

AGREEMENT

35552

THIS AGREEMENT is made and entered, in duplicate, as of May 14, 2020 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting on May 5, 2020, by and between IMS INFRASTRUCTURE MANAGEMENT SERVICES, LLC, an Arizona limited liability company ("Consultant"), with a place of business at 8380 S. Kyrene Road, Suite 101, Tempe, Arizona 85284, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, the City requires specialized services requiring unique skills to be performed in connection with engineering consulting services for updating the City of Long Beach Pavement Management Program ("Project"); and

WHEREAS, City has selected Consultant in accordance with City's administrative procedures and City has determined that Consultant and its employees are qualified, licensed, if so required, and experienced in performing these specialized services; and

WHEREAS, City desires to have Consultant perform these specialized services, and Consultant is willing and able to do so on the terms and conditions in this Agreement;

NOW, THEREFORE, in consideration of the mutual terms, covenants, and conditions in this Agreement, the parties agree as follows:

1. SCOPE OF WORK OR SERVICES.

A. Consultant shall furnish specialized services described in Request for Proposals Number PW19-909, attached to this Agreement as Exhibit "A-1" and incorporated by this reference, and more particularly described in the Scope of Work, attached to this Agreement as Exhibit "A-2" and incorporated by this reference, in accordance with the standards of the profession, and City shall pay for these services in the manner described below, in an amount not to exceed Five Hundred Seventy-Four Thousand Eight Hundred Seventy-Nine Dollars

1 (\$574,879.00), at the rates or charges shown in Exhibit "B".

2 B. The City's obligation to pay the sum stated above for any one
3 fiscal year shall be contingent upon the City Council of the City appropriating the
4 necessary funds for such payment by the City in each fiscal year during the term of
5 this Agreement. For the purposes of this Section, a fiscal year commences on
6 October 1 of the year and continues through September 30 of the following year. In
7 the event that the City Council of the City fails to appropriate the necessary funds
8 for any fiscal year, then, and in that event, the Agreement will terminate at no
9 additional cost or obligation to the City.

10 C. Consultant may select the time and place of performance for
11 these services provided, however, that access to City documents, records, and the
12 like, if needed by Consultant, shall be available only during City's normal business
13 hours and provided that milestones for performance, if any, are met.

14 D. Consultant has requested to receive regular payments. City
15 shall pay Consultant in due course of payments following receipt from Consultant
16 and approval by City of invoices showing the services or task performed, the time
17 expended (if billing is hourly), and the name of the Project. Consultant shall certify
18 on the invoices that Consultant has performed the services in full conformance with
19 this Agreement and is entitled to receive payment. Each invoice shall be
20 accompanied by a progress report indicating the progress to date of services
21 performed and covered by the invoice, including a brief statement of any Project
22 problems and potential causes of delay in performance, and listing those services
23 that are projected for performance by Consultant during the next invoice cycle.
24 Where billing is done and payment is made on an hourly basis, the parties
25 acknowledge that this arrangement is either customary practice for Consultant's
26 profession, industry, or business, or is necessary to satisfy audit and legal
27 requirements which may arise due to the fact that City is a municipality.

28 E. Consultant represents that Consultant has obtained all

1 necessary information on conditions and circumstances that may affect its
2 performance and has conducted site visits, if necessary.

3 F. CAUTION: Consultant shall not begin work until this
4 Agreement has been signed by both parties and until Consultant's evidence of
5 insurance has been delivered to and approved by the City.

6 2. TERM. The term of this Agreement shall commence at midnight on
7 May 30, 2020, and shall terminate at 11:59 p.m. on May 29, 2022, unless sooner
8 terminated as provided in this Agreement, or unless the services or the Project is
9 completed sooner. The parties have the option to extend the term for three (3) additional
10 one-year periods.

11 3. COORDINATION AND ORGANIZATION.

12 A. Consultant shall coordinate its performance with City's
13 representative, if any, named in Exhibit "C", attached to this Agreement and
14 incorporated by this reference. Consultant shall advise and inform City's
15 representative of the work in progress on the Project in sufficient detail so as to
16 assist City's representative in making presentations and in holding meetings on the
17 Project. City shall furnish to Consultant information or materials, if any, described
18 in Exhibit "D" attached to this Agreement and incorporated by this reference, and
19 shall perform any other tasks described in the Exhibit.

20 B. The parties acknowledge that a substantial inducement to City
21 for entering this Agreement was and is the reputation and skill of Consultant's key
22 employee, named in Exhibit "E" attached to this Agreement and incorporated by this
23 reference. City shall have the right to approve any person proposed by Consultant
24 to replace that key employee.

25 4. INDEPENDENT CONTRACTOR. In performing its services,
26 Consultant is and shall act as an independent contractor and not an employee,
27 representative, or agent of City. Consultant shall have control of Consultant's work and
28 the manner in which it is performed. Consultant shall be free to contract for similar services

1 to be performed for others during this Agreement provided, however, that Consultant acts
2 in accordance with Section 9 and Section 11 of this Agreement. Consultant acknowledges
3 and agrees that a) City will not withhold taxes of any kind from Consultant's compensation,
4 b) City will not secure workers' compensation or pay unemployment insurance to, for or on
5 Consultant's behalf, and c) City will not provide and Consultant is not entitled to any of the
6 usual and customary rights, benefits or privileges of City employees. Consultant expressly
7 warrants that neither Consultant nor any of Consultant's employees or agents shall
8 represent themselves to be employees or agents of City.

9 5. INSURANCE.

10 A. As a condition precedent to the effectiveness of this
11 Agreement, Consultant shall procure and maintain, at Consultant's expense for the
12 duration of this Agreement, from insurance companies that are admitted to write
13 insurance in California and have ratings of or equivalent to A:V by A.M. Best
14 Company or from authorized non-admitted insurance companies subject to Section
15 1763 of the California Insurance Code and that have ratings of or equivalent to A:VIII
16 by A.M. Best Company the following insurance:

17 i. Commercial general liability insurance (equivalent in
18 scope to ISO form CG 00 01 11 85 or CG 00 01 10 93) in an amount not less
19 than One Million Dollars (\$1,000,000.00) per each occurrence and Two
20 Million Dollars (\$2,000,000.00) general aggregate. This coverage shall
21 include but not be limited to broad form contractual liability, cross liability,
22 independent contractors liability, and products and completed operations
23 liability. The City, its boards and commissions, and their officials, employees
24 and agents shall be named as additional insureds by endorsement (on City's
25 endorsement form or on an endorsement equivalent in scope to ISO form CG
26 20 10 11 85 or CG 20 26 11 85 or both CG 20 10 07 04 and CG 20 37 07 04
27 or both CG 20 33 07 04 and CG 20 37 07 04), and this insurance shall contain
28 no special limitations on the scope of protection given to the City, its boards

1 and commissions, and their officials, employees and agents. This policy shall
2 be endorsed to state that the insurer waives its right of subrogation against
3 City, its boards and commissions, and their officials, employees and agents.

4 ii. Workers' Compensation insurance as required by the
5 California Labor Code and employer's liability insurance in an amount not
6 less than One Million Dollars (\$1,000,000.00). This policy shall be endorsed
7 to state that the insurer waives its right of subrogation against City, its boards
8 and commissions, and their officials, employees and agents.

