THIS CONTRACT is made and entered, in duplicate, as of July 13, 2006 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on July 11, 2006, by and between SULLY-MILLER CONTRACTING COMPANY, a Delaware corporation, whose address is 1100 E. Orangethorpe Avenue, Suite 200, Anaheim, California 92801 ("Contractor"), and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a "Notice Inviting Bids for the Improvement of Stearns Street Between Clark Avenue and Bellflower Boulevard in the City of Long Beach, California," dated June 16, 2006, and published by the City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of the Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Plans & Specifications No. R-6600;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment, and transportation for the work described in "Plans & Specifications No. R-6600 for the Improvement of Stearns Street Between Clark Avenue and Bellflower Boulevard in the City of Long Beach, California," said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to the City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT. City shall pay to Contractor the amount(s) for materials and work identified in Contractor's "Bid for the Improvement of Stearns Street Between Clark Avenue and Bellflower Boulevard in the City of Long Beach, California,"

Long Beach, California 90802-4664
Telephone (562) 570-2200

1 attached hereto as Exhibit "A".

2 Contractor shall submit requests for progress payments and City will make
3 payments in due course of payments in accordance with Section 9 of the Standard
4 Specifications for Public Works Construction (latest edition).

5 3. CONTRACT DOCUMENTS. The Contract Documents include: The
6 Notice Inviting Bids, Plans & Specifications No. R-6600 (which may include by reference
7 the Standard Specifications for Public Works Construction, latest edition, and any
8 supplements thereto, collectively the "Standard Specifications"); the City of Long Beach
9 Standard Plans; Plans and Drawings No. C-5991 for this work; the California Code of
10 Regulations; the various Uniform Codes applicable to trades; the prevailing wage rates;
11 Instructions to Bidders; the Bid; the bid security; the City of Long Beach Disadvantaged,
12 Minority and Women-owned Business Enterprise Program; this Contract and all documents
13 attached hereto or referenced herein including but not limited to insurance; Bond for
14 Faithful Performance; Payment Bond; Notice to Proceed; Notice of Completion; any
15 addenda or change orders issued in accordance with the Standard Specifications; any
16 permits required and issued for the work; approved final design drawings and documents;
17 and the Information Sheet. These Contract Documents are incorporated herein by the
18 above reference and form a part of this Contract.

19 Notwithstanding Section 2-5.2 of the Standard Specifications, if any conflict
20 or inconsistency exists or develops among or between Contract Documents, the following
21 priority shall govern: 1) Change Orders; 2) this Contract; 3) Permit(s) from other public
22 agencies; 4) Plans & Specifications No. R-6600; 5) Addenda; 6) Plans and Drawings No.
23 C-5991; 7) the City of Long Beach Standard Plans; 8) Standard Specifications; 9) other
24 reference specifications; 10) other reference plans; 11) the bid; and 12) the Notice Inviting
25 Bids.

26 4. TIME FOR CONTRACT. Contractor shall commence work on a date to
27 be specified in a written "Notice to Proceed" from the City and shall complete all work
28 within Thirty (30) working days thereafter, subject to strikes, lockouts and events beyond

1 the control of Contractor. Time is of the essence hereunder. City will suffer damage if the
2 work is not completed within the time stated, but those damages would be difficult or
3 impractical to determine. So, Contractor shall pay to City, as liquidated damages, the
4 amount stated in the Contract Documents.

5 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
6 acceptance of any work or the payment of any money by the City shall not operate as a
7 waiver of any provision of any Contract Document, of any power reserved to the City, or
8 of any right to damages or indemnity hereunder. The waiver of any breach or any default
9 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

10 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently herewith,
11 Contractor shall submit certification of Workers' Compensation coverage in accordance
12 with California Labor Code Sections 1860 and 3700, a copy of which is attached hereto as
13 Exhibit "B".

14 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time upon
15 the City by Contractor for and on account of any extra or additional work performed or
16 materials furnished, unless such extra or additional work or materials shall have been
17 expressly required by the City Manager and the quantities and price thereof shall have
18 been first agreed upon, in writing, by the parties hereto.

