HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Adopt a Resolution approving the 2022-2025 Memorandum of Understanding with the Long Beach Lifeguard Association. (Citywide)

DISCUSSION

In accordance with discussions with the City Council, a Memorandum of Understanding (MOU) agreement has been reached with the Long Beach Lifeguard (LGA) bargaining unit. The LGA represents approximately 208 employees in the Lifeguard Basic and Supervisory groups.

Since June 2022, City of Long Beach (City) management and LGA representatives have held nine negotiation sessions regarding a new MOU. The current MOU expired on September 30, 2022. A tentative agreement has been reached and jointly signed by representatives of the City and LGA.

The tentative agreement contains general wage increases for all LGA classifications, and equity adjustments specifically for the Lifeguard – Non-Career (NC), Marine Safety Officer, and Marine Safety Sergeant – Boat Operator positions. This agreement also includes key benefit enhancements such as the Wellness Incentive Programs, Vacation Accrual adjustment for future LGA Lateral Hires, and Longevity pay for LGA members at or beyond the 20-year mark.

Tentative Agreement Major Provisions

The proposed MOU is for a three-year agreement from October 1, 2022, through September 30, 2025, and it includes the following major provisions:

1. General Wage Increase for all LGA represented classifications:
 - a. 4 percent effective October 8, 2022
 - b. 3.5 percent effective October 7, 2023
 - c. 3 percent effective on October 5, 2024

2. Changes to LGA Classification Titles:
 - a. Effective the first full pay period following Civil Service Commission approval, the classification titles listed below will be changed as described.

- b. Until an amendment of the Long Beach Municipal Code (LBMC) 16.08.341, and any other applicable municipal codes, by the City Council, the Marine Safety Rescue Boat Captain classification will also be known as Marine Safety Sergeant — Boat Operator. After the LBMC amendment, the classification will be known as Marine Safety Rescue Boat Captain.
 - c. Elimination of the Marine Safety Lieutenant and Lieutenant - Beach Safety classifications
3. Equity pay adjustment for Lifeguard Hourly - NC: New top step (Step 6) shall be \$30.119. Lifeguard NC steps 2, 3, 4, and 5 will be recalculated based on the \$30.119 top step to maintain the approximately 5% difference between steps.
 4. Equity pay adjustment for Marine Safety Officer: 2 percent effective on October 1, 2024
 5. Equity pay adjustment for Marine Safety Sergeant – Boat Operator: 1.5 percent effective on October 1, 2024
 6. Longevity pay for 20 years of service – Effective on October 8, 2022, the City will provide an additional 2 percent of the top step Marine Safety Officer base hourly rate for 20 years or more of service as a permanent full-time LGA bargaining unit member with the City. Total longevity pay compensation for 20 years of service is 7 percent which includes the 5 percent top step Marine Safety Officer that employees receive for 15-19 years of eligible service.
 7. Upon implementation, all Lifeguards in professional classifications (Marine Safety Officer, Marine Safety Captain, Marine Safety Sergeant, and Marine Safety Sergeant – Boat Operator), will work a twenty-eight (28) day FLSA work cycle.

8. Wellness Incentive program for LGA members –

- a. Wellness participation pay – Effective January 2024, LGA members who participated in an approved LGA Wellness program during the prior calendar will receive \$1,200.

- b. Adjusted time period for Marine Safety Officers performing duties of Marine Safety Sergeant during the summer season: the beginning of the pay period that includes the Saturday after Long Beach Unified School District (LBUSD) ends their Spring Semester and the end of the pay period that includes the Friday after Labor Day, and as determined by the Marine Safety Chief during other pay periods.

10. Lateral Lifeguard Accruals - LGA classifications hired as Laterals may have their vacation accruals adjusted upon hire by receiving credit for previous sworn public service upon the approval of the City Manager, or designee.

11. Military Leave - Reopener during the term of the agreement to update language on Military Leave.

This matter was reviewed by Assistant City Attorney Gary J. Anderson and Budget Manager Grace H. Yoon on October 3, 2022.