9 iii. Professional liability or errors and omissions insurance
10 in an amount not less than One Million Dollars (\$1,000,000.00) per claim.

11 iv. Commercial automobile liability insurance (equivalent in
12 scope to ISO form CA 00 01 06 92), covering Auto Symbol 1 (Any Auto) in
13 an amount not less than Five Hundred Thousand Dollars (\$500,000.00)
14 combined single limit per accident.

15 B. Any self-insurance program, self-insured retention, or
16 deductible must be separately approved in writing by City's Risk Manager or
17 designee and shall protect City, its officials, employees and agents in the same
18 manner and to the same extent as they would have been protected had the policy
19 or policies not contained retention or deductible provisions.

20 C. Each insurance policy shall be endorsed to state that coverage
21 shall not be reduced, non-renewed, or canceled except after thirty (30) days prior
22 written notice to City, shall be primary and not contributing to any other insurance
23 or self-insurance maintained by City, and shall be endorsed to state that coverage
24 maintained by City shall be excess to and shall not contribute to insurance or self-
25 insurance maintained by Consultant. Consultant shall notify the City in writing within
26 five (5) days after any insurance has been voided by the insurer or cancelled by the
27 insured.

28 D. If this coverage is written on a "claims made" basis, it must

1 provide for an extended reporting period of not less than one hundred eighty (180)
2 days, commencing on the date this Agreement expires or is terminated, unless
3 Consultant guarantees that Consultant will provide to the City evidence of
4 uninterrupted, continuing coverage for a period of not less than three (3) years,
5 commencing on the date this Agreement expires or is terminated.

6 E. Consultant shall require that all subconsultants or contractors
7 which Consultant uses in the performance of these services maintain insurance in
8 compliance with this Section unless otherwise agreed in writing by City's Risk
9 Manager or designee.

10 F. Prior to the start of performance, Consultant shall deliver to City
11 certificates of insurance and the endorsements for approval as to sufficiency and
12 form. In addition, Consultant, shall, within thirty (30) days prior to expiration of the
13 insurance, furnish to City certificates of insurance and endorsements evidencing
14 renewal of the insurance. City reserves the right to require complete certified copies
15 of all policies of Consultant and Consultant's subconsultants and contractors, at any
16 time. Consultant shall make available to City's Risk Manager or designee all books,
17 records and other information relating to this insurance, during normal business
18 hours.

19 G. Any modification or waiver of these insurance requirements
20 shall only be made with the approval of City's Risk Manager or designee. Not more
21 frequently than once a year, the City's Risk Manager or designee may require that
22 Consultant, Consultant's subconsultants and contractors change the amount, scope
23 or types of coverages required in this Section if, in his or her sole opinion, the
24 amount, scope, or types of coverages are not adequate.

25 H. The procuring or existence of insurance shall not be construed
26 or deemed as a limitation on liability relating to Consultant's performance or as full
27 performance of or compliance with the indemnification provisions of this Agreement.

28 6. ASSIGNMENT AND SUBCONTRACTING. This Agreement

1 contemplates the personal services of Consultant and Consultant's employees, and the
2 parties acknowledge that a substantial inducement to City for entering this Agreement was
3 and is the professional reputation and competence of Consultant and Consultant's
4 employees. Consultant shall not assign its rights or delegate its duties under this
5 Agreement, or any interest in this Agreement, or any portion of it, without the prior approval
6 of City, except that Consultant may with the prior approval of the City Manager of City,
7 assign any moneys due or to become due the Consultant under this Agreement. Any
8 attempted assignment or delegation shall be void, and any assignee or delegate shall
9 acquire no right or interest by reason of an attempted assignment or delegation.
10 Furthermore, Consultant shall not subcontract any portion of its performance without the
11 prior approval of the City Manager or designee, or substitute an approved subconsultant
12 or contractor without approval prior to the substitution. Nothing stated in this Section shall
13 prevent Consultant from employing as many employees as Consultant deems necessary
14 for performance of this Agreement.

15 7. CONFLICT OF INTEREST. Consultant, by executing this Agreement,
16 certifies that, at the time Consultant executes this Agreement and for its duration,
17 Consultant does not and will not perform services for any other client which would create
18 a conflict, whether monetary or otherwise, as between the interests of City and the interests
19 of that other client. Consultant further certifies that Consultant does not now have and shall
20 not acquire any interest, direct or indirect, in the area covered by this Agreement or any
21 other source of income, interest in real property or investment which would be affected in
22 any manner or degree by the performance of Consultant's services hereunder. And,
23 Consultant shall obtain similar certifications from Consultant's employees, subconsultants
24 and contractors.

25 8. MATERIALS. Consultant shall furnish all labor and supervision,
26 supplies, materials, tools, machinery, equipment, appliances, transportation, and services
27 necessary to or used in the performance of Consultant's obligations under this Agreement,
28 except as stated in Exhibit "D".

1 9. OWNERSHIP OF DATA. All materials, information and data
2 prepared, developed, or assembled by Consultant or furnished to Consultant in connection
3 with this Agreement, including but not limited to documents, estimates, calculations,
4 studies, maps, graphs, charts, computer disks, computer source documentation, samples,
5 models, reports, summaries, drawings, designs, notes, plans, information, material, and
6 memorandum ("Data") shall be the exclusive property of City. Data shall be given to City,
7 and City shall have the unrestricted right to use and disclose the Data in any manner and
8 for any purpose without payment of further compensation to Consultant. Copies of Data
9 may be retained by Consultant but Consultant warrants that Data shall not be made
10 available to any person or entity for use without the prior approval of City. This warranty
11 shall survive termination of this Agreement for five (5) years.

12 10. TERMINATION. Either party shall have the right to terminate this
13 Agreement for any reason or no reason at any time by giving fifteen (15) calendar days
14 prior written notice to the other party. In the event of termination under this Section, City
15 shall pay Consultant for services satisfactorily performed and costs incurred up to the
16 effective date of termination for which Consultant has not been previously paid. The
17 procedures for payment in Section 1.B. with regard to invoices shall apply. On the effective
18 date of termination, Consultant shall deliver to City all Data developed or accumulated in
19 the performance of this Agreement, whether in draft or final form, or in process. And,
20 Consultant acknowledges and agrees that City's obligation to make final payment is
21 conditioned on Consultant's delivery of the Data to the City.

22 11. CONFIDENTIALITY. Consultant shall keep the Data confidential and
23 shall not disclose the Data or use the Data directly or indirectly other than in the course of
24 performing its services, during the term of this Agreement and for five (5) years following
25 expiration or termination of this Agreement. In addition, Consultant shall keep confidential
26 all information, whether written, oral, or visual, obtained by any means whatsoever in the
27 course of performing its services for the same period of time. Consultant shall not disclose
28 any or all of the Data to any third party, or use it for Consultant's own benefit or the benefit

of others except for the purpose of this Agreement.

12. BREACH OF CONFIDENTIALITY. Consultant shall not be liable for a breach of confidentiality with respect to Data that: (a) Consultant demonstrates Consultant knew prior to the time City disclosed it; or (b) is or becomes publicly available without breach of this Agreement by Consultant; or (c) a third party who has a right to disclose does so to Consultant without restrictions on further disclosure; or (d) must be disclosed pursuant to subpoena or court order.

