RE: Standing Committees, Authorities & Memberships

Dear Colleagues,

I am pleased to recommend the following two interim appointments (until the next mayoral appointments) to represent the City of Long Beach:

- Councilmember Frank Colonna, to serve as the City's representative to the Los Cerritos Wetlands Joint Powers Authority (see background information attached);
- Councilmember Tonia Reyes Uranga -- to serve as the City's Alternate on the Los Angeles County Sanitation Board (Dan Baker's vacancy).

Recommended Action

Approve the interim appointments as recommended.
