HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

RECOMMENDATION:

Adopt a Resolution to approve a Letter of Agreement between the City of Long Beach (City) and the Long Beach Firefighters Association (FFA) to amend the 2022-2025 FFA Memorandum of Understanding (MOU). The amended provision is under the Article Five, Section II, Cost Sharing by Classic CalPERS Members. (Citywide)

DISCUSSION

The City of Long Beach (City) plans to amend the 2022-2025 Long Beach Firefighters Association (FFA) Memorandum of Understanding (MOU), Article Five, Section II, Cost Sharing by Classic CalPERS Members. On January 24, 2023, the California Public Employees' Retirement System (CalPERS) informed the City that the California Government Code referenced in the FFA MOU regarding the additional employee contribution of FFA Classic Safety Employees towards the City's required employer contribution to CalPERS was incorrect. To amend the CalPERS contract to reflect the additional employee contribution, CalPERS requires a letter of agreement approved by the City and FFA reflecting this change to the FFA MOU. Below are the agreed upon terms that will be reflected in Article Five, Section II of the FFA MOU:

- A. Effective the first full pay period of FY 2023, Classic FFA safety employees will contribute three percent (3%) of compensation earnable toward the City's required employer contribution to CalPERS, via payroll deductions pursuant to California Government Code Section 20516(f). This cost sharing contribution will be in addition to the nine percent (9%) statutory employee contribution already paid by the employee and will increase the employee's contribution to a total of twelve percent (12%).
- B. During the term of this MOU, the City shall initiate a CalPERS contract amendment as soon as administratively possible to change the three percent (3%) cost sharing under Government Code section 20516(f) described in the section above, to cost sharing of three percent (3%) of compensation earnable, pursuant to Government Code Section 20516(a). The change to cost sharing under Government Code section 20516(a) will be effective upon the conclusion by the City and CalPERS of the CalPERS contract amendment process. The total Classic member contribution shall remain at twelve percent (12%) of compensation earnable (9% statutory employee contribution plus 3%).

- C. The CalPERS contract amendment process has an employee election requirement for this amendment. Following the adoption of a Resolution of Intention for the contract amendment, the City will conduct a secret ballot election as required by applicable law prior to approving the CalPERS contract amendment.
- D. If the employees vote in favor of the employee contribution rate change and CalPERS approves the amendment, then as a result of the change to Government Code section 20516(a) cost sharing, prospective employee cost sharing contributions will be credited to each member's account as normal member contributions.
- E. In the event employees do not vote in favor of the CalPERS contract amendment contribution rate change during the secret ballot election or if for some other reason CalPERS will not approve the contract amendment, Classic members will continue paying the three percent (3%) of compensation earnable toward the employer's contribution rate, as cost sharing pursuant to Government Code section 20516(f). However, in that event, the cost sharing contributions will not be credited to each member's account by CalPERS and will not be made on a pre-income tax basis, unless otherwise provided by law.
- F. The employee cost sharing contributions will be made on a pre-income tax basis as allowed under Internal Revenue Service Code Section 414(h)(2) or as otherwise provided by law.

It is the intention of the parties that the Classic member cost sharing contributions shall continue beyond the term of this MOU, and until otherwise amended through the normal collective bargaining process.

The Long Beach Firefighter Association acknowledges and agrees that if this MOU expires without a successor MOU in place, the cost sharing contributions shall continue in the same manner as they were prior to expiration of the MOU.

If, for any reason, the cost sharing provisions of this MOU are not enforceable, whether by operation of law, a ruling by a court or administrative proceeding, or otherwise, the parties agree to re-open the MOU solely to collectively bargain over the effects of this change.

This Letter of Agreement shall not change any of the FFA Memorandum of Understanding (MOU) provisions other than as outlined above.

This matter was reviewed by Assistant City Attorney Gary J. Anderson on July 26, 2023 and by Budget Management Officer Nader Kaamouh on July 25, 2023.

#### TIMING CONSIDERATIONS

City Council action is requested on August 15, 2023, and is effective following adoption by the City Council.