13. ADDITIONAL COSTS AND REDESIGN.

A. Any costs incurred by the City due to Consultant's failure to meet the standards required by the scope of work or Consultant's failure to perform fully the tasks described in the scope of work which, in either case, causes the City to request that Consultant perform again all or part of the Scope of Work shall be at the sole cost of Consultant and City shall not pay any additional compensation to Consultant for its re-performance.

B. If the Project involves construction and the scope of work requires Consultant to prepare plans and specifications with an estimate of the cost of construction, then Consultant may be required to modify the plans and specifications, any construction documents relating to the plans and specifications, and Consultant's estimate, at no cost to City, when the lowest bid for construction received by City exceeds by more than ten percent (10%) Consultant's estimate. This modification shall be submitted in a timely fashion to allow City to receive new bids within four (4) months after the date on which the original plans and specifications were submitted by Consultant.

14. AMENDMENT. This Agreement, including all Exhibits, shall not be amended, nor any provision or breach waived, except in writing signed by the parties which expressly refers to this Agreement.

15. LAW. This Agreement shall be governed by and construed pursuant to the laws of the State of California (except those provisions of California law pertaining

1 to conflicts of laws). Consultant shall comply with all laws, ordinances, rules and
2 regulations of and obtain all permits, licenses, and certificates required by all federal, state
3 and local governmental authorities.

4 16. ENTIRE AGREEMENT. This Agreement, including all Exhibits,
5 constitutes the entire understanding between the parties and supersedes all other
6 agreements, oral or written, with respect to the subject matter in this Agreement.

7 17. INDEMNITY.

8 A. Consultant shall indemnify, protect and hold harmless City, its
9 Boards, Commissions, and their officials, employees and agents ("Indemnified
10 Parties"), from and against any and all liability, claims, demands, damage, loss,
11 obligations, causes of action, proceedings, awards, fines, judgments, penalties,
12 costs and expenses, arising or alleged to have arisen, in whole or in part, out of or
13 in connection with (1) Consultant's breach or failure to comply with any of its
14 obligations contained in this Agreement, or (2) negligent or willful acts, errors,
15 omissions or misrepresentations committed by Consultant, its officers, employees,
16 agents, subcontractors, or anyone under Consultant's control, in the performance
17 of work or services under this Agreement (collectively "Claims" or individually
18 "Claim").

19 B. In addition to Consultant's duty to indemnify, Consultant shall
20 have a separate and wholly independent duty to defend Indemnified Parties at
21 Consultant's expense by legal counsel approved by City, from and against all
22 Claims, and shall continue this defense until the Claims are resolved, whether by
23 settlement, judgment or otherwise. No finding or judgment of negligence, fault,
24 breach, or the like on the part of Consultant shall be required for the duty to defend
25 to arise. City shall notify Consultant of any Claim, shall tender the defense of the
26 Claim to Consultant, and shall assist Consultant, as may be reasonably requested,
27 in the defense.

28 C. If a court of competent jurisdiction determines that a Claim was

1 caused by the sole negligence or willful misconduct of Indemnified Parties,
2 Consultant's costs of defense and indemnity shall be (1) reimbursed in full if the
3 court determines sole negligence by the Indemnified Parties, or (2) reduced by the
4 percentage of willful misconduct attributed by the court to the Indemnified Parties.

5 D. To the extent this Agreement is a professional service
6 agreement for work or services performed by a design professional (architect,
7 landscape architect, professional engineer or professional land surveyor), the
8 provisions of this Section regarding Consultant's duty to defend and indemnify shall
9 be limited as provided in California Civil Code Section 2782.8, and shall apply only
10 to Claims that arise out of, pertain to, or relate to the negligence, recklessness, or
11 willful misconduct of the Consultant.

12 E. The provisions of this Section shall survive the expiration or
13 termination of this Agreement.

14 18. AMBIGUITY. In the event of any conflict or ambiguity between this
15 Agreement and any Exhibit, the provisions of this Agreement shall govern.

16 19. NONDISCRIMINATION.

17 A. In connection with performance of this Agreement and subject
18 to applicable rules and regulations, Consultant shall not discriminate against any
19 employee or applicant for employment because of race, religion, national origin,
20 color, age, sex, sexual orientation, gender identity, AIDS, HIV status, handicap, or
21 disability. Consultant shall ensure that applicants are employed, and that employees
22 are treated during their employment, without regard to these bases. These actions
23 shall include, but not be limited to, the following: employment, upgrading, demotion
24 or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay
25 or other forms of compensation, and selection for training, including apprenticeship.

26 B. It is the policy of City to encourage the participation of
27 Disadvantaged, Minority and Women-owned Business Enterprises in City's
28 procurement process, and Consultant agrees to use its best efforts to carry out this

1 policy in its use of subconsultants and contractors to the fullest extent consistent
2 with the efficient performance of this Agreement. Consultant may rely on written
3 representations by subconsultants and contractors regarding their status.
4 Consultant shall report to City in May and in December or, in the case of short-term
5 agreements, prior to invoicing for final payment, the names of all subconsultants
6 and contractors hired by Consultant for this Project and information on whether or
7 not they are a Disadvantaged, Minority or Women-Owned Business Enterprise, as
8 defined in Section 8 of the Small Business Act (15 U.S.C. Sec. 637).

9 20. FORCE MAJEURE. If any party fails to perform its obligations
10 because of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain
11 labor or materials or reasonable substitutes for labor materials, governmental restrictions,
12 governmental regulations, governmental controls, judicial orders, enemy or hostile
13 governmental action, pandemic, civil commotion, fire or other casualty, or other causes
14 beyond the reasonable control of the party obligated to perform, then that party's
15 performance will be excused for a period equal to the period of such cause for failure to
16 perform.

17 21. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in
18 accordance with the provisions of the Ordinance, this Agreement is subject to the
19 applicable provisions of the Equal Benefits Ordinance (EBO), section 2.73 et seq. of the
20 Long Beach Municipal Code, as amended from time to time.

21 A. During the performance of this Agreement, the Consultant
22 certifies and represents that the Consultant will comply with the EBO. The
23 Consultant agrees to post the following statement in conspicuous places at its place
24 of business available to employees and applicants for employment:

25 "During the performance of a contract with the City of Long Beach, the
26 Consultant will provide equal benefits to employees with spouses and its
27 employees with domestic partners. Additional information about the City of
28 Long Beach's Equal Benefits Ordinance may be obtained from the City of

1 Long Beach Business Services Division at 562-570-6200."

2 B. The failure of the Consultant to comply with the EBO will be
3 deemed to be a material breach of the Agreement by the City.

4 C. If the Consultant fails to comply with the EBO, the City may
5 cancel, terminate or suspend the Agreement, in whole or in part, and monies due or
6 to become due under the Agreement may be retained by the City. The City may
7 also pursue any and all other remedies at law or in equity for any breach.

8 D. Failure to comply with the EBO may be used as evidence
9 against the Consultant in actions taken pursuant to the provisions of Long Beach
10 Municipal Code 2.93 et seq., Contractor Responsibility.

