

FISCAL YEAR 2019 PROPOSED BUDGET

PUBLIC WORKS

Proposed Budget Overview

August 21, 2018

CITY OF
LONG BEACH

Core Services

- Oversee the maintenance and rehabilitation of the City's core rights-of-way infrastructure including streets, sidewalks and our urban forest.
- Provide services supporting a healthy and sustainable City environment, including waste diversion, storm water management and enhancing livability.
- Safely and efficiently design, construct, deliver, and maintain public facilities.

FY 18 Accomplishments

Sustainability

- Collected 190,000 tons of trash between refuse collection and street sweeping
- Diverted over 25,000 tons of recycling from the waste stream

Clean Team

- Received 15,000 Go Long Beach requests
- Collected 22,000 illegally dumped items and 17,000 mattresses
- Cleanup of 300 homeless encampments
- 195 neighborhood cleanups

LED Conversion

- Converted 23,000 lights to LED
- Estimated completion by end of 2018; 4,000 decorative and Park lights remaining
- \$330,000 saved in electricity costs annually

FY 18 Accomplishments

Livability

- Completed Bellflower protected bike lane
- Completed 6th St Bike Boulevard
- Started construction of Daisy Bike Boulevard
- 200,000 miles ridden on Bike Share

Maintenance of City Infrastructure

- Responded to over 28,000 calls for service
- Responded to 5,200 Go Long Beach requests

Capital Improvement Program (CIP)

