WHEREAS, said DEVELOPER has undertaken to develop the real property designated as Parcel Number 74303, in the City of Long Beach, County of Los Angeles, State of California, described as being a subdivision of lot 9 and 11 of Cedar Heights Tract, as shown on map recorded in Book 11, pages 68 of maps in the office of the County Recorder of said County.

WHEREAS, said DEVELOPER now desires to make and enter into a construction agreement with CITY.

NOW, THEREFORE, in consideration of the covenants, conditions and provisions herein contained, it is hereby mutually agreed as follows:

(1) That said DEVELOPER shall, on or prior to the last day of December 2018, complete, to the satisfaction of the City Engineer of CITY, all of the improvement work required by Title 20 of the Municipal Code of CITY, which improvement work together with the estimated cost is set forth more particularly on Exhibit A, attached hereto and made a part hereof by this reference.

(2) DEVELOPER shall prosecute the improvement work in a diligent and

workmanlike manner to completion. In the event **DEVELOPER** fails or neglects to complete all of said work as aforesaid and within the time specified, **CITY** shall have the right at any time thereafter to complete the same with **CITY** forces or by separate contract and thereupon recover from said **DEVELOPER** the full cost and expense thereby incurred by **CITY**.

(3) **CITY** shall not, nor shall any officer or employee thereof, be liable or responsible for any accident, loss or damage occurring to the improvement work specified in this Agreement prior to the completion and acceptance of same, nor shall **CITY**, nor any officer or employee thereof, be liable to any persons or property injured by reason of the nature of said work or by reason of the acts or omissions of **DEVELOPER**, his agents or employees, in the performance of said work, but all of said liabilities shall be assumed by **DEVELOPER**. **DEVELOPER** further agrees to protect, defend and hold harmless **CITY** and the officers and employees thereof from all loss, liability or claim arising directly or indirectly out of the negligent or intentional acts or omissions of **DEVELOPER**, his agents and employees, in the performance of this Agreement, or arising out of the use of any patent or patented article in the construction of said work.

(4) **DEVELOPER** shall deposit money with the City Treasurer or shall furnish to **CITY** a good and sufficient surety bond or bonds, or file with **CITY** an Instrument of Credit, in an amount not less than 100 percent of the estimated cost of the improvement work described in Exhibit A, attached hereto for the faithful performance of the terms and conditions of this Agreement, and in addition, for labor and materials in the amount not less than 50 percent of the said estimated cost of the improvement work to secure the claims to which reference is made in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California. If the security posted by **DEVELOPER** is a surety bond or bonds and the surety on any of said bonds, in the opinion of **CITY**, becomes insufficient, **DEVELOPER** agrees to renew each and every bond or bonds with good and sufficient sureties within Ten (10) days after receiving notice that said surety or sureties are insufficient. If the security posted by **DEVELOPER**

is an Instrument of Credit and the credit, in the opinion of **CITY**, becomes insufficient,

DEVELOPER agrees to renew each Instrument of Credit within Ten (10) days after receiving notice that said credit is insufficient.

(5) All applicable provisions of Title 20 of the Municipal Code of the **CITY**, and the provisions of Title 7, Division 2, Chapter 5 (commencing with Section 66499) of the Government Code of the State of California are hereby incorporated herein and made a part hereof.

(6) It is agreed by and between the parties hereto, including the surety or sureties on the bond or bonds attached to this Agreement, that in the event it is deemed necessary to extend the time of completion of the work contemplated to be done under this Agreement, such extension of time may be granted, from time to time, by **CITY**, either at **CITY'S** own election, or upon request of **DEVELOPER**, and such extensions shall in no way affect the validity of this Agreement, release the surety or sureties on said bonds, or release the bank on the Instrument of Credit. **DEVELOPER** further agrees to maintain the aforesaid bond or bonds or Instrument of Credit in full force and effect during the term of this Agreement, including any extensions of time as may be granted from time to time.

