

REDLINED VERSION

2.52.020 Purpose.

The purpose of the commission shall be to make advisory policy recommendations to the city council on public safety issues, to serve as a forum for community discussion of these public safety policy issues, and to encourage input and participation from all sectors of the community.

The commission is to consider only those public safety policy matters over which the city council has control that are related to police and fire services. Specific emphasis shall be placed on:

A. Support and encouragement for expansion of the neighborhood watch and Citizens Emergency Response Team (CERT) programs. To this end, block captains of each organized neighborhood watch shall be invited to meet with the commission at least twice each calendar year;

B. Specific public safety needs of the community, as directed by the city council;

C. Methods of increasing public safety awareness by making recommendations on the best means of communication, such as through the schools, etc.;

D. Recommending commendations to private citizens and public employees for significant contributions to public safety;

E. Consideration of traffic flow within the city;

F. Special projects and programs furthering the interests of public safety, including promotion of a city-wide public safety fair; and

G. Methods of enhancing community relations with city departments involved in public safety.

All recommendations of the commission shall be submitted to the city council in writing and shall include a summary of citizen testimony before the commission on each particular recommendation presented for