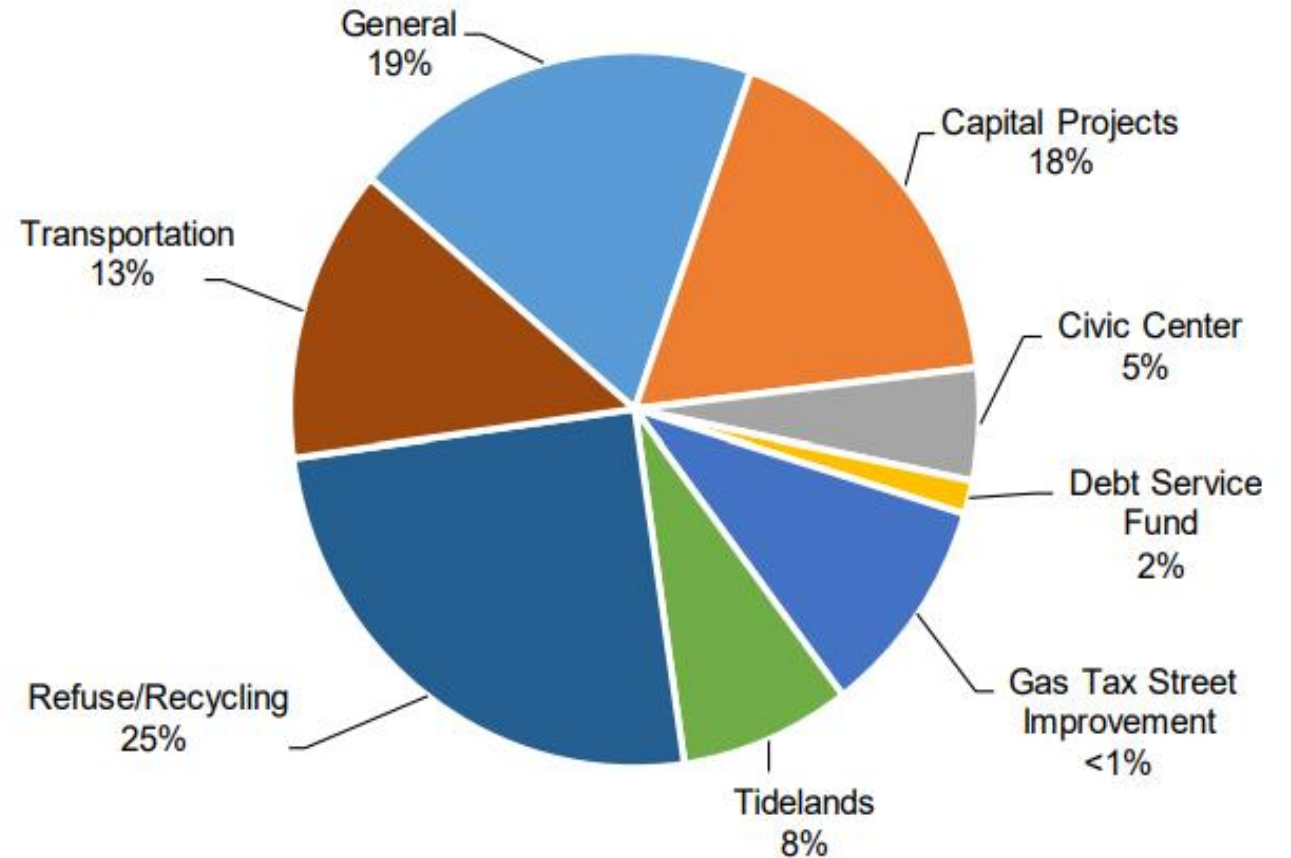

- Completed \$110 million in CIP projects
- Improved 43 lane miles of streets
- Improved 419,000 sqft of sidewalks
- Completed improvements to over 30 Parks, Facilities, and Libraries

Proposed Budget Summary

- FY 19 All Funds Impact:
 - > Total Expenditures: \$199,280,176
 - Operating: \$113,497,336
 - CIP: \$85,782,840
- FY 19 Proposed FTEs:
 - > 497.59

FY 19 Expenditures by Fund

Notable Changes

Clean Team

- New Supervisor will coordinate all Clean Team day-to-day activities.

Project Management

- New organizational structure will focus efforts on managing and delivering projects to the City's parks, public facilities, Tideland areas and right-of-way.
- The City currently uses contract inspectors to oversee construction activities. Staff is recommending these positions transition to City employees to provide better continuity on project delivery and aid in knowledge retention.

Notable Changes

Expanded Polystyrene (EPS) Ban

- Adopted on June 3, 2018
- Phase I – City Facilities (Sept. 2018)
- Phase II – Large Prepared Food Sales and Businesses (March 2019)
- Phase III – Small Prepared Food Sales and Businesses (Dec. 2019)

National Pollutant Discharge Elimination System (NPDES)

- Inspections for compliance with NPDES Permit, which regulates municipal storm water discharge entering the storm drain systems.

Challenges & Opportunities

Project Delivery

- Escalation of project costs (impacts resulting from Tariffs)
- Procurement: Update processes to address changing construction bid environment

Recruit and Retain Staff

- Attract and retain qualified staff in an extremely competitive job market

Improve Technology and Communication to Engage the Public

- Shifting focus to online and social media presence
- Utilization of videos and graphics to educate and inform residents
- Improve Go Long Beach efficiency to meet increased demand

SB-1 (Road Rehabilitation and Maintenance Act)

- Estimated to receive \$8M in FY 19
- \$24M from FY 19 – FY 21

FISCAL YEAR 2019 PROPOSED BUDGET

PARKS, RECREATION & MARINE

Proposed Budget Overview

August 21, 2018

CITY OF
LONG BEACH

All City Beach Day

Core Services

- Provide a vibrant, park system for all to meet the evolving and wide variety of needs for the City's diverse community
- Ensure marinas are fiscally sound, safe, and meet Community needs
- Provide for public safety and the humane treatment of animals in alignment with a new Animal Control Services' Strategic Plan

Accomplishments

- Infrastructure Development & Maintenance
 - Major park improvements: playgrounds, community centers, dog parks, synthetic turf fields
 - Developed 61 acres of new park space
 - Completed Alamitos Bay Marina rebuild of 1,600 state-of-the-art boat slips

Accomplishments

- Continued to provide award-winning services
 - Rated with 21st best park systems in U.S. by Trust for Public Lands
 - Awards for Jr. Beach Runners program, Uptown Open Space Vision Plan, Gumbiner Park project Mobility and Natural Lands Restoration

