Re: July 9, 2013 City Council meeting,
Agenda Item 13-0570 re Ice Cream Truck Regulation Compliance

Dear Mayor Bob Foster & Councilmembers:

The Wrigley Association supports the position of Vice Mayor Robert Garcia, and Councilmembers Dee Andrews and Steven Neal to “direct the City Attorney to amend Long Beach Municipal Code 5.51.060 to require Ice Cream Trucks to comply with the noise ordinance and that when an Ice Cream Truck is parked and dispensing ice cream, no amplified music shall be broadcast and report back to the City Council within 30 days”.

It is our position that this is a **quality of life issue** that negatively affects a significant area in the Wrigley neighborhood. It is a problem that has been growing in recent years. We seek the city’s aid in rectifying this situation by strengthening the municipal code and its enforcement.

Sincerely,

Colleen McDonald
Wrigley Association, President
