RESOLUTION NO. RES-17-0080

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LONG BEACH ESTABLISHING A HISTORIC RESOURCES DESIGNATION FOR THE PROPERTY LOCATED AT 362 JUNIPERO AVENUE, AS PRESCRIBED BY CHAPTER 2.63 OF THE LONG BEACH MUNICIPAL CODE TO BE RECORDED PURSUANT TO THE AUTHORITY OF GOVERNMENT CODE SECTION 27288.2 AND PUBLIC RESOURCES CODE SECTION 5029

The City Council of the City of Long Beach does hereby resolve as follows:

Section 1. This Resolution is adopted pursuant to the authority and mandate of California Public Resources Code Section 5029 in order to provide recorded notice to current and future owners of the affected properties that such properties have been designated as historical landmarks.

Section 2. Pursuant to Chapter 2.63 of the Long Beach Municipal Code, the City Council of the City of Long Beach has adopted Ordinance No. ORD-17-0017 designating the property located at 362 Junipero Avenue as a local historical landmark. As a local historic landmark, the demolition, alteration, or relocation is restricted, subject to controls and standards set forth in this resolution and in Chapter 2.63 of the Long Beach Municipal Code, as may be amended from time to time.

Section 3. The legal description for the property located at 362 Junipero Avenue is set forth on Exhibit "A", attached hereto and incorporated herein as though set forth in full. The owners of 362 Junipero Avenue are Mark W. Clark and Kathleen M. Clark, Trustees of the Clark Family Trust UDT March 26, 1997.

Section 4. Designation as a Historic Landmark. Pursuant to the provisions of Chapter 2.63 of the Long Beach Municipal Code and upon the

1 recommendation of the Cultural Heritage Commission, the City Council of the City of
2 Long Beach hereby designates the property located at 362 Junipero Avenue as a historic
3 landmark based on satisfying significance criteria A, B and C, as defined in the City's
4 Cultural Heritage Commission Ordinance (Long Beach Municipal Code, Section
5 2.63.050). The designation of 362 Junipero Avenue as a local historic landmark has been
6 codified in Section 16.52.2270 of the Long Beach Municipal Code.

7 A. Located on a corner property within the Carroll Park Historic
8 District, this two-story Craftsman style building maintains a bold visual
9 presence in the neighborhood. Southwest Contractor and Manufacturer
10 reported that plans were prepared by architect C. Ben Sholes in 1912 for
11 Dr. F.L. Rogers. The property is eligible under Criteria A because the
12 structure conveys the period of expansion, seaside resort destination, and
13 the City Beautiful Movement that took place in Long Beach during its
14 construction. The Carroll Park tract included oval shaped subdivisions with
15 winding roads which is reflective of the city Beautiful Movement and
16 Craftsman style that helped shape the picturesque character of Long Beach
17 that drew people to the City. The property is also considered eligible under
18 Criteria B for designation as Dr. Francis I. Rogers, an individual of
19 substantial local significance is associated with this property. Dr. Rogers
20 was recognized as the first ear, nose, and throat doctor in Long Beach and
21 was notable for his extensive charitable works in the City. Dr. Rogers was
22 voted director of the Long Beach Chamber of Commerce in 1922. Dr.
23 Rogers founded reading classes for adults with hearing defects, organized
24 the Long Beach Tuberculosis association in 1910 and was a member of the
25 Board of Freeholders of the City. Mrs. Lillian Rogers acted as president of
26 the Ebell Club from 1914 to 1915 and founded the Browning Society in
27 Long Beach. The Rogers moved to Long Beach with their three children in
28 1905 and commissioned construction of the residence with sleeping

1 porches for the health benefits of the local climate. The structure is also
2 eligible under Criteria C as an exceptional Craftsman style example with it
3 prominent location and imposing front façade consisting of a primary roof
4 gable, centered porch gable, exposed rafters with curved braces, and
5 projecting second-floor gable bay windows. This landmark will be referred
6 to as the “Dr. Francis and Lillian Rogers Residence” if approved.

7 B. Rational for historic landmark designation. The City Council
8 finds that relative to the designation of the subject property/building located
9 at 362 Junipero Avenue as a historic landmark, the following criteria are
10 manifested as set forth in the Long Beach Municipal Code Section 2.63.050
11 based upon the following:

12 A. It is associated with events that have made a significant
13 contribution to the broad patterns of the City’s history; and

14 B. It is associated with the lives of persons significant in the
15 City’s past; and

16 C. It embodies the distinctive characteristics of a type, period, or
17 method of construction, or it represents the work of a master or it possesses high
18 artistic value.

19 Section 5. General guidelines and standards for any changes.

20 A. Any maintenance, repair, stabilization, rehabilitation,
21 restoration, preservation, conservation, or reconstruction work proposed for
22 the building shall be conducted in a manner consistent with the “Secretary
23 of the Interior’s Standards for the Treatment of Historic Properties with
24 Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing
25 Historic Buildings” (1995), by Weeks and Grimmer, as amended, as well as
26 the “Procedures for Certificate of Appropriateness” (the “Standards”) found
27 in Section 2.63.080 of the Long Beach Municipal Code.

28 B. The Standards are incorporated herein by this reference and

1 shall be used as the authoritative guidelines for reviewing and approving
2 any proposed exterior work on the building.

3 C. The provisions of this Resolution shall regulate the building's
4 exterior walls and other external features. There shall be no restrictions on
5 the building's interior.

6 D. Original historic fabric on the exterior of the building shall be
7 executed in a manner that does not materially impair in an adverse manner
8 those physical characteristics of the structure that account for its
9 designation as a City landmark. Any such work must be done in keeping
10 with the building's historic character, period, and architectural style.

11 E. No exterior changes to the building shall be allowed unless an
12 approved Certificate of Appropriateness has been applied for by an
13 applicant and is issued by the City authorizing such environmental change.

14 Section 6. Pursuant to the authority of the Public Resources Code
15 Section 5029 and Government Code Section 27288.2, the City Clerk shall cause a
16 certified copy of this Resolution to be recorded in the Official Records of the County of
17 Los Angeles.

18 Section 7. This Resolution shall take effect on the same date the
19 ordinance referred to in Section 2 of this Resolution becomes effective, and the City Clerk
20 shall certify the vote adopting this Resolution.