Accomplishments

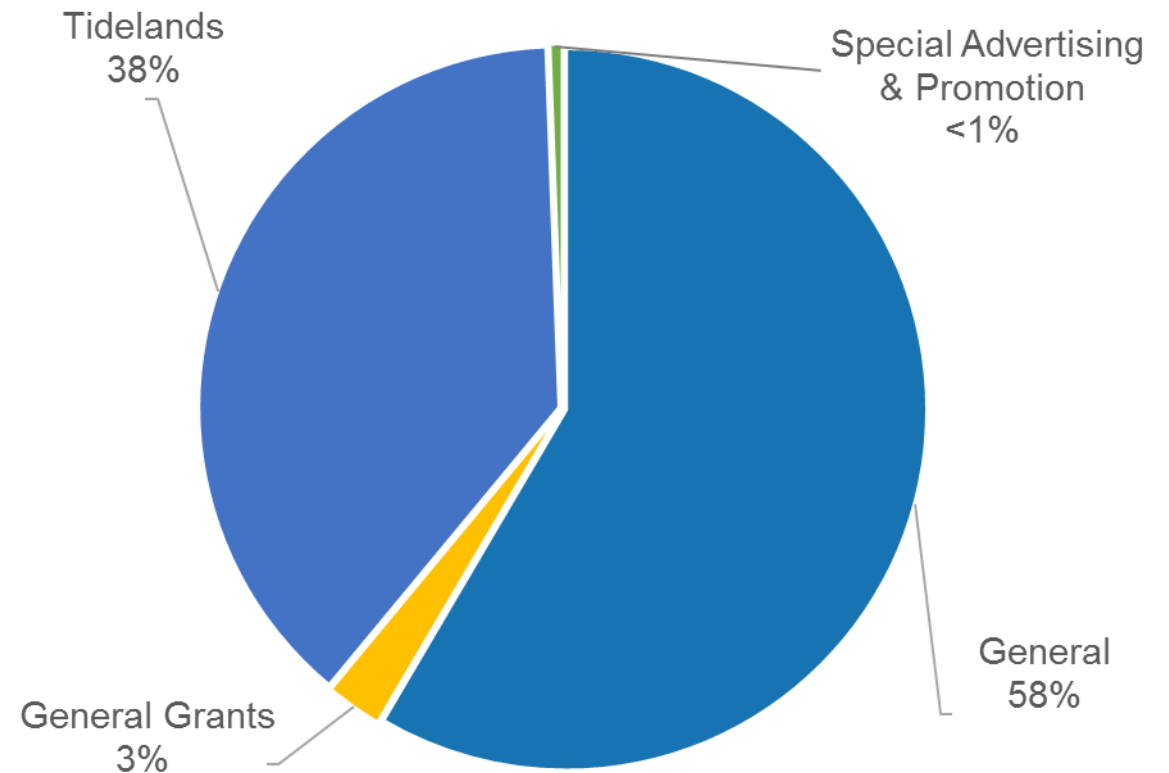

- Continued community partnerships to augment services, including youth and family programs, such as community concerts, Movies in the Parks, Youth basketball, T-ball, street hockey and swim programs
- LBUUSD free summer swim access at City-operated pools
- Continued to reduce animal shelter impounds and increased live release rate resulting from innovative partnerships through hard work of ACS staff, volunteers and supporters

Proposed Budget Summary

- FY 19 All Funds Impact:
 - > \$64,507,526
- FY 19 Proposed FTEs:
 - > 438.42

FY 19 Expenditures by Fund

Notable Changes

- Measure A Investment in Our Community
 - El Dorado Duck Pond rehabilitation
 - Davenport Park Phase Two improvements
 - Restroom replacements and improvements – Drake and El Dorado
 - Urban Forest investment – trim/plant/remove dead/irrigate
 - Animal Care facility improvements
 - Sports Court improvements – Los Cerritos and Silverado sports courts and El Dorado tennis courts
 - Citywide Park Irrigation improvements and repairs

Notable Changes

- New Community Engagement & Partnerships Bureau
- Supplemental increase of \$1.24 million for Citywide park irrigation to account for rate increases and on-going drought

- Add maintenance staffing resources to influence deferred maintenance backlogs and secure free standing restrooms on a nightly basis to avoid on-going vandalism and misuse

Notable Changes

- Continuation of Be S.A.F.E. at 8 park sites (11 sites total) to promote public safety and help extend family recreation programming
- Addition of Adoption Program resources for Animal Care Services
- Purchase proactive In-Water Storm Debris containment and collection equipment to keep trash from landing on City beaches

Opportunities

- Maintain a safe and healthy landscape and urban forest with innovative water-wise management approach
- Advance in the maintenance of aging park facilities and develop a collaborative approach in dealing with excessive vandalism
- Engage with the community to refine and adjust programs and activate passive use parks with programming
- Developing a new Strategic Plan to chart course for park programs and services for entire Long Beach community

FISCAL YEAR 2019 PROPOSED BUDGET