**PERFORMANCE BOND
(Bond for Faithful Performance)**

WHEREAS, The CITY OF LONG BEACH, a municipal corporation of the State of California, hereinafter the "City" or "Obligee," have conditionally awarded to HABITAT FOR HUMANITY OF GREATER LOS ANGELES, a California nonprofit public benefit corporation, designated as the "Principal" herein, a contract for the off-site improvement work ("Work") described as follows:

That certain public improvements as described in agreement dated ^{12/21/18}~~12/21/17~~, and identified as Parcel No. 74303, Addenda No. C-16 and related drawings.

WHEREAS, the Principal is about to enter into a Contract with Obligee for performance of the Work, which Contract, and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, the Principal is required to furnish a bond guaranteeing the prompt, full and faithful performance of its obligations under the Contract Documents concurrently with delivery to Obligee of the executed Contract.

NOW, THEREFORE, we the undersigned Contractor, as Principal, and **Developers Surety and Indemnity Company**, an admitted surety insurer in the State of California, as Surety, are held and firmly bound unto THE CITY OF LONG BEACH, a municipal corporation of the State of California (hereinafter the "City" or "Obligee") in the penal sum of **Sixty-four thousand, Seventy-two Dollars (\$64,072.00)** lawful money of the United States, for the payment of which sum, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal shall promptly, fully and faithfully perform each and all of the obligations and things to be done and performed by the Principal in strict accordance with the terms of the Contract Documents as said Contract Documents may be modified or amended from time to time; and if the Principal shall indemnify and save harmless the Obligee and all of its officers, agents and employees from any and all losses, liability and damages, claims, judgments, stop notices, costs, and fees of every description, whether imposed by law or equity, which may be incurred by the Obligee by reason of the failure or default on the part of the Principal in the performance of any or all of the terms or the obligations of the Contract Documents, as they may be amended and supplemented including, but not limited to, its liability for liquidated damages for delay, all warranties or guarantees required thereunder and indemnity obligations; then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

Whenever the Principal shall be, and is declared by the Obligee to be in default under the Contract, which shall include without limitation, any breach or default of the Contract Documents, then, after written notice from the Obligee to the Surety, as provided for below, the Surety shall either remedy the default or breach by the Principal or shall promptly and faithfully take charge of the Work of and complete the Work in accordance with the requirements of the Contract Documents with a contractor other than the Principal at its own expense and make available as work progresses sufficient funds to pay the cost of completion less the balance of the Contract price including other costs and damages for which the surety may be liable hereunder; provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the Obligee.

Within fifteen (15) days of Obligee's written notice to the Surety of the failure of performance of the Contract by the Principal, it shall be the duty of the Surety to give to the Obligee an unequivocal notice in writing of the Surety's election to remedy the default(s) of the Principal promptly, or to arrange for performance of the Contract promptly by a Contractor other than the Principal, time being of essence to this Bond. In said Notice of Election, the Surety shall state the date of commencement of its cure or remedy of the Principal's default(s) or its performance of the Contract. The Surety's obligations for cure or remedy, include but are not limited to: correction of defective work and completion of the Contract, additional legal, design professional and delay costs arising from Surety's actions or failure to act; and liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance by the Principal. The Surety shall give prompt written notice to the Obligee upon completion of the cure or remedy of the Principal's default(s) of its performance of the Construction Contract.

If the Surety does issue its Notice of Election and does not proceed to cure or remedy the Principal's default(s) of its performance of the Work with reasonable promptness, the Surety shall be deemed to be in default on this bond fifteen (15) days after receipt of a written notice from Obligee to the Surety demanding that the Surety perform its obligations under this Bond, and the Obligee shall be entitled to enforce any remedy available to Obligee.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

FURTHER, Principal and Surety agree that if Obligee is required to engage the services of attorneys in connection with enforcement of the bond, each shall pay Obligee's reasonable attorneys' fees incurred, with or without suit, in addition to the above penal sum.

The guarantees contained herein shall survive the final completion of the Work called for in the Contract Documents with respect to the obligations and liabilities of the Principal which survive such final completion.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 18TH day of May, 2018.
