducted from the amount due Contractor from City hereunder.

9 18. CONTINUATION. Termination or expiration of this Contract shall not
10 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
11 prior to termination or expiration of this Contract.

12 19. TAXES AND TAX REPORTING.

13 A. As required by federal and state law, City is obligated to and
14 will report the payment of compensation to Contractor on Form 1099-Misc.
15 Contractor shall be solely responsible for payment of all federal and state taxes
16 resulting from payments under this Contract. Contractor shall submit Contractor's
17 Employer Identification Number (EIN), or Contractor's Social Security Number if
18 Contractor does not have an EIN, in writing to City's Accounts Payable, Department
19 of Financial Management. Contractor acknowledges and agrees that City has no
20 obligation to pay Contractor until Contractor provides one of these numbers.

21 B. Contractor shall cooperate with City in all matters relating to
22 taxation and the collection of taxes, particularly with respect to the self-accrual of
23 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of

27 hereto; and (ii) for construction contracts and subcontracts totaling \$5,000,000 or
28 more, Contractor shall obtain a sub-permit from the California Department of Tax

1 and Fee Administration (“CFTA”) for the Work site. “Qualified” means that the
2 Contractor purchased at least \$500,000 in tangible personal property that was
3 subject to sales or use tax in the previous calendar year.

4 C. Contractor shall create and operate a buying company, as
5 defined in CFTA Regulation 1699, subpart (i), in City if Contractor will purchase over
6 \$5,000,000 in tangible personal property subject to California sales and use tax.

7 D. In completing the form and obtaining the permit(s), Contractor
8 shall use the address of the Work site as its business address and may use any
9 address for its mailing address. Copies of the form and permit(s) shall also be
10 delivered to the City Engineer. The form must be submitted and the permit(s)
11 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
12 order any materials or equipment over \$100,000 from vendors outside California
13 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
14 shall be a material breach of this Contract. In addition, Contractor shall make all
15 purchases from the Long Beach sales office of its vendors if those vendors have a
16 Long Beach office and all purchases made by Contractor under this Contract which
17 are subject to use tax of \$500,000 or more shall be allocated to the City of Long
18 Beach. Contractor shall require the same cooperation with City, with regards to
19 subsections B, C and D under this section (including forms and permits), from its
20 subcontractors and any other subcontractors who work directly or indirectly under
21 the overall authority of this Contract.

22 E. Contractor shall not be entitled to and by signing this Contract

24 submit these forms to the appropriate governmental entity. Contractor may request
25 a waiver to subsections B, C, and/or D. Waiver requests must be submitted in writing
26 and will be subject to City review and approval. Contractor may contact the Financial
27 Management Department, Budget Management Bureau at (562) 570-6425 for
28 assistance with the form.

2 or employees in any advertising or solicitation for business, nor as a reference, without the
3 prior approval of the City Manager, City Engineer or designee.

4 21. AUDIT. City shall have the right at all reasonable times during
5 performance of the work under this Contract for a period of five (5) years after final
6 completion of the work to examine, audit, inspect, review, extract information from and
7 copy all books, records, accounts and other documents of Contractor relating to this
8 Contract.

10 work to be performed hereunder does not constitute a peculiar risk of bodily harm and that
11 no special precautions are required to perform said work.

12 23. THIRD PARTY BENEFICIARY. This Contract is intended by the
13 parties to benefit themselves only and is not in any way intended or designed to or entered
14 for the purpose of creating any benefit or right of any kind for any person or entity that is
15 not a party to this Contract.

16 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
17 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
18 create any obligation on the part of City to pay any subcontractor except in accordance
19 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
20 with this Section shall be deemed a material breach of this Contract. A list of
21 subcontractor(s) submitted by Contractor in compliance with Public Contract Code
22 Sections 4100 et seq. is attached hereto as Exhibit "D" and incorporated herein by this
23 reference.

24 25. NO DUTY TO INSPECT. No language in this Contract shall create
25 and City shall not have any duty to inspect, correct, warn of or investigate any condition
26 arising from Contractor's work hereunder, or to insure compliance with laws, rules or
27 regulations relating to said work. If City does inspect or investigate, the results thereof
28 shall not be deemed compliance with or a waiver of any requirements of the Contract

1 Documents.

2 26. GOVERNING LAW. This Contract shall be governed by and
3 construed pursuant to the laws of the State of California (except those provisions of
4 California law pertaining to conflicts of laws).

5 27. INTEGRATION. This Contract, including the Contract Documents
6 identified in Section 3 hereof, constitutes the entire understanding between the parties and
7 supersedes all other agreements, oral or written, with respect to the subject matter herein.

8 28. NONDISCRIMINATION. In connection with performance of this
9 Contract and subject to federal laws, rules and regulations, Contractor shall not
10 discriminate in employment or in the performance of this Contract on the basis of race,
11 religion, national origin, color, age, sex, sexual orientation, gender identity, AIDS, HIV
12 status, handicap or disability. It is the policy of the City to encourage the participation of
13 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City
14 encourages Contractor to use its best efforts to carry out this policy in the award of all
15 subcontracts.

16 29. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in
17 accordance with the provisions of the Ordinance, this Contract is subject to the applicable
18 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long Beach
19 Municipal Code, as amended from time to time.