19 8. CLAIMS. Contractor shall, upon completion of the work, deliver
20 possession thereof to the City ready for use and free and discharged from all claims for
21 labor and materials in doing the work and shall assume and be responsible for, and shall
22 protect, defend, indemnify and hold harmless the City from and against any and all claims,
23 demands, causes of action, liability, loss, costs or expenses for injuries to or death of
24 persons, or damages to property, including property of the City, which arises from or is
25 connected with the performance of the work.

26 9. INSURANCE. Prior to commencement of work, and as a condition
27 precedent to the effectiveness of this Contract, Contractor shall provide to the City
28 evidence of all insurance required in the Contract Documents.

1 In addition, Contractor shall complete and deliver to the City the form
2 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply with
3 Labor Code Section 2810.

4 10. WORK DAY. Contractor shall comply with Sections 1810 through 1815
5 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a penalty
6 to the City, the sum of Twenty-five Dollars (\$25) for each worker employed by Contractor
7 or any subcontractor for each calendar day such worker is required or permitted to work
8 more than eight (8) hours unless that worker receives compensation in accordance with
9 Section 1815.

10 11. PREVAILING WAGE RATES. Contractor is directed to the prevailing
11 wage rates. Contractor shall forfeit, as a penalty to the City, Fifty Dollars (\$50) for each
12 laborer, worker or mechanic employed for each calendar day, or portion thereof, that such
13 laborer, worker or mechanic is paid less than the prevailing wage rates for any work done
14 by Contractor, or any subcontractor, under this Contract.

15 12. COORDINATION WITH GOVERNMENTAL REGULATIONS. If the work
16 is terminated pursuant to an order of any Federal or State authority, Contractor shall accept
17 as full and complete compensation under this Contract such amount of money as will equal
18 the product of multiplying the Contract price stated herein by the percentage of work
19 completed by Contractor as of the date of such termination, and for which Contractor has
20 not been paid. If the work is so terminated, the City Engineer, after consultation with
21 Contractor, shall determine the percentage of work completed and the determination of the
22 City Engineer shall be final.

23 If Contractor is prevented, in any manner, from strict compliance with the
24 Plans and Specifications due to any Federal or State law, rule, or regulation, in addition to
25 all other rights and remedies reserved to the parties City may by resolution of the City
26 Council suspend performance hereunder until the cause of disability is removed, extend
27 the time for performance, make changes in the character of the work or materials, or
28 terminate this Contract without liability to either party.

1 13. NOTICES. A. Any notice required hereunder shall be in writing and
2 personally delivered or deposited in the U.S. Postal Service, first class, postage prepaid,
3 to Contractor at the address first stated herein, and to the City at 333 West Ocean
4 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of address
5 shall be given in the same manner as stated herein for other notices. Notice shall be
6 deemed given on the date deposited in the mail or on the date personal delivery is made,
7 whichever first occurs.

8 B. Except for stop notices and claims made under the Labor Code, the City
9 will notify Contractor when the City receives any third party claims relating to this Contract
10 in accordance with Section 9201 of the Public Contract Code.

11 14. BONDS. Contractor shall, simultaneously with the execution of this
12 Contract, execute and deliver to the City a good and sufficient corporate surety bond, in
13 the form attached hereto and in the amount specified therein, conditioned upon the faithful
14 performance of this Contract by Contractor, and a good and sufficient corporate surety
15 bond, in the form attached hereto and in the amount specified therein, conditioned upon
16 the payment of all labor and material claims incurred in connection with this Contract.

17 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any
18 of the moneys that may become due Contractor hereunder may be assigned by Contractor
19 without the written consent of the City first had and obtained, nor will the City recognize any
20 subcontractor as such, and all persons engaged in the work of construction will be
21 considered as independent contractors or agents of the Contractor and will be held directly
22 responsible to Contractor.

23 16. CERTIFIED PAYROLL RECORDS. Contractor shall keep and cause
24 each subcontractor to keep an accurate payroll record in accordance with Division 2, Part
25 7, Article 2 of the California Labor Code. Contractor's failure to furnish such record to City
26 in the manner provided herein for notices shall entitle City to withhold the penalty
27 prescribed by law from progress payments due to Contractor.

