

eComments Report for City Council Meeting Agenda of August 16, 2016

Item	Name	E-mail	Street	Neighborhood	City	State	Zip	Comment	Received
24. (16-0763) Recommendation to adopt Specifications No. RFQ AP16-105 and award a contract to HNTB Corporation, of Kansas City, MO, and Jacobs Engineering Group Inc., of Pasadena, CA, for as-needed Design Engineering, Construction Management, and other related services at the Long Beach Airport, in an aggregate amount not to exceed \$5,000,000, for a period of four years, with the option to renew for two additional one-year periods, including any necessary amendments thereto, provided that the total aggregate amount is not exceeded. (District 5)	Rae Gabelich	hoorae1@aol.com			Long Beach	CA	90805	Both of these companies are leading or directly involved in the outcome of the LGB/FIS study. They should not qualify for any related projects at LGB. This has the appearance of conflict of interest and setting the stage prior to, a yet to be disclosed, council decision. At the very least, an amendment to this item should stipulate that they will not be granted work on any facet of the requested customs facility should 5 council members decide to support additional growth at LGB.	8/14/2016