20 A. During the performance of this Contract, the Contractor certifies
21 and represents that the Contractor will comply with the EBO. The Contractor agrees
22 to post the following statement in conspicuous places at its place of business
23 available to employees and applicants for employment:

24 "During the performance of a Contract with the City of Long Beach, the
25 Contractor will provide equal benefits to employees with spouses and its
26 employees with domestic partners. Additional information about the City of
27 Long Beach's Equal Benefits Ordinance may be obtained from the City of
28 Long Beach Business Services Division at 562-570-6200."

1 B. The failure of the Contractor to comply with the EBO will be
2 deemed to be a material breach of the Contract by the City.

3 C. If the Contractor fails to comply with the EBO, the City may
4 cancel, terminate or suspend the Contract, in whole or in part, and monies due or to
5 become due under the Contract may be retained by the City. The City may also
6 pursue any and all other remedies at law or in equity for any breach.

7 D. Failure to comply with the EBO may be used as evidence
8 against the Contractor in actions taken pursuant to the provisions of Long Beach
9 Municipal Code 2.93 et seq., Contractor Responsibility.

10 E. If the City determines that the Contractor has set up or used its
11 contracting entity for the purpose of evading the intent of the EBO, the City may
12 terminate the Contract on behalf of the City. Violation of this provision may be used
13 as evidence against the Contractor in actions taken pursuant to the provisions of
14 Long Beach Municipal Code section 2.93 et seq., Contractor Responsibility.

15 30. DEFAULT. Default shall include but not be limited to Contractor's
16 failure to perform in accordance with the Plans and Specifications, failure to comply with

**USE TAX DIRECT PAYMENT PERMIT
(General Information and Filing Instructions)**

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.

**PERFORMANCE BOND
(Bond for Faithful Performance)**

WHEREAS, The CITY OF LONG BEACH, a municipal corporation of the State of California, hereinafter the "City" or "Obligee," have conditionally awarded to SULLY-MILLER CONTRACTING COMPANY, a Delaware corporation designated as the "Contractor" or "Principal" herein, a contract for the work ("Work") described as follows: As-Needed Local Street Improvements, as described in Specification No.: R-7153, Addenda/Addendum and related drawings.

WHEREAS, the Principal is about to enter into a Contract with Obligee for performance of the Work, which Contract, and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, the Principal is required to furnish a bond guaranteeing the prompt, full and faithful performance of its obligations under the Contract Documents concurrently with delivery to Obligee of the executed Contract.

NOW, THEREFORE, we the undersigned Contractor, as Principal, and Liberty Mutual Insurance Company, an admitted surety insurer in the State of California, as Surety, are held and firmly bound unto THE CITY OF LONG BEACH, a municipal corporation of the State of California (hereinafter the "City" or "Obligee") in the penal sum of **One Million Dollars (\$1,000,000)** lawful money of the United States, for the payment of which sum, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal shall promptly, fully and faithfully perform each and all of the obligations and things to be done and performed by the Principal in strict accordance with the terms of the Contract Documents as said Contract Documents may be modified or amended from time to time; and if the Principal shall indemnify and save harmless the Obligee and all of its officers, agents and employees from any and all losses, liability and damages, claims, judgments, stop notices, costs, and fees of every description, whether imposed by law or equity, which may be incurred by the Obligee by reason of the failure or default on the part of the Principal in the performance of any or all of the terms or the obligations of the Contract Documents, as they may be amended and supplemented including, but not limited to, its liability for liquidated damages for delay, all warranties or guarantees required thereunder and indemnity obligations; then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

Whenever the Principal shall be, and is declared by the Obligee to be in default under the Contract, which shall include without limitation, any breach or default of the Contract Documents, then, after written notice from the Obligee to the Surety, as provided for below, the Surety shall either remedy the default or breach by the Principal or shall promptly and faithfully take charge of the Work of and complete the Work in accordance with the requirements of the Contract Documents with a contractor other than the Principal at its own expense and make available as work progresses sufficient funds to pay the cost of completion less the balance of the Contract price including other costs and damages for which the surety may be liable hereunder; provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the Obligee.

Within fifteen (15) days of Obligee's written notice to the Surety of the failure of performance of the Contract by the Principal, it shall be the duty of the Surety to give to the Obligee an unequivocal notice in writing of the Surety's election to remedy the default(s) of the Principal promptly, or to arrange for performance of the Contract promptly by a Contractor other than the Principal, time being of essence to this Bond. In said Notice of Election, the Surety shall state the date of commencement of its cure or remedy of the Principal's default(s) or its performance of the Contract. The Surety's obligations for cure or remedy, include but are not limited to: correction of defective work and completion of the Contract, additional legal, design professional and delay costs arising from Surety's actions or failure to act; and liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance by the Principal. The Surety shall give prompt written notice to the Obligee upon completion of the cure or remedy of the Principal's default(s) of its performance of the Construction Contract.

If the Surety does issue its Notice of Election and does not proceed to cure or remedy the Principal's default(s) of its performance of the Work with reasonable promptness, the Surety shall be deemed to be in default on this bond fifteen (15) days after receipt of a written notice from Obligee to the Surety demanding that the Surety perform its obligations under this Bond, and the Obligee shall be entitled to enforce any remedy available to Obligee.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

FURTHER, Principal and Surety agree that if Obligee is required to engage the services of attorneys in connection with enforcement of the bond, each shall pay Obligee's reasonable attorneys' fees incurred, with or without suit, in addition to the above penal sum.

The guarantees contained herein shall survive the final completion of the Work called for in the Contract Documents with respect to the obligations and liabilities of the Principal which survive such final completion.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 16th day of December, 2019.