11 E. If the City determines that the Consultant has set up or used its
12 contracting entity for the purpose of evading the intent of the EBO, the City may
13 terminate the Agreement on behalf of the City. Violation of this provision may be
14 used as evidence against the Consultant in actions taken pursuant to the provisions
15 of Long Beach Municipal Code section 2.93 et seq., Contractor Responsibility.

16 22. NOTICES. Any notice or approval required by this Agreement shall
17 be in writing and personally delivered or deposited in the U.S. Postal Service, first class,
18 postage prepaid, addressed to Consultant at the address first stated above, and to the City
19 at 411 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager with a
20 copy to the City Engineer at the same address. Notice of change of address shall be given
21 in the same manner as stated for other notices. Notice shall be deemed given on the date
22 deposited in the mail or on the date personal delivery is made, whichever occurs first.

23 23. COPYRIGHTS AND PATENT RIGHTS.

24 A. Consultant shall place the following copyright protection on all
25 Data: © City of Long Beach, California _____, inserting the appropriate year.

26 B. City reserves the exclusive right to seek and obtain a patent or
27 copyright registration on any Data or other result arising from Consultant's
28 performance of this Agreement. By executing this Agreement, Consultant assigns

1 any ownership interest Consultant may have in the Data to the City.

2 C. Consultant warrants that the Data does not violate or infringe
3 any patent, copyright, trade secret or other proprietary right of any other party.
4 Consultant agrees to and shall protect, defend, indemnify and hold City, its officials
5 and employees harmless from any and all claims, demands, damages, loss, liability,
6 causes of action, costs or expenses (including reasonable attorneys' fees) whether
7 or not reduced to judgment, arising from any breach or alleged breach of this
8 warranty.

9 24. COVENANT AGAINST CONTINGENT FEES. Consultant warrants
10 that Consultant has not employed or retained any entity or person to solicit or obtain this
11 Agreement and that Consultant has not paid or agreed to pay any entity or person any fee,
12 commission, or other monies based on or from the award of this Agreement. If Consultant
13 breaches this warranty, City shall have the right to terminate this Agreement immediately
14 notwithstanding the provisions of Section 10 or, in its discretion, to deduct from payments
15 due under this Agreement or otherwise recover the full amount of the fee, commission, or
16 other monies.

17 25. WAIVER. The acceptance of any services or the payment of any
18 money by City shall not operate as a waiver of any provision of this Agreement or of any
19 right to damages or indemnity stated in this Agreement. The waiver of any breach of this
20 Agreement shall not constitute a waiver of any other or subsequent breach of this
21 Agreement.

22 26. CONTINUATION. Termination or expiration of this Agreement shall
23 not affect rights or liabilities of the parties which accrued pursuant to Sections 7, 10, 11,
24 17, 19, 22, and 28 prior to termination or expiration of this Agreement.

25 27. TAX REPORTING. As required by federal and state law, City is
26 obligated to and will report the payment of compensation to Consultant on Form 1099-
27 Misc. Consultant shall be solely responsible for payment of all federal and state taxes
28 resulting from payments under this Agreement. Consultant shall submit Consultant's

1 Employer Identification Number (EIN), or Consultant's Social Security Number if
2 Consultant does not have an EIN, in writing to City's Accounts Payable, Department of
3 Financial Management. Consultant acknowledges and agrees that City has no obligation
4 to pay Consultant until Consultant provides one of these numbers.

5 28. ADVERTISING. Consultant shall not use the name of City, its officials
6 or employees in any advertising or solicitation for business or as a reference, without the
7 prior approval of the City Manager or designee.

8 29. AUDIT. City shall have the right at all reasonable times during the
9 term of this Agreement and for a period of five (5) years after termination or expiration of
10 this Agreement to examine, audit, inspect, review, extract information from, and copy all
11 books, records, accounts, and other documents of Consultant relating to this Agreement.

12 30. THIRD PARTY BENEFICIARY. This Agreement is not intended or
13 designed to or entered for the purpose of creating any benefit or right for any person or
14 entity of any kind that is not a party to this Agreement.

1. OVERVIEW OF PROJECT

I. INTRODUCTION

The City of Long Beach (City) is soliciting proposals from a qualified civil engineering consultant with expertise in developing and updating Pavement Management Systems to update the City's Pavement Maintenance Management System (PMMS) and generate a new Pavement Management Program (PMP) report. The most recent pavement condition survey was completed in 2018. This RFP covers all of the City's 800 centerline miles of paved streets (varying in width from 20 to 110 feet) and approximately 200 miles of alleys (varying in width from 10 to 24 feet) within the City's 50 square mile area limits to be surveyed. The PMMS uses over 6,400 pavement segments of various widths and lengths to identify its maintained pavements. A copy of the City's current Lucity Database is attached to this RFP as Appendix A. Also, attached as Appendix B is a table of Work Scope Deliverables and Milestones to be completed and returned with each proposal.

II. OBJECTIVE

Preserving our neighborhoods is a key element of the Long Beach Strategic Plan, which has as part of its goals to rehabilitate the City's streets. The City's Street Rehabilitation Program is designed to meet that goal. The program delivers improvements that typically includes, but is not limited to, reconstruction and resurfacing of major and secondary highways and residential streets, repair or reconstruction of sidewalks, access ramps, curbs, and gutters. The City utilizes its pavement management program (PMP) to plan, budget and manage the maintenance, repair, rehabilitation, and/or replacement of the City's roadway system.

In 2016, City of Long Beach voters approved Measure A, a temporary 1% sales tax which is anticipated to raise \$384 million over ten years, which provides \$150 million of funding towards Citywide infrastructure for streets, public facilities, and parks. Based on the anticipated tax income, the City's existing Infrastructure Investment Plan (IIP) was developed and considered during the rehabilitation selection process. These infrastructure improvements were identified on an IIP Map located at:

<http://uatprod.longbeach.gov/globalassets/city-manager/media-library/documents/measure-a/infrastructure-plan-map/>. This map represents a commitment made to the voters and as such, street segments identified on this map were prioritized during the selection process where feasible. The IIP was updated during the start of Fiscal Year 2018 and included additional commitments for Senate Bill 1 (SB1) and Measure M funded projects. Although identification of the street segments on the IIP are not directly related to functional class, categorization of street segments based on the IIP is necessary to ensure that the rehabilitation selection process is in alignment with the City's adopted Budget and Capital Improvement Program (CIP) and the funding sources and programs therein.

The IIP is used in conjunction with the City's PMP. In contrast with the PMP, which is a guidance document, the IIP is a commitment made to the voters in conjunction with Measure A and **MUST** be implemented first to demonstrate alignment and transparency according to the commitment made to voters.

III. PROGRAM

The City budgets approximately \$38 million annually to maintain approximately 800 major and secondary centerline-miles of paved streets and approximately 200 miles of alleys within the City's 50 square mile area. The City's street Capital Improvement Program (CIP) generally consists of a grind and overlay, and a slurry seal when applicable on streets that exhibit extensive alligator cracking and/or raveling, and other improvements related to complete streets elements such as sidewalk, curb ramp, curb & gutter, bus pad, alley entrance, driveway, utility related adjustment, tree trimming, root shaving, stump removal, mobility, pedestrian, bike lanes, road diets, transit, striping, signage and curb painting. Historically, the design life of a roadway in Long Beach has been shortened due to upheaval of the pavement section by the root systems of the City's many parkway trees. Bus traffic, heavy hauling, construction, commuter, and residential traffic are typical users of the City's roadway network.

