HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Approve the Downtown Long Beach Property and Business Improvement District Annual Report for the period of January 1, 2014 through December 31, 2014, automatically extending the Agreement for Funding with the Downtown Long Beach Associates for one year; and authorize payment of \$430,241 in City property assessments from the Civic Center Fund (IS 380) in the Department of Public Works (PW). (Districts 1 and 2)

DISCUSSION

Downtown Long Beach Associates (DLBA) has three established sources of revenue that pass through the City to the organization. These include business operator assessments, property owner assessments and downtown parking meter revenue sharing. This recommended action relates to property owner assessment funds for expenses related to security, maintenance, public relations, special projects, advocacy and economic development in Downtown Long Beach. City Council approves the business operator assessment separately. DLBA's Approved FY 2013-14 Budget Narrative, including all sources of revenue, is provided for reference in Exhibit A.

The Downtown Long Beach Property and Business Improvement District (DLB-PBID) was established by the City Council on August 4, 1998. On August 7, 2012, City Council re-established the DLB-PBID. This re-establishment required a majority vote of the property owners in favor of re-establishing the district for a new term of ten years.

On January 12, 2001, City Council and DLBA executed an Agreement for Funding setting forth the duties and delegations of the parties. This Agreement is automatically extended on a year-by-year basis upon approval of the annual Assessment Report and related levy of assessments by City Council.

The DLBA Board voted on June 16, 2013 to raise assessment rates two percent per the allowed CPI adjustment. This is reflected in the attached budget and report. Properties are assessed based upon location within two defined zones in the DLB-PBID area. The assessment rate and level of program service provided varies, depending upon the zone in which the property is located. Assessment rates for 2014 are described in Section 6 of Exhibit B. An estimated total property assessment revenue of \$2,272,996

is reported in Section 7. Section 4 of the report shows a DLB-PBID budget of \$2,200,736 for the period. Adequate reserve funds (three percent of estimated revenue) are available to make up any deficit between budgeted expenditures and actual revenue received for the period (Section 4 of Exhibit B).

The DLB-PBID assessment area contains properties owned by private commercial property owners, the City of Long Beach, and the Long Beach Successor Agency (SA). In FY 14, the City assessment is \$430,241, of which \$176,165 is related to Pike property development and will be paid to the City by Developers Diversified Realty (DDR), as required by their lease. Thus, the City's net assessment is estimated at \$254,076. The Successor Agency's assessment is estimated at \$111,829, which is approved by the Successor Agency Board separately. City and SA payments together total \$606,406 and represent approximately 27 percent of the total estimated levy of \$2,272,996 for program year 2014. Exhibit C details City and SA-owned properties located within the DLB-PBID.

The Property and Business Improvement District Law of 1994 (Law) requires that the DLBA Board of Directors file an Annual Report detailing the DLB-PBID assessment methodology and assessment levy filed with Los Angeles County. The subject levy of assessment will cover the DLB-PBID contract period with the DLBA from January 1, 2014 through December 31, 2014. The Annual Report of Levy and Assessment is provided as Exhibit B for City Council approval.

The Law also allows the City to contract with service providers to carry out the DLB-PBID program. For the past 12 years, the City has contracted with the DLBA to carry out the DLB-PBID Management Plan.

This matter was reviewed by Deputy City Attorney Amy Webber on September 12, 2013, and Budget Management Officer Victoria Bell on September 20, 2013.

TIMING CONSIDERATIONS

The current DLB-PBID contract terminates on December 31, 2013. City Council approval of the Annual Report and related levy of assessment is requested on October 8, 2013 to ensure timely transfer of assessment revenue as required by City contract.

FISCAL IMPACT

The City's assessment for FY 14 is \$430,241. Of this amount, \$176,165 is associated with Pike development property and will be paid to the City by DDR. The City will pay the portion of the assessment attributable to DDR after receipt of those funds from DDR. The balance of the City's assessment, \$254,076, will be paid from the Civic Center Fund (IS 380) in the Department of Public Works (PW). The FY 14 assessment amount for all Successor Agency-owned parcels is \$111,829 and is subject to approval from the State Department of Finance (DOF). Approval of this recommendation will provide continued support to the local economy.

EXPENSES

FY 2013-2014

The DLBA is the non-profit management organization empowered by the Long Beach City Council to manage two Downtown Business Improvement Districts (BIDs). The Downtown Parking Improvement Area (DPIA) is supported through a special assessment established by business owners, while the Property Based Improvement District (PBID) is sustained with the contribution of the commercial property owners within the District.

Personnel

To support the programs and services provided by the BIDs, the DLBA administrative team consists of the following:

- President and Chief Executive Officer is to lead, facilitate and motivate personnel to accomplish all DLBA objectives as outlined in the mission statement and the PBID Management Plan. Subject to the direction of the Board of Directors, the President and CEO supervise and direct the day-to-day business and management of the organization and the BIDs.
- Operations Manager is responsible for managing the Clean and Safe Programs and is involved in community outreach programs to address the quality of life.
- Residential Coordinator will provide information, meet regularly with HOAs and resident associations, represent residential perspectives, and trouble-shoot residential issues related to the PBID's environmental services that include cleaning, safety and beautification. This position will pro-actively identify opportunities and concerns from the residential community and seek to connect the appropriate available resources to address issues and capitalize on opportunities.
- Communications Manager is responsible for developing communications protocol and best practices, and coordinates across the various departments and activities of the DLBA.
- Marketing and Special Events Manager's primary objective is to increase awareness and enhance the image of Downtown Long Beach by promoting existing infrastructure and developing new business and customer markets. Responsible for the supervision of all DLBA special events, including sponsorship. Also provides technical assistance to outside organizations and individuals that produce events within the District.
- Marketing Coordinator is responsible for assisting the Marketing Manager on all DLBA marketing efforts including special events and sponsorship.