TIMING CONSIDERATIONS

City Council action is requested on October 18, 2022, to ensure timely implementation of the MOU provisions.

FISCAL IMPACT

This agreement has an estimated total structural annual net fiscal impact of \$1 million in the Tidelands Operating Fund Group once fully implemented in Fiscal Year 2025 (FY 25). The table below shows the breakdown of these costs by fiscal year and by fund (no impact to the General Fund Group).

LGA Net Contract Cost by Fiscal Year (in \$ millions)

Fund	FY 23	FY 24	FY 25	Total
All Funds	0.4	0.4	0.2	1.0

For FY 23, these costs will need to be absorbed by the Tidelands Operating Fund with any surplus funds from FY 22 or FY 23. An appropriation increase for FY 23 reflecting these costs will be brought to the City Council in a separate citywide budget adjustment letter, combined with other negotiated adjustments for other bargaining groups. The ongoing structural costs will be built into the projections as part of the Proposed FY 24 budget development.

This agreement is recommended as an important and necessary part of the City's ability to mitigate staffing challenges citywide and to support its current employees, as well as retain and attract new employees. These costs, however, will add to the fiscal challenges the Tidelands Operating Fund is anticipated to face beginning in the next few years as a result of the passing of SB 1137, which will significantly reduce revenues from oil much earlier than previously projected. Adding ongoing, structural costs to the Tidelands Operating Fund that need to be covered with a declining revenue source may require potential significant reduction of services in the future or other solutions including the use of General Fund. Staff will continue to assess the impact and timing of SB 1137 and provide updates to City Council regarding the Tidelands Operating Fund out-year projections.

This recommendation has a moderate staffing impact to implement the payroll changes but is within the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no local job impact associated with this recommendation.

SUGGESTED ACTION:

Approve recommendation.

A. Work Cycle - Hours of Work

1. All Lifeguards in the recurrent classification (Lifeguard-Hourly-NC), as identified in Article Two, Section I, will work a seven (7) day FLSA work cycle for the term of this Agreement.
2. Pursuant to Section 7(k) of the Fair Labor Standards Act, the City has adopted a 28-day FLSA work period for all Lifeguards in professional classifications (Marine Safety Officer, Marine Safety Captain, Marine Safety Sergeant, and Marine Safety Sergeant – Boat Operator), as identified in Article Two, Section I. This twenty-eight (28-day) day FLSA work cycle will correspond with the City's biweekly pay period and regularly recur for the term of this Agreement. The 28-day period begins on a Saturday at 8:00 a.m. and ends 28 days later on a Saturday at 7:59 a.m.

B. FLSA - Non-Work Time

Examples of non-work time pursuant to the FLSA are paid leaves of absences, vacation, sick leave, holiday leave, other paid or unpaid absences.

C. Shift Trades

The trading of work time between unit employees shall be in accordance with the provisions of the FLSA.

Employees have the right to exchange shifts with their colleagues subject to the following conditions:

1. Both employees agree to the shift trade voluntarily.
2. The employee whose shift is worked gets credit for the shift. Thus, the employee whose shift was worked will record the time as worked on their timesheet.
3. Payback of the exchanged shift will be the responsibility of the two employees who exchange shifts and will not be monitored by the City. If an employee leaves the City having not paid back a shift, it shall be the responsibility of the two employees to work out any payback.

D. Early/Late Relief

It is a recognized practice for Association employees assigned to a 24-hour work day shift to voluntarily relieve other Association employees working on the previous 24-hour shift prior to the scheduled starting time or staying over the starting time for the next shift. This practice shall not change the actual number of hours worked nor afford additional benefits to an employee.

Section II – Overtime

A. MOU Overtime

During the term of this Agreement, the City shall pay MOU overtime under this Article by crediting authorized paid leaves of absence, vacation, sick leave, holiday leave, other paid absences as hours worked. The City shall pay MOU overtime for hours worked in excess of the employee's normally scheduled hours. MOU overtime will be payable each pay period.