FISCAL IMPACT

This requested amendment will align California Government Code references and will not have any fiscal impact. The FY 23 Budget factors adjustments related to the negotiated cost increases. This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no impact on local jobs associated with this recommendation.

**2023 LETTER OF AGREEMENT**  
**BETWEEN THE CITY OF LONG BEACH AND**  
**THE LONG BEACH FIREFIGHTERS ASSOCIATION**

**RE: FFA MOU COST SHARING FOR CLASSIC MEMBERS**

This Letter of Agreement is entered between the City of Long Beach (“City”) and the Long Beach Firefighters Association (“FFA”), (collectively “the Parties”).

WHEREAS, the Parties have entered into a Memorandum of Understanding (MOU) covering the period of October 1, 2022, to September 30, 2025, which includes provisions for CalPERS retirement and cost sharing;

WHEREAS, the City has been informed by the California Pension Employees’ Retirement System (CalPERS) that the California Government Code (Government Code) referenced in Article Five, Section II of the 2022-2025 FFA Memorandum of Understanding (MOU) should be revised to reflect the correct Government Code regarding the cost sharing by contract amendment;

WHEREAS, the FFA MOU Article Five, Section II regarding the cost sharing by FFA Classic Members currently states:

- A. Effective the first full pay period of FY 2023, Classic FFA safety employees will contribute three percent (3%) of compensation earnable toward the City’s required employer contribution to CalPERS, via payroll deductions pursuant to California Government Code Section 20516(a). This cost sharing contribution will be in addition to the nine percent (9%) statutory employee contribution already paid by the employee, and will increase the employee’s contribution to a total of twelve percent (12%).
- B. During the term of this MOU, the City shall initiate a CalPERS contract amendment, as soon as administratively possible to change the three percent (3%) cost sharing under Government Code section 20516(a) described in the section above, to cost sharing of three percent (3%) of compensation earnable, pursuant to Government Code Section 20516(f). The change to cost sharing under Government Code section 20516(f) will be effective upon the conclusion by the City and CalPERS of the CalPERS contract amendment process. The total Classic member contribution shall remain at twelve percent (12%) of compensation earnable (9% statutory employee contribution plus 3%). However, in that event, the cost sharing contributions will not be credited to each member’s account by CalPERS and will not be made on a pre-income tax basis, unless otherwise provided by law.
- C. The CalPERS contract amendment process has an employee election requirement for this amendment. Following the adoption of a Resolution of Intention for the contract amendment, CalPERS will conduct a secret ballot election as required by applicable law prior to approving the CalPERS contract amendment
- D. If the employees vote in favor of the employee contribution rate change and Cal PERS approves the amendment, then as a result of the change to Government Code section 20516(f) cost sharing, prospective employee cost sharing contributions will be credited to each member's account as normal member contributions.

- E. In the event employees do not vote in favor of the CalPERS contract amendment contribution rate change during the secret ballot election or if for some other reason CalPERS will not approve the contract amendment, Classic members will continue paying the three percent (3%) of compensation earnable toward the employer's contribution rate, as cost sharing pursuant to Government Code section 20516(a). However, in that event, the cost sharing contributions will not be credited to each member's account by CalPERS and will not be made on a pre-income tax basis, unless otherwise provided by law.
- F. The employee cost sharing contributions will be made on a pre-income tax basis as allowed under Internal Revenue Service Code Section 414(h)(2) or as otherwise provided by law.

It is the intention of the parties that the Classic member cost sharing contributions shall continue beyond the term of this MOU, and until otherwise amended through the normal collective bargaining process.

The Long Beach Firefighter Association acknowledges and agrees that if this MOU expires without a successor MOU in place, the cost sharing contributions shall continue in the same manner as they were prior to expiration of the MOU.

If, for any reason, the cost sharing provisions of this MOU are not enforceable, whether by operation of law, a ruling by a court or administrative proceeding, or otherwise, the parties agree to re-open the MOU solely to collectively bargain over the effects of this change.