The City is seeking the services of a Consultant to update its existing pavement management program as follows:

- A. Creating a database of local streets for each of the nine City Council Districts of the City and separate city-wide database of the City's Local/Residential/Collector streets and Major/Secondary highways.
- B. Determining the present performance status of each roadway (segment by segment) which includes the preparation of field data inventory logs.
- C. Identifying and determining a preventive maintenance program for the roadway network with respect to City's five-year budget forecast that may be dynamically and specifically adjusted for each of the nine City Council Districts and the city-wide Major and Secondary Highways. The followings should be addressed in this preventive maintenance program:
 1. The five-year forecast should only forecast streets identified on the City's Infrastructure Investment Plan (IIP).
 2. Consultant shall revisit priority factors and include schools, public facilities, etc. as a factor when programming streets.
 3. Consultant shall also include an overriding factor for Project Coordination of already planned, or mandatory schedule, projects.
- D. Identifying the feasible rehabilitation alternatives per street segment.

Consultants shall provide three recommendations per segment:

1. Recommended
2. Budget solution
3. Stop-gap (absolute minimum)

Rehabilitation alternatives shall include pricing factors (or separate columns) for the following components:

1. ADA (ADA transition plan)

City of Long Beach
Purchasing Division
411 West Ocean Boulevard, 6th Floor
Long Beach, CA 90802

2. Sidewalk (ADA transition plan)
3. Mobility (Mobility Element and Bike Master Plan)

- E. Preparing a five-year rehabilitation program for each of the nine City Council Districts and a separate city-wide rehabilitation program for the City's Major and Secondary Highways, and Residential Streets the needed street segments with respect to the City's budget forecasts, and an optimum financial plan that will be required to maintain desired acceptable pavement serviceability.

Each District should have their own separate five-year plan with:

- Major/Secondary
- Residential

Each District needs to be allocated a percentage of the budget according to need. Then each District budget will be broken down further into:

- Major/Secondary
- Residential

- F. Forecasting future pavement performance for each street segment. The forecasting shall be compiled into separate databases for each of the nine City Council Districts of the City and a separate city-wide database of the City's Major and Secondary Highways. The forecast should include impact of utility cuts, trucking, refuse and construction vehicles on our roadway network, the affected area, effect on service life, and financial impact. The consultant also shall provide recommendation for implementation of a Street Damage Restoration Fee for above mentioned impacts.

3. SCOPE OF PROJECT

The Consultant shall furnish all services as required to update, develop and implement a fully functioning computerized PMP, and complete with all deliverables identified in Appendix B. Following general tasks descriptions and the tasks of Appendix B must be included in the work scope of the Narrative/Technical Proposal.

Currently, the City is using Lucity for managing the existing PMP. Consultants are encouraged to propose and utilize Lucity or similar software in nature for their analysis, such as MicroPAVER, StreetSaver, or equivalent, that matches or exceeds the performance and flexibility of Lucity.

Consultant shall perform the following activities:

- Meet with City staff to review schedule, budget, project documents, project goals, format of deliverable and clarify responsibility of each party.
- Develop a Quality Assurance/Quality Control Plan for the project.
- Review all maintenance and rehabilitation activities conducted by the City since the last PMP update. Update the City's GIS database to include all street segments that have been rehabilitated since last update. City staff will provide an electronic copy of its current Lucity database files and a list of streets overlaid, reconstructed or slurry sealed since last update.
- Conduct Pavement Condition Survey (PCS)
 - a. Conduct automated collection of field data to perform a PCS of local, residential and collector streets, and major and secondary highways, for both asphalt and concrete roadways. The automated data collection shall follow the typical five-step methodology:
 - i. Inventory: The entire City's street network, including alleys.
 - ii. Routing: Prior to performing the survey of the pavement sections, all street segments in the network are to be routed to ensure the most efficient way for the survey team to capture accurate pavement data. Routing must include consideration of night work and coordination with the City's street sweeping parking restrictions.
 - iii. Survey (Gathering the Data): Data collection is to be performed utilizing an automated van or other vehicle designed to collect pavement distress data. Typical equipment includes: computerized work station, cameras to take digital images of the street surface, and lasers to capture rutting, surface distress and roadway roughness.
 - iv. Data Processing: The pavement distress information is to be analyzed to determine type, quantity and severity.

City of Long Beach
Purchasing Division
411 West Ocean Boulevard, 6th Floor
Long Beach, CA 90802

- v. Pavement Analysis: The processed pavement distress information is to be analyzed to calculate surface distress index, roughness index, which then will be used to calculate the Pavement Condition Index (PCI) for the pavement. Life Cycle curves are to be developed and the critical PCI established using the critical PCI method.

Currently the City uses the Laser Road Surface Tester (Laser RST) as the automated system for pavement condition survey, which is mounted on a van.

- b. Perform automated inspection of the entire pavement area and surrounding off-site areas, including, without limitation, adjacent intersecting pavement, roadways, and slopes that may influence the pavement.
 - c. Conduct deflection method or similar testing of road pavement for evaluating pavement strength and calculate Structural Index of pavement. During the last phase, Dynaflect device was used by the consultant for this purpose, and calculated Structural Index values were incorporated into PCI calculation.
 - d. Identify the following in areas of distress:
 - i. Types of distress and failure.
 - ii. Severity of distress and failure
 - iii. Extent of distress and failure
 - e. Perform a continuous objective pavement crack survey to measure the amount of transverse, longitudinal and alligator pavement cracking present. The Consultant shall classify pavement cracking according to the severity and extent of the cracking over the entire length of each pavement segment.
 - f. Identify any areas that include poor construction of the original pavement installation or subsequent repairs; identify any open joints.
 - g. Create and populate city's existing database (or more recent version as directed by the city) including confirming/updating physical characteristics, pavement distress types, historical information and street classifications, etc.
 - h. PCI block-by-block or at break points established by the City. All personnel and equipment to update the PCS are to be provided in the proposal.
- Identify and determine a Preventative Maintenance Program and Rehabilitation Strategy

The Consultant shall identify the type of maintenance, rehabilitation, or replacement treatments required for each street segment and the estimated cost for performing these alternative treatments. Consultant shall analyze each street segment in a detailed decision tree for the City's own procedures and maintenance activities. Required maintenance and rehabilitation

City of Long Beach
Purchasing Division

Long Beach, CA 90802

treatments shall include, without limitation, details such as level of pavement structural repair or surface repairs required before surface treatments and overlays are performed. The Consultant shall meet with the City Engineer to determine the City's current practice of pavement treatment. Consultant shall analyze the City's treatment practices and set up the decision trees within pavement management software to provide compatible recommendations. This analysis shall also include minor maintenance treatments such as recommending and costing the repair of individual pavement distresses, which are identified in the distress survey.

A list of total street network needs shall be generated within the pavement management program and included in the Final Report for the Project. These current needs shall be analyzed and discussed in the Final Report. The engineering basis to support the estimates shall also be provided. Network conditions, needs and costs shall be input so that they can be viewed in pavement management software.

