27. (11-1163) Recommendation to request a report from the City Manager, City Attorney and other appropriate staff on the background of the Municipal Code in regards to the overnight closure of parks, the practices of other cities to accommodate the Occupy protestors, and a discussion of options the City may consider to provide a "free speech zone" or other means to address the issue. I have worked in Long Beach, have friends and a daughter in college there, and I am even considering moving to the city. I would like to speak positively for the Occupy people, who I have met after being invited to participate. It is a mixed group of civic minded people, peaceful, and concerned about the bad economy. I am inspired by these folks, whose have taken the future into their own hands. The future is in good hands Please do like Irvine, good folks.	11/15/2011

Martha Thuente	<a href="mailto:msthuyente@hotmail.com">msthuyente@hotmail.com</a>		9th District, Steven Neal	Long Beach	CA	90805	Please vote NO on Item 27. Calling this measure a creation of a "free speech" zone is a misnomer. We already have Free Speech. This proposal is a move to establish an urban campground in our civic center. A campground without proper sanitary facilities, open to all comers; a haven for drifters from anywhere. We do not need a campground that will take our police off of neighborhood patrol to address issues that arise within such a location. Our law now is not broke. Do not fix it. Vote NO!	11/15/2011

Laguna Woods	CA	92637	I support this resistance, Cities suffer out of the same reality that confronts individual citizens, there is a strangle hold on revenue that has occurred because unprecedented wealth has become concentrated in too few hands; with unprecedented wealth comes unprecedented power, under this reality, both city and citizen have been and are injured. Therefore, it is in the very best interest of every city once occupied to work with the occupation and to find reasonable accommodation. It is win-win.	11/13/2011

Some of us hear barking all night in los altos area and can not get any sleep but are hard working taxpayers and voters..yet lb animal control has an awful useless policy and doesnt care about enforcement of barking code abusers.	11/11/2011