- G. Because Classic CalPERS members have voluntarily agreed to contribute an additional three (3) percent toward the City's pension costs, both parties agree that members have reached the maximum employee contribution of 12 percent allowed under Government Code Section 20516.5(b). Both parties agree that imposition of any additional member contribution is not currently permitted, as specified in Government Code section 20516.5(c)

WHEREAS, the parties met and agreed upon changes to the 2022-2025 FFA MOU and the changes will be incorporated in the 2022-2025 FFA MOU.

NOW THEREFORE, the Parties agree to the following:

It is agreed that the parties will amend Article Five, Section II of the FFA MOU to revise the cost sharing language as follows (highlighted in red):

- A. Effective the first full pay period of FY 2023, Classic FFA safety employees will contribute three percent (3%) of compensation earnable toward the City's required employer contribution to CalPERS, via payroll deductions pursuant to **California Government Code Section 20516(f) (a)**. This cost sharing contribution will be in addition to the nine percent (9%) statutory employee contribution already paid by the employee, and will increase the employee's contribution to a total of twelve percent (12%).
- B. During the term of this MOU, the City shall initiate a CalPERS contract amendment, as soon as administratively possible to change the three percent (3%) cost sharing under **Government Code section 20516(f) (a)** described in the section above, to cost sharing

of three percent (3%) of compensation earnable, pursuant to ~~Government Code Section 20516(a)(f)~~. The change to cost sharing under ~~Government Code section 20516(a)(f)~~ will be effective upon the conclusion by the City and CalPERS of the CalPERS contract amendment process. The total Classic member contribution shall remain at twelve percent (12%) of compensation earnable (9% statutory employee contribution plus 3%). ~~However, in that event, the cost sharing contributions will not be credited to each member's account by CalPERS and will not be made on a pre-income tax basis, unless otherwise provided by law.~~

- C. The CalPERS contract amendment process has an employee election requirement for this amendment. Following the adoption of a Resolution of Intention for the contract amendment, ~~the City will conduct~~ a secret ballot election as required by applicable law prior to approving the CalPERS contract amendment.
- D. If the employees vote in favor of the employee contribution rate change and Cal PERS approves the amendment, then as a result of the change to Government Code section 20516(~~f~~)(a) cost sharing, prospective employee cost sharing contributions will be credited to each member's account as normal member contributions.
- E. In the event employees do not vote in favor of the CalPERS contract amendment contribution rate change during the secret ballot election or if for some other reason CalPERS will not approve the contract amendment, Classic members will continue paying the three percent (3%) of compensation earnable toward the employer's contribution rate, as cost sharing pursuant to Government Code section 20516(a)(f). However, in that event, the cost sharing contributions will not be credited to each member's account by CalPERS and will not be made on a pre-income tax basis, unless otherwise provided by law.
- F. The employee cost sharing contributions will be made on a pre-income tax basis as allowed under Internal Revenue Service Code Section 414(h)(2) or as otherwise provided by law.

It is the intention of the parties that the Classic member cost sharing contributions shall continue beyond the term of this MOU, and until otherwise amended through the normal collective bargaining process.

The Long Beach Firefighter Association acknowledges and agrees that if this MOU expires without a successor MOU in place, the cost sharing contributions shall continue in the same manner as they were prior to expiration of the MOU.

If, for any reason, the cost sharing provisions of this MOU are not enforceable, whether by operation of law, a ruling by a court or administrative proceeding, or otherwise, the parties agree to re-open the MOU solely to collectively bargain over the effects of this change.

- ~~G. Because Classic CalPERS members have voluntarily agreed to contribute an additional three (3) percent toward the City's pension costs, both parties agree that members have reached the maximum employee contribution of 12 percent allowed under Government Code Section 20516.5(b). Both parties agree that imposition of any additional member contribution is not currently permitted, as specified in Government Code section 20516.5(c)~~

This Letter of Agreement shall not change any of the FFA Memorandum of Understanding (MOU) provisions other than as outlined above.

