INTRODUCTION:

Since 1977, WomenShelter of Long Beach (WSLB) has helped thousands of women, men, and children overcome the trauma caused by domestic abuse. WSLB assists families by providing safe housing, counseling, case management, education, health, and legal advocacy at no cost. In order to impact future generations, our Domestic Violence Prevention Team goes into middle schools, high schools, and colleges to educate youth about the warning signs of unhealthy relationships. As a result of the incredible work being done every day, the City of Long Beach should support the WomenShelter of Long Beach.
