17. (22-0786) Recommendation to authorize City Manager, or designee, to execute all documents necessary to amend Contract No. 33651 with Howroyd Wright Employment, Inc., dba AppleOne Employment Services, of Long Beach, CA, for temporary staffing services, to increase the contract amount by \$1,759,500, for a new contract amount not to exceed \$22,177,000, and extend the term of the contract to December 31, 2022. (Citywide)	john doe	tispartan@protonmail.com		The economic activity of the country is indicating a recession in the forefront. Reduced job growth will lean out demand for employment services. The increase in contract is it because it's not open for other bidders to compete for this contract that can deliver same services at same or at a lower cost?	7/6/2022