Effective the first full pay period of FY 2023, Classic FFA safety employees will contribute three percent (3%) of compensation earnable toward the City's required employer contribution to CalPERS, via payroll deductions pursuant to California Government Code Section 20516(f). This cost sharing contribution will be in addition to the nine percent (9%) statutory employee contribution already paid by the employee, and will increase the employee's contribution to a total of twelve percent (12%).

During the term of this MOU, the City shall initiate a CalPERS contract amendment, as soon as administratively possible to change the three percent (3%) cost sharing under Government Code section 20516(f) described in the section above, to cost sharing of three percent (3%) of compensation earnable, pursuant to Government Code Section 20516(a). The change to cost sharing under Government Code section 20516(a) will be effective upon the conclusion by the City and CalPERS of the CalPERS contract amendment process. The total Classic member contribution shall remain at twelve percent (12%) of compensation earnable (9% statutory employee contribution plus 3%). However, in that event, the cost sharing contributions will not be credited to each member's account by CalPERS and will not be made on a pre-income tax basis, unless otherwise provided by law.

The CalPERS contract amendment process has an employee election requirement for this amendment. Following the adoption of a Resolution of Intention for the contract amendment, the City will conduct a secret ballot election as required by applicable law prior to approving the CalPERS contract amendment.

If the employees vote in favor of the employee contribution rate change and Cal PERS approves the amendment, then as a result of the change to Government Code section 20516 (a) cost sharing, prospective employee cost sharing contributions will be credited to each member's account as normal member contributions.

In the event employees do not vote in favor of the CalPERS contract amendment contribution rate change during the secret ballot election or if for some other reason CalPERS will not approve the contract amendment, Classic members will continue paying the three percent (3%) of compensation earnable toward the employer's contribution rate, as cost sharing pursuant to Government Code section 20516 (f). However, in that event, the cost sharing contributions will not be credited to each member's account by CalPERS and will not be made on a pre-income tax basis, unless otherwise provided by law.

The employee cost sharing contributions will be made on a pre-income tax basis as allowed under Internal Revenue Service Code Section 414(h)(2) or as otherwise provided by law.

It is the intention of the parties that the Classic member cost sharing contributions shall continue beyond the term of this MOU, and until otherwise amended through the normal collective bargaining process.

The Long Beach Firefighter Association acknowledges and agrees that if this MOU expires without a successor MOU in place, the cost sharing contributions shall continue in the same manner as they were prior to expiration of the MOU.

If, for any reason, the cost sharing provisions of this MOU are not enforceable, whether by operation of law, a ruling by a court or administrative proceeding, or otherwise, the parties agree to re-open the MOU solely to collectively bargain over the effects of this change.

F. Step Six – Arbitration

If the City Manager does not satisfactorily dispose of the complaint, the Association or employee may, within fifteen (15) calendar days, request that the matter be submitted to arbitration. If agreement is reached, such agreement shall be reduced to writing and submitted to the arbitrator. If parties cannot agree on the specific issue(s), then each may submit its own statement, and the Arbitrator shall consider and decide only the specific issue(s) submitted to him/her in writing by the City and the Association or employee(s), and shall have no authority to make a decision on any other issue(s) not so submitted.

If the matter is submitted to arbitration, the Arbitrator shall hold the hearing as soon as practicable, and the following shall apply:

- C. The processing of a grievance shall be considered as City business. ## **ARTICLE EIGHT**

### **HOURS OF WORK**

#### **Section I - Work Shift**

Platoon - All employees on platoon duty shall work a twenty-four (24) hour work shift that averages a fifty-six (56) hour work week.

Daylight – All employees on a daylight schedule shall work a 4/10 schedule.

#### **Section II - Call Backs**

For the purpose of maintaining a minimum staffing program, paid call backs shall be utilized to maintain a minimum on-duty manpower status as determined by the Fire Chief by utilizing available volunteer call-back personnel, hiring additional employees, or by ordering employees to work extra shifts. Adequate funds will be provided in the Fire Department budget for such a constant staffing program, subject to annual budget approval by the City Council; up to and including the rank of Battalion Chief on a rank for rank basis.