- Identify Rehabilitation Priorities

Consultant shall provide the City several sets of priority and benefit/cost analyses listings for determining project order and timing. Methods used for the analyses shall be based on discussions held with City staff regarding the City's needs, desires and policies for setting street maintenance priorities. Consultant shall provide an engineering discussion with the priority listings in the Final Report. This discussion shall analyze each of the options and make recommendations as to the best prioritization methodology to be used by the City.

- Prepare a Five-Year Rehabilitation Program

The Consultant shall generate a Five-Year Plan for performing maintenance and rehabilitation projects. The Five-Year Plan supplements any current plans previously established by the City. The Consultant shall estimate deterioration each year for all street segments and then recompute for available funds for the remaining years in the analysis period. The Five-Year Plan and background analysis shall be presented in the Final Report along with an engineering discussion regarding the use and implementation of the Five-Year Plan.

- Financial Planning

Consultant shall hold meetings with City staff to define the budget sources. The Consultant shall train City staff in the setup of the street project budget within pavement management software. Consultant shall determine various pavement treatment unit costs that City may utilize and shall enter them into the pavement management software. The Consultant shall recommend the required maintenance and rehabilitation treatments, and provide an estimate of the cost for the activities. The City will determine how to present these costs in the pavement management software by individual segments or summed across different surface types, functional classifications, total network, or any other way. The recommended treatments for the individual segments shall be shown in priority order to indicate which costs should be incurred first.

- Prepare Final Report

City of Long Beach
Purchasing Division
411 West Ocean Boulevard, 6th Floor
Long Beach, CA 90802

The Consultant shall prepare a Final Report. The report shall include, without limitation, the methods, findings and recommendations of the Consultant. The report shall be presented in a single comprehensive document, which should include findings generated as part of other tasks described herein. The Consultant shall include clear and legible colored map exhibits as part of the report. One set of the Final Report deliverables shall consist of one original set of all documents in a three-ring binder, or multiple three-ring binders acceptable to the City, as well as ten (10) separately bound PMPs that are comprised of the following:

1. One City-wide PMP of secondary arterials, major arterials, and the City-owned freeway
2. One local street PMP for each of the nine (9) City Council Districts

In addition, a total of three (3) sets of copies of a "Preliminary" Final Report shall be submitted to the City for review. Upon City approval to finalize the Final Report, one original set of documents together with eight (8) bound sets of the Final Report shall be furnished to the City as follows:

1. Eight (8) City-wide PMPs of secondary arterials, major arterials, and the City-owned freeway
2. Eight (8) local street PMPs for each of the nine (9) City Council Districts

- Mapping

The Consultant must provide hard-copy color coded maps of streets, including street names, depicting varying ranges of overall condition index using criteria based upon data values. Maps showing the attribute information as described in this project will be generated and included as an appendix to the Final Report. The Consultant shall also provide three (3) sets of mylar "Wall" maps with various attribute information, which shall include, but not limited to Street PCI, and 5 years' rehabilitation program. Consultant shall also submit their electronic GIS data files along with online access to GIS database by City Staff, with ability to add fields for City Comment/Input.

- Staff Training and Workstation

Two (2) workstations for use of City of Long Beach staffs shall be provided by Consultant. The workstations shall have the necessary software/program to perform independent analysis or QA/QC check of consultant's PMP, and shall meet the minimum hardware requirements to adequately perform the analysis. The minimum hardware requirements shall be CPU of 2GHZ with 4 cores, 8 GB of RAM, and 50 GB of Storage,

WHEREAS, the City requires specialized services requiring unique skills to be performed in connection with _____ ("Project"); and

WHEREAS, City has selected Consultant in accordance with City's administrative procedures and City has determined that Consultant and its employees are qualified, licensed, if so required, and experienced in performing these specialized services; and

WHEREAS, City desires to have Consultant perform these specialized services, and Consultant is willing and able to do so on the terms and conditions in this Agreement;

NOW, THEREFORE, in consideration of the mutual terms, covenants, and conditions in this Agreement, the parties agree as follows:

3 this Agreement. For the purposes of this Section, a fiscal year commences on
4 October 1 of the year and continues through September 30 of the following year. In

16 on the invoices that Consultant has performed the services in full conformance with
17 this Agreement and is entitled to receive payment. Each invoice shall be
18 accompanied by a progress report indicating the progress to date of services
19 performed and covered by the invoice, including a brief statement of any Project
20 problems and potential causes of delay in performance, and listing those services
21 that are projected for performance by Consultant during the next invoice cycle.
22 Where billing is done and payment is made on an hourly basis, the parties
23 acknowledge that this arrangement is either customary practice for Consultant's
24 profession, industry, or business, or is necessary to satisfy audit and legal
25 requirements which may arise due to the fact that City is a municipality.

26 E. Consultant represents that Consultant has obtained all
27 necessary information on conditions and circumstances that may affect its
28 performance and has conducted site visits, if necessary.

14 Project. City shall furnish to Consultant information or materials, if any, described
15 in Exhibit "D" attached to this Agreement and incorporated by this reference, and
16 shall perform any other tasks described in the Exhibit.

17 B. The parties acknowledge that a substantial inducement to City
18 for entering this Agreement was and is the reputation and skill of Consultant's key
19 employee, named in Exhibit "E" attached to this Agreement and incorporated by this
20 reference. City shall have the right to approve any person proposed by Consultant
21 to replace that key employee.

22 4. INDEPENDENT CONTRACTOR. In performing its services,
23 Consultant is and shall act as an independent contractor and not an employee,
24 representative, or agent of City. Consultant shall have control of Consultant's work and
25 the manner in which it is performed. Consultant shall be free to contract for similar services
26 to be performed for others during this Agreement provided, however, that Consultant acts
27 in accordance with Section 9 and Section 11 of this Agreement. Consultant acknowledges
28 and agrees that a) City will not withhold taxes of any kind from Consultant's compensation,

b) City will not secure workers' compensation or pay unemployment insurance to, for or on Consultant's behalf, and c) City will not provide and Consultant is not entitled to any of the usual and customary rights, benefits or privileges of City employees. 20 amount, scope, or types of coverages are not adequate.

21 H. The procuring or existence of insurance shall not be construed
22 or deemed as a limitation on liability relating to Consultant's performance or as full
23 performance of or compliance with the indemnification provisions of this Agreement.

24 6. ASSIGNMENT AND SUBCONTRACTING. This Agreement
25 contemplates the personal services of Consultant and Consultant's employees, and the
26 parties acknowledge that a substantial inducement to City for entering this Agreement was
27 and is the professional reputation and competence of Consultant and Consultant's
28 employees. Consultant shall not assign its rights or delegate its duties under this

1 Agreement, or any interest in this Agreement, or any portion of it, without the prior approval
2 of City, except that Consultant may with the prior approval of the City Manager of City,

12 certifies that, at the time Consultant executes this Agreement and for its duration,
13 Consultant does not and will not perform services for any other client which would create
14 a conflict, whether monetary or otherwise, as between the interests of City and the interests
15 of that other client. Consultant further certifies that Consultant does not now have and shall
16 not acquire any interest, direct or indirect, in the area covered by this Agreement or any
17 other source of income, interest in real property or investment which would be affected in
18 any manner or degree by the performance of Consultant's services hereunder. And,
19 Consultant shall obtain similar certifications from Consultant's employees, subconsultants
20 and contractors.