28 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to the

1 contrary in the Standard Specifications, Contractor shall have the responsibility, care and
2 custody of the work. If any loss or damage occurs to the work that is not covered by
3 collectible commercial insurance, excluding loss or damage caused by the negligence or
4 willful misconduct of City, earthquake, or flood, then Contractor shall immediately make the
5 City whole for any such loss or pay for any damage. If Contractor fails or refuses to make
6 the City whole or pay, then City may do so and the cost and expense of doing so shall be
7 deducted from the amount due Contractor from City hereunder.

8 18. CONTINUATION. Termination or expiration of this Contract shall not
9 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
10 prior to termination or expiration of this Contract.

11 19. TAXES AND TAX REPORTING. A. As required by federal and state
12 law, City is obligated to report the payment of compensation to Contractor on Form 1099-
13 Misc. and Contractor acknowledges that Contractor is not entitled to payment under this
14 Contract until it has provided its Employer's Identification Number to the City. Contractor
15 shall be solely responsible for payment of all federal and state taxes resulting from
16 payments under this Contract.

17 B. Contractor shall cooperate with the City in all matters relating to taxation
18 and the collection of taxes, particularly with respect to the self-accrual of use tax.
19 Contractor shall cooperate as follows: (i) for all leases and purchases of materials,
20 equipment, supplies, or other tangible personal property totaling over \$100,000 shipped
21 from outside California, a qualified Contractor shall complete and submit to the appropriate
22 governmental entity the form in Appendix "A" attached hereto; and (ii) for construction
23 contracts and subcontracts totaling \$5,000,000 or more, Contractor shall obtain a sub-
24 permit from the California Board of Equalization for the Work site. "Qualified" means that
25 the Contractor purchased at least \$500,000 in tangible personal property that was subject
26 to sales or use tax in the previous calendar year.

27 In completing the form and obtaining the permit(s), Contractor shall use the
28 address of the Work site as its business address and may use any address for its mailing

1 address. Copies of the form and permit(s) shall also be delivered to the City Engineer.
2 The form must be submitted and the permit(s) obtained as soon as Contractor receives a
3 Notice to Proceed. Contractor shall not order any materials or equipment over \$100,000
4 from vendors outside California until the form is submitted and the permit(s) obtained and,
5 if Contractor does so, it shall be a material breach of this Contract. In addition, Contractor
6 shall make all purchases from the Long Beach sales office of its vendors if those vendors
7 have a Long Beach office and all purchases made by Contractor under this Contract which
8 are subject to use tax of \$500,000 or more shall be allocated to the City of Long Beach.
9 Contractor shall require the same form and permit(s) from its subcontractors.

11 claim or damages for delay against City if Contractor does not timely submit these forms
12 to the appropriate governmental entity. Contractor may contact the City Controller at (562)
13 570-6450 for assistance with the form.

14 20. ADVERTISING. Contractor shall not use the name of City, its officials,
15 or employees in any advertising or solicitation for business, nor as a reference, without the
16 prior approval of the City Manager, City Engineer, or designee.

17 21. AUDIT. If payment of any part of the consideration for this Contract is
18 made with federal, state, or county funds and a condition to the use of those funds by City
19 is a requirement that the City render an accounting or otherwise account for said funds,
20 then City shall have the right at all reasonable times to examine, audit, inspect, review,
21 extract information from, and copy all books, records, accounts, and other information
22 relating to this Contract.

24 work to be performed hereunder does not constitute a peculiar risk of bodily harm and that
25 no special precautions are required to perform said work.

26 23. THIRD PARTY BENEFICIARY. This Contract is intended by the parties
27 to benefit themselves only and is not in any way intended or designed to or entered for the
28 purpose of creating any benefit or right of any kind for any person or entity that is not a

1 party to this Contract.