Each Fire Engine and each Fire Truck shall be staffed by a minimum of four sworn fire suppression personnel. In case of emergency circumstance, including but not limited to a regional disaster, catastrophe, or declaration of fiscal emergency, the Fire Chief shall have the discretion to alter the deployment model during the duration of the crisis.

Employees shall be called back to work over their assigned schedule as a result of volunteering to work extra time due to the absence of an employee from regularly scheduled platoon duty or to volunteer for special training programs. It shall be the responsibility of the Firefighters Association and the Fire Chief to make every attempt to ensure there are sufficient volunteers to cover all shifts so that the designated POST positions can be staffed.

#### **Section III – MOU Overtime**

During the term of this Agreement, the City shall pay MOU overtime under this Article by crediting authorized paid leaves of absence, vacation, sick leave, holiday leave, other paid absences as hours worked. The City shall pay MOU overtime for hours worked over the assigned schedule as a result of being held over schedule or being called back to duty from off-duty status, to combat fire, disaster or other emergency, work extra time due to the absence of an employee from regularly scheduled platoon duty, or for special events where the services of fire personnel are deemed critical by the head of the department. Compensation for such overtime will be paid at time and one-half the adjusted rate of pay. Hours worked in excess of the employee's normally scheduled hours. MOU overtime will be payable each pay period.

## Section IV – Payment for Overtime

An employee who is eligible for overtime benefits, and who is required to and shall work overtime, shall be allowed time off, subject to the following terms which are not intended to supersede existing conditions, restrictions and limitations, but rather to expand and/or modify those provisions.

### A. Payoff of Overtime

An employee who is eligible for overtime, and who is required to and does work overtime shall be compensated according to the following terms.

1. Overtime shall be paid in the pay period in which the overtime was worked, or as soon as practicable thereafter.
2. At the specific request of the employee to the Fire Chief or his designee, the City will credit earned overtime to an account in the employee's name in an amount not to exceed four (4) days or 40 hours for an employee who works a daylight schedule or four (4) shifts, or 96 hours for those on a platoon schedule. Employees shall not be permitted to add premium time to this account. Only straight time may be included in this account. All premium time shall be paid.
3. The credited earned overtime will be represented in hours on the employee's paystub (These hours are equivalent to a specific cash value, namely the number of hours credited to the employee's account multiplied by the employee's straight hourly rate of pay). At the employee's request to the Fire Chief or his designee, the City will pay to the employee any or all portions of the value of the account, minus standard withholdings. Payments will be made in the pay period following the period in which the request is received.
4. The credited earned overtime reflected on an employee's paycheck does not constitute a compensatory time bank. Employees will not be permitted to take time off in lieu of payment for earned overtime.
5. All cash value banks will be paid off in full on: (a) the last full pay paycheck in a calendar year, (b) the pay period in which a general salary increase is effective, or (c) a pay period in which the employee receives a promotion to a higher rate of pay.
6. Cash value banks may be paid off, at the employee's request, prior to the pay period in which a salary range decrease is effective.
7. The City retains the right to pay off the cash value of the employees accrued overtime at any time.
8. If the provisions of this Section IV. A. are found to be in conflict with State or Federal law, overtime shall be paid.

## B. Banked Time Off

1. Members who work a 40 hour per week daylight schedule will have the opportunity to use banked overtime credits for the purposes of taking time off not exceed four (4) days or 40 hours.
2. The following conditions shall apply to Banked Overtime.
  - a. Banked time off hours shall be taken by any employee only at such time as the department head, at their discretion, shall designate or approve; provided, however, that time off hours must be taken within the calendar year in which the overtime was worked.
  - b. Overtime earned and banked in one pay period may not be used until the following pay period. When employees receive time and one-half for overtime, they shall not be permitted to bank the premium time, because the banking of premium time will cause overtime pyramiding, which will increase the Fire Department's overtime liability. Only straight time may be banked. All premium time shall be paid.
  - c. All banked overtime hours not taken off in accordance with Section III, (B) (2) (a) above shall be automatically paid off in the following pay period or prior to a general salary increase.
  - d. No overtime hours shall be accumulated in excess of the maximum set forth above, or be carried over into the following calendar year.
  - e. All banked time off hours not taken off prior to the pay period in which a salary increase is effective (except for automatic step increases and that permitted to be carried over) shall be automatically paid at the lower pay rate.