21 8. MATERIALS. Consultant shall furnish all labor and supervision,
22 supplies, materials, tools, machinery, equipment, appliances, transportation, and services

4 for any purpose without payment of further compensation to Consultant. Copies of Data
5 may be retained by Consultant but Consultant warrants that Data shall not be made
6 available to any person or entity for use without the prior approval of City. This warranty
7 shall survive termination of this Agreement for five (5) years.

8 10. TERMINATION. Either party shall have the right to terminate this
9 Agreement for any reason or no reason at any time by giving fifteen (15) calendar days
10 prior written notice to the other party. In the event of termination under this Section, City
11 shall pay Consultant for services satisfactorily performed and costs incurred up to the
12 effective date of termination for which Consultant has not been previously paid. The
13 procedures for payment in Section 1.B. with regard to invoices shall apply. On the effective
14 date of termination, Consultant shall deliver to City all Data developed or accumulated in
15 the performance of this Agreement, whether in draft or final form, or in process. And,
16 Consultant acknowledges and agrees that City's obligation to make final payment is
17 conditioned on Consultant's delivery of the Data to the City.

18 11. CONFIDENTIALITY. Consultant shall keep the Data confidential and
19 shall not disclose the Data or use the Data directly or indirectly other than in the course of
20 performing its services, during the term of this Agreement and for five (5) years following
21 expiration or termination of this Agreement. In addition, Consultant shall keep confidential
22 all information, whether written, oral, or visual, obtained by any means whatsoever in the
23 course of performing its services for the same period of time. Consultant shall not disclose
24 any or all of the Data to any third party, or use it for Consultant's own benefit or the benefit
25 of others except for the purpose of this Agreement.

26 12. BREACH OF CONFIDENTIALITY. Consultant shall not be liable for
27 a breach of confidentiality with respect to Data that: (a) Consultant demonstrates
28 Consultant knew prior to the time City disclosed it; or (b) is or becomes publicly available

1 without breach of this Agreement by Consultant; or (c) a third party who has a right to
2 disclose does so to Consultant without restrictions on further disclosure; or (d) must be
3 disclosed pursuant to subpoena or court order.

4 13. ADDITIONAL COSTS AND REDESIGN.

5 A. Any costs incurred by the City due to Consultant's failure to
6 meet the standards required by the scope of work or Consultant's failure to perform
7 fully the tasks described in the scope of work which, in either case, causes the City
8 to request that Consultant perform again all or part of the Scope of Work shall be at
9 the sole cost of Consultant and City shall not pay any additional compensation to
10 Consultant for its re-performance.

11 B. If the Project involves construction and the scope of work
12 requires Consultant to prepare plans and specifications with an estimate of the cost
13 of construction, then Consultant may be required to modify the plans and
14 specifications, any construction documents relating to the plans and specifications,
15 and Consultant's estimate, at no cost to City, when the lowest bid for construction
16 received by City exceeds by more than ten percent (10%) Consultant's estimate.
17 This modification shall be submitted in a timely fashion to allow City to receive new
18 bids within four (4) months after the date on which the original plans and
19 specifications were submitted by Consultant.

20 14. AMENDMENT. This Agreement, including all Exhibits, shall not be
21 amended, nor any provision or breach waived, except in writing signed by the parties which
22 expressly refers to this Agreement.

23 15. LAW. This Agreement shall be governed by and construed pursuant
24 to the laws of the State of California (except those provisions of California law pertaining
25 to conflicts of laws). Consultant shall comply with all laws, ordinances, rules and
26 regulations of and obtain all permits, licenses, and certificates required by all federal, state
27 and local governmental authorities.

28 16. ENTIRE AGREEMENT. This Agreement, including all Exhibits,

1 constitutes the entire understanding between the parties and supersedes all other
2 agreements, oral or written, with respect to the subject matter in this Agreement.

3 17. INDEMNITY.

4 A. Consultant shall indemnify, protect and hold harmless City, its
5 Boards, Commissions, and their officials, employees and agents ("Indemnified
6 Parties"), from and against any and all liability, claims, demands, damage, loss,
7 obligations, causes of action, proceedings, awards, fines, judgments, penalties,
8 costs and expenses, arising or alleged to have arisen, in whole or in part, out of or
9 in connection with (1) Consultant's breach or failure to comply with any of its
10 obligations contained in this Agreement, or (2) negligent or willful acts, errors,
11 omissions or misrepresentations committed by Consultant, its officers, employees,
12 agents, subcontractors, or anyone under Consultant's control, in the performance
13 of work or services under this Agreement (collectively "Claims" or individually
14 "Claim").

15 B. In addition to Consultant's duty to indemnify, Consultant shall
16 have a separate and wholly independent duty to defend Indemnified Parties at
17 Consultant's expense by legal counsel approved by City, from and against all
18 Claims, and shall continue this defense until the Claims are resolved, whether by
19 settlement, judgment or otherwise. No finding or judgment of negligence, fault,
20 breach, or the like on the part of Consultant shall be required for the duty to defend
21 to arise. City shall notify Consultant of any Claim, shall tender the defense of the
22 Claim to Consultant, and shall assist Consultant, as may be reasonably requested,
23 in the defense.

24 C. If a court of competent jurisdiction determines that a Claim was
25 caused by the sole negligence or willful misconduct of Indemnified Parties,
26 Consultant's costs of defense and indemnity shall be (1) reimbursed in full if the
27 court determines sole negligence by the Indemnified Parties, or (2) reduced by the
28 percentage of willful misconduct attributed by the court to the Indemnified Parties.

1 D. To the extent this Agreement is a professional service
2 agreement for work or services performed by a design professional (architect,
3 landscape architect, professional engineer or professional land surveyor), the
4 provisions of this Section regarding Consultant's duty to defend and indemnify shall
5 be limited as provided in California Civil Code Section 2782.8, and shall apply only
6 to Claims that arise out of, pertain to, or relate to the negligence, recklessness, or
7 willful misconduct of the Consultant.

8 E. The provisions of this Section shall survive the expiration or
9 termination of this Agreement.

10 18. AMBIGUITY. In the event of any conflict or ambiguity between this
11 Agreement and any Exhibit, the provisions of this Agreement shall govern.

12 19. NONDISCRIMINATION.

13 A. In connection with performance of this Agreement and subject
14 to applicable rules and regulations, Consultant shall not discriminate against any
15 employee or applicant for employment because of race, religion, national origin,
16 color, age, sex, sexual orientation, gender identity, AIDS, HIV status, handicap, or
17 disability. Consultant shall ensure that applicants are employed, and that employees
18 are treated during their employment, without regard to these bases. These actions
19 shall include, but not be limited to, the following: employment, upgrading, demotion
20 or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay
21 or other forms of compensation, and selection for training, including apprenticeship.