2 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
3 subcontractor to the terms of this Contract provided, however, that nothing herein shall
4 create any obligation on the part of City to pay any subcontractor except in accordance
5 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
6 with this Section shall be deemed a material breach of this Contract. A list of
7 subcontractor(s) submitted by Contractor in compliance with Public Contract Code
8 Sections 4100 et seq. is attached hereto as Exhibit "D" and incorporated herein by this
9 reference.

10 25. NO DUTY TO INSPECT. No language in this Contract shall create and
11 City shall not have any duty to inspect, correct, warn of, or investigate any condition arising
12 from Contractor's work hereunder, or to insure compliance with laws, rules or regulations
13 relating to said work. If City does inspect or investigate, the results thereof shall not be
14 deemed compliance with or a waiver of any requirements of the Contract Documents.

15 26. GOVERNING LAW. This Contract shall be governed by and construed
16 pursuant to the laws of the State of California (except those provisions of California law
17 pertaining to conflicts of laws).

18 27. INTEGRATION. This Contract, including the Contract Documents
19 identified in Section 3 hereof, constitutes the entire understanding between the parties and
20 supersedes all other agreements, oral or written, with respect to the subject matter herein.

21 28. COSTS. If there is any legal proceeding between the parties to enforce
22 or interpret this Contract or to protect or establish any rights or remedies hereunder, the
23 prevailing party shall be entitled to its costs and expenses, including reasonable attorney's
24 fees.

25 29. NONDISCRIMINATION. In connection with performance of this Contract
26 and subject to federal laws, rules and regulations, Contractor shall not discriminate in
27 employment or in the performance of this Contract on the basis of race, religion, national
28 origin, color, age, sex, sexual orientation, AIDS, HIV status, handicap, or disability. It is the

2 owned Business Enterprises and the City encourages Contractor to use its best efforts to
3 carry out this policy in the award of all subcontracts.

5 to perform in accordance with the Plans and Specifications, failure to comply with any
6 Contract Document, failure to pay any penalties, fines or charges assessed against the
7 Contractor by any public agency, failure to pay any charges or fees for services performed

USE TAX DIRECT PAYMENT PERMIT (General Information and Filing Instructions)

Revenue and Taxation Code Section 7051.3 authorizes the State Board of Equalization to issue a "Use Tax Direct Payment Permit" to qualified applicants. This permit allows purchasers and lessors of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a use tax direct payment exemption certificate which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a use tax direct payment permit, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed use tax direct payment application, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a use tax direct payment permit and exemption certificate will be mailed to the applicant.

If you would like additional information regarding the use tax direct payment permit or need assistance in completing this application, you can call (916) 324-2883, or write to the Board of Equalization, Public Information and Administration Section, MIC-44, PO Box 942879, Sacramento, CA 94279-0044.

Use Tax Direct Payment Exemption Certificate

I hereby certify that I hold use tax direct payment permit No. _____ issued pursuant to California Sales and Use Tax Law Section 7051.3 and that I am authorized to report and pay directly to the State the applicable use tax with respect to the property described herein which I shall purchase from:

(Name of Vendor)

(Address of Vendor)

In the event that I fail to timely report and pay the applicable tax to the State, I understand and agree that in addition to the tax liability, I will be liable for applicable interest and the amount due may be subject to penalties.

Description of property to be purchased:

Purchaser: _____ Date certificate given: _____

Signature and Title of Purchaser or Authorized Agent: _____

IMPORTANT NOTICE TO VENDORS

This exemption certificate when timely taken in good faith from a person who holds a use tax direct payment permit relieves a vendor from the requirement to collect and remit USE TAX on sales or leases of tangible personal property (other than leases of motor vehicles subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to the person who issued the certificate. It does NOT relieve a vendor of any SALES TAX obligations. Generally, this certificate should be accepted only by out-of-state vendors or by lessors of tangible personal property other than motor vehicle lessors. Sellers can claim a deduction on their sales and use tax returns for any sales made under this certificate.

Vendors must retain a completed copy of this certificate in their files for a period of not less than four years to substantiate the exempt status of sales made under its authority.

This Exemption Certificate has been approved by the California State Board of Equalization.