## Section V - Fair Labor Standards Act (FLSA)

### A. Work Schedule

All employees through the rank of Battalion Chief will work a 28-day FLSA work cycle for the term of this Agreement.

### B. FLSA Overtime

The City agrees that it shall provide overtime compensation to all employees covered by this Agreement as required by the FLSA. Only hours worked shall be credited towards computation of FLSA overtime. At the end of the twenty-eight (28) day work period, if any FLSA overtime is payable, the difference between MOU overtime and FLSA overtime will be paid.

C. Shift Trades

The trading of work time between unit employees shall be in accordance with the provisions of the FLSA.

Employees have the right to exchange shifts with their colleagues subject to the following conditions:

1. Both employees agree to the shift trade voluntarily.
2. The employee whose shift is worked gets credit for the shift. Thus, the employee whose shift was worked will record the time as worked on his or her time sheet.
3. Payback of the exchanged shift will be the responsibility of the two employees who exchange shifts and will not be monitored by the City. If an employee leaves the City having not paid back a shift, it shall be the responsibility of the two employees to work out any pay back.

F. Early Relief

It is recognized practice for some unit employees to voluntarily relieve other unit employees working on the previous shift prior to the scheduled starting time.

This practice shall not change the actual amount of hours worked nor afford additional benefits to an employee.

G. Work Period

Pursuant to Section 7(k) of the FLSA, the City has adopted a 24-day FLSA work period for all classifications in the bargaining unit.

During the term of this Agreement, the City will modify the 7(k) work period for fire protection employees from the 24-day FLSA work period to a 28-day FLSA work period to align the work period with the bi-weekly pay period. The 28-day period begins on a Saturday at 8:00 a.m. and ends 28 days later on a Saturday at 7:59 a.m.

Section VI - Exemptions from the Provisions of the FLSA

During the term of this Agreement, employees in the positions of Battalion Chief and Fire Captain will be accorded the same benefits for overtime purposes as employees in non-exempt positions, as set forth in the FLSA.

## Section VII — Canine Reimbursement Pay

At the sole discretion and authority of the Fire Chief, an employee of the Long Beach Fire Department may be assigned to work with a privately-owned search and rescue dog provided by the National Search Dog Foundation and use said dog in connection with the performance of his/her duties as a member of the Urban Search and Rescue Program.

- A. If the Fire Chief exercises this authority, the employee assigned to this duty shall be entitled to the following additional compensation, effective after the first full pay period after adoption by the Council of the successor MOU:
  1. Training as directed by the Fire Department shall be conducted while the assigned employee is on-duty. If training is scheduled while the assigned employee is not on duty, the employee shall be compensated at the regular overtime rate of pay
  2. Necessary veterinarian visits shall be scheduled while the assigned employee is on-duty or the employee shall be compensated at the regular overtime rate of pay for off-duty visits.
- B. For purposes of complying with the FLSA, and to accommodate employees for the off-duty care of their search and rescue dog(s), the parties have agreed to the following terms:
  1. The canine handler will have six (6) hours per biweekly pay period to care for, and exercise their search and rescue dog(s).
  2. The canine handler will be paid for these six (6) off-duty hours at the overtime rate of the State of California minimum wage (1.5 x minimum wage).
  3. If the employee does not possess a qualified search and rescue dog(s) for a majority of a biweekly pay period, the reimbursement will not be paid.

## **ARTICLE NINE**

#### **Section IV - Ratification and Implementation**