B. FLSA Overtime

The City agrees that it shall provide overtime compensation to all employees covered by this Agreement as required by the FLSA. Only hours worked shall be credited towards the computation of FLSA overtime. At the end of the twenty-eight (28) day work period, if any FLSA overtime is payable, the difference between MOU overtime and FLSA overtime will be paid.

C. During the term of this Agreement, the City may conduct audits of positions to determine FLSA exempt and non-exempt status. If the City determines that an employee's position status should be changed, the City agrees to meet and confer with the bargaining unit about the change in FLSA designation. The parties agree that any changes will be based on mutual agreement.

D. Eligible employees shall be allowed to bank overtime hours subject to the following terms and conditions:

1. An employee who is non-exempt under the FLSA, except when assigned to a platoon schedule, may bank overtime at time and one-half for hours worked in excess of forty (40) paid hours in a work week up to 40 hours worked. The banking of overtime hours in excess of forty (40) hours actually worked is not permitted. The employee can only be paid at the overtime rate, for that time.
2. An employee who is on a twenty-eight day (28-day) work cycle (Marine Safety Officer, Marine Safety Captain, Marine Safety Sergeant, and Marine Safety Sergeant – Boat Operator) or is exempt under FLSA, may bank overtime at the appropriate rate for hours worked in excess of eighty (80) paid hours.

3. Those employees assigned to a 14-day/40-hour workweek schedule will be compensated at time and one-half for those schedules or any portion thereof, which is the UH (unscheduled hours) or FP (fire prevention) rate. This would include Special Events, Training, Swift Water Rescue, and Dive-related responses.
4. Those employees assigned or called back to fill 28-day/56-hour work schedules or any portion thereof will be compensated at time and one-half of those schedules, which is the FC (fire call) rate.
5. Management retains the sole discretion in granting the request to accrue CTO or paying it as overtime worked.

Section III – Payment for Overtime

An employee eligible for overtime benefits, and who is required to and works said overtime, shall be allowed time-off, subject to the following terms, which are not intended to supersede existing conditions, restrictions, and limitations, but rather to expand and/or modify those provisions currently provided.

- A. Overtime shall be paid in the pay period following the one in which the overtime was worked, or as soon as practicable thereafter.
- B. At the specific request of the employee to the Fire Chief or their designee, the City will credit earned overtime to an account in the employee's name in an amount not to exceed three (3) days for an employee who works a forty-hour (40-hour) per week schedule or three (3) shifts, seventy-two hours (72-hours) for those in a platoon schedule. Employees shall not be permitted to add a premium to this account. Only straight time may be included in this account. All premium time shall be paid and cannot be banked.
- C. The credited earned overtime will be represented in hours on the employee's accrual balance page (These hours are equivalent to a specific cash value, namely the number of hours credited to the employee's account multiplied by the employee's straight hourly rate of pay). At the employee's request to the Fire Chief or their designee, the City will pay to the employee any or all portions of the value of the account, minus standard withholdings. Payments will be made in the pay period following the period in which the request is received.
- D. All cash value banks will be paid off in full prior to 1) the last full pay period in a fiscal year, 2) the pay period in which a general salary increase is effective, or 3) a pay period in which the employee receives a promotion to a higher rate of pay.
- E. Cash value banks may be paid off, at the employee's request, prior to the pay period in which a salary range decrease is effective.
- F. The City retains the right to pay off the cash value of the employees accrued overtime at any time.

If the provisions of this Section are found to be in conflict with State or Federal law, overtime shall be paid off in full in the pay period following the pay period in which it was earned.

The Paid Parental Leave policy institutes a program offered by the City which provides 30 consecutive calendar days (160 hours) of Parental Leave at 100 percent of salary, for the birth, adoption or foster placement of a child, regardless of the gender, marital status or sexual orientation of the parent. Paid Parental Leave may be taken at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee. The leave must be taken in full work day increments, and within one year of the date of birth/placement of the child. This type of absence is not charged against the employee's leave credits. Employees will be afforded the same level of benefit continuation for the period of time that the employee is on Paid Parental Leave as if the employee was on active work status.

The purpose of Paid Parental Leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child.

City employees who are co-parents with another City employee, will each have an individual right to paid Parental Leave.