22 B. It is the policy of City to encourage the participation of
23 Disadvantaged, Minority and Women-owned Business Enterprises in City's
24 procurement process, and Consultant agrees to use its best efforts to carry out this
25 policy in its use of subconsultants and contractors to the fullest extent consistent
26 with the efficient performance of this Agreement. Consultant may rely on written
27 representations by subconsultants and contractors regarding their status.
28 Consultant shall report to City in May and in December or, in the case of short-term

1 agreements, prior to invoicing for final payment, the names of all subconsultants
2 and contractors hired by Consultant for this Project and information on whether or
3 not they are a Disadvantaged, Minority or Women-Owned Business Enterprise, as
4 defined in Section 8 of the Small Business Act (15 U.S.C. Sec. 637).

6 accordance with the provisions of the Ordinance, this Agreement is subject to the
7 applicable provisions of the Equal Benefits Ordinance (EBO), section 2.73 et seq. of the
8 Long Beach Municipal Code, as amended from time to time.

9 A. During the performance of this Agreement, the Consultant
10 certifies and represents that the Consultant will comply with the EBO. The
11 Consultant agrees to post the following statement in conspicuous places at its place
12 of business available to employees and applicants for employment:

13 "During the performance of a contract with the City of Long Beach, the
14 Consultant will provide equal benefits to employees with spouses and its
15 employees with domestic partners. Additional information about the City of
16 Long Beach's Equal Benefits Ordinance may be obtained from the City of
17 Long Beach Business Services Division at 562-570-6200."

18 B. The failure of the Consultant to comply with the EBO will be
19 deemed to be a material breach of the Agreement by the City.

20 C. If the Consultant fails to comply with the EBO, the City may
21 cancel, terminate or suspend the Agreement, in whole or in part, and monies due or
22 to become due under the Agreement may be retained by the City. The City may
23 also pursue any and all other remedies at law or in equity for any breach.

24 D. Failure to comply with the EBO may be used as evidence
25 against the Consultant in actions taken pursuant to the provisions of Long Beach
26 Municipal Code 2.93 et seq., Contractor Responsibility.

27 E. If the City determines that the Consultant has set up or used its
28 contracting entity for the purpose of evading the intent of the EBO, the City may

1 terminate the Agreement on behalf of the City. Violation of this provision may be
2 used as evidence against the Consultant in actions taken pursuant to the provisions
3 of Long Beach Municipal Code section 2.93 et seq., Contractor Responsibility.

4 21. NOTICES. Any notice or approval required by this Agreement shall
5 be in writing and personally delivered or deposited in the U.S. Postal Service, first class,
6 postage prepaid, addressed to Consultant at the address first stated above, and to the City

8 copy to the City Engineer at the same address. Notice of change of address shall be given
9 in the same manner as stated for other notices. Notice shall be deemed given on the date
10 deposited in the mail or on the date personal delivery is made, whichever occurs first.

11 22. COPYRIGHTS AND PATENT RIGHTS.

12 A. Consultant shall place the following copyright protection on all
13 Data: © City of Long Beach, California ____, inserting the appropriate year.

14 B. City reserves the exclusive right to seek and obtain a patent or
15 copyright registration on any Data or other result arising from Consultant's
16 performance of this Agreement. By executing this Agreement, Consultant assigns
17 any ownership interest Consultant may have in the Data to the City.

18 C. Consultant warrants that the Data does not violate or infringe
19 any patent, copyright, trade secret or other proprietary right of any other party.
20 Consultant agrees to and shall protect, defend, indemnify and hold City, its officials
21 and employees harmless from any and all claims, demands, damages, loss, liability,

23 or not reduced to judgment, arising from any breach or alleged breach of this
24 warranty.

25 23. COVENANT AGAINST CONTINGENT FEES. Consultant warrants
26 that Consultant has not employed or retained any entity or person to solicit or obtain this
27 Agreement and that Consultant has not paid or agreed to pay any entity or person any fee,
28 commission, or other monies based on or from the award of this Agreement. If Consultant

1 breaches this warranty, City shall have the right to terminate this Agreement immediately
2 notwithstanding the provisions of Section 10 or, in its discretion, to deduct from payments
3 due under this Agreement or otherwise recover the full amount of the fee, commission, or
4 other monies.

5 24. WAIVER. The acceptance of any services or the payment of any
6 money by City shall not operate as a waiver of any provision of this Agreement or of any
7 right to damages or indemnity stated in this Agreement. The waiver of any breach of this
8 Agreement shall not constitute a waiver of any other or subsequent breach of this
9 Agreement.

10 25. CONTINUATION. Termination or expiration of this Agreement shall
11 not affect rights or liabilities of the parties which accrued pursuant to Sections 7, 10, 11,
12 17, 19, 22, and 28 prior to termination or expiration of this Agreement.

13 26. TAX REPORTING. As required by federal and state law, City is

EQUAL BENEFITS ORDINANCE DISCLOSURE FORM

As a condition of being awarded a contract with the City of Long Beach (City), the selected Contractor/Vendor ("Contractor") may be required during the performance of the Contract, to comply with the City's nondiscrimination provisions of the Equal Benefits Ordinance (EBO) set forth in the Long Beach Municipal Code section 2.73 et seq. The EBO requires that during the performance of the contract, the Contractor shall provide equal benefits to its employees with spouses and employees with domestic partners. Benefits include but are not limited to, health benefits, bereavement leave, family medical leave, membership and membership discounts, moving expenses, retirement benefits and travel benefits. Cash equivalent payment is permitted if an employer has made all reasonable efforts to provide domestic partners with access to benefits but is unable to do so. A situation in which a cash equivalent payment might be used if where the employer has difficulty finding an insurance provider that is willing to provide domestic partner benefits.

The EBO is applicable to the following employers:

- For-profit employers that have a contract with the City for the purchase of goods, services, public works or improvements and other construction projects in the amount of \$100,000 or more
- For-profit entities that generate \$350,000 or more in annual gross receipts leasing City property pursuant to a written agreement for a term exceeding 29 days in any calendar year

Contractors who are subject to the EBO must certify to the City before execution of the contract that they are in compliance with the EBO by completing the EBO Certification Form, attached, or that the City has issued them a waiver. Contractors must also allow authorized City representatives access to records so the City can verify compliance with the EBO.

The EBO includes provisions that address difficulties associated with implementing procedures to comply with the EBO. Contractors can delay implementation of procedures to comply with the EBO in the following circumstances:

- 1) By the first effective date after the first open enrollment process following the contract start date, not to exceed two years, if the Contractor/vendor submits evidence of taking reasonable measures to comply with the EBO; or
- 2) At such time that the administrative steps can be taken to incorporate nondiscrimination in benefits in the Contractor/vendor's infrastructure, not to exceed three months; or
- 3) Upon expiration of the Contractor's current collective bargaining agreement(s).

Compliance with the EBO

If a Contractor has not received a waiver from complying with the EBO and the timeframe within which it can delay implementation has expired but it has failed to comply with the EBO, the Contractor may be deemed to be in material breach of the Contract. In the event of a material breach, the City may cancel, terminate, or suspend the City agreement, in whole or in part. The City also may deem the Contractor an irresponsible bidder and disqualify the Contractor from contracting with the City for a period of three years. In addition, the City may assess liquidated damages against the Contractor, which may be deducted from money otherwise due the Contractor. The City may also pursue any other remedies available at law or in equity.

By my signature below, I acknowledge that the Contractor understands that to the extent it is subject to the provisions of the Long Beach Municipal Code section 2.73, the Contractor shall comply with this provision.