- Economic Development Manager establishes strong working relations with downtown business and property owners, financial institutions, commercial brokers, developers and local economic development officials to advance downtown interests.
- Economic Development Coordinator is responsible for gathering, analyzing, and cataloging Downtown real estate information to support business recruitment.
- Placemaking Manager facilitates public-private partnerships involving local government and private investors to support DLBA strategic plan by managing the initiatives for the public realm and work with Capital Improvement Projects Committee to oversee related projects.
- Executive Assistant coordinates all administrative functions, which maximize the operating efficiency of the organization. Also motivates staff to operate efficiently and achieve organizational objectives.
- Administrative Assistant supports all departments in the daily administrative and clerical duties.

All salary, taxes and benefits are proportionally shared with all departments based on allocated time by the DPIA and the PBID, except for the Operations Manager (100% PBID).

GENERAL ADMINISTRATION

\$476,788

General administration expenses include office rent, telephones, computers, office equipment lease, office supplies, postage, general insurance, professional services (including legal and annual audit fees), utilities, depreciation, taxes, accounting services (contract with a private firm), employee recruitment, bank charges, and outside support (temporary staffing as needed).

ADVOCACY

\$103,478

The DLBA is the leading voice for the Downtown business community and plays a critical role in establishing and achieving objectives set forth by its stakeholders. The DLBA manages Committees, has established Committees, and conducts regular meetings to better serve stakeholders and ensure the quality of life in the central business district. It also acts as a liaison between the business community and many city departments and council offices.

Advocacy expenditures may include conducting workshops and orientations, costs for professional dues and subscriptions, participating in industry-related seminars and conferences or civic events, Board contingency, and the Visitor Information Center.

CAPITAL IMPROVEMENT PROJECTS

\$435,885

Under the direction of its Capital Improvement Projects Committee, the DLBA assumes responsibility for working with community partners to create an environment that attracts and retains investment in the Downtown. Developing and supporting capital improvement projects is in accordance with the PBID Management Plan, which stipulates that the Special Project funds generated from assessments within the Standard and Premium service areas should support improvements that enhance the visual appearance of Downtown and may include:

- Seasonal banners and decorations
- Lighting
- Public art
- Street furniture and amenities
- Other activities and improvements that visibly enhance the Downtown environment

MARKETING

\$213,501

The DLBA Marketing Department, under the advisory of the Marketing and Special Events Committee, is dedicated to increasing the awareness for and enhancing the image of Downtown Long Beach. This is achieved through year-round promotions, publishing a monthly newsletter, implementing and sustaining public relations activities, maintaining an informative and user-friendly website, and a wide variety of advertising programs and collateral materials.

▪ **Advertising & Promotions**

Advertising is essential to communicating all Downtown Long Beach has to offer. In efforts to maintain top-of-mind awareness within the community, the DLBA needs to maintain an advertising budget in support of different advertising opportunities that present themselves throughout the year. This will also include holiday promotional advertising for Downtown businesses and DLBA collateral.

▪ **Communications: Stakeholder Outreach and Public Relations**

On-going communication with the various audiences served by the DLBA, including Downtown stakeholders, residents, visitors, employees and media, is of extreme importance. To that end, the DLBA will communicate consistently with postcards, flyers, mailings, social media, website and other outreach methods as set forth in the organizations Communications Plan.

▪ **Annual Report**

The DLBA Annual Report serves to highlight the accomplishments and measurable results from each of the departments with the DLBA organization. Produced on an annual basis, the report contains brief descriptions of the DLBA programs initiated within the past Fiscal Year and also provides financial summaries. The Annual Report will be distributed to all local officials, partners and key stakeholders. It will also be available for download via the DLBA website. Quantity: 3,500

- **www.downtownlongbeach.org**

The DLBA's website is a valuable tool for the dissemination of both consumer and business information to interested parties. The website averages approximately 32,000 hits per month, serving more than 9,000 users. The continual update and progress of this site is integral to its success.

SPECIAL EVENTS

\$889,238

Special Events offer an exciting means of attracting and generating increased foot traffic to the central business district. Through creating and supporting opportunities for people to experience the urban energy and appeal of the Downtown area, the DLBA can demonstrate its initiative and commitment to enhancing the environment. The goal of the Special Events Department, under the direction and leadership of the Marketing and Special Events Committee, is to manage and centralize all aspects involved with the DLBA's special events programs, including sponsorships, planning and execution in addition to providing technical assistance to outside organizations and individuals that produce events in the Downtown.

- **Events Sponsorship**

These funds are used to partner with other organizations that present sponsorship opportunities in the Downtown to assist in expanding current events, or to seed new and exciting events. Events are based on meeting the sponsorship criteria and chosen with the help of the Marketing and Special Events Committee and DLBA staff's recommendations.

- **Celebrate Downtown**

The 9th annual signature event will be open to all stakeholders as an opportunity to honor downtown partners, as well as highlight the DLBA's accomplishments and programs for the year.

- **New Year's Eve on Pine**

The DLBA will produce this iconic event in two parts. One is a family-friendly component at the Waterfront, including free children's entertainment. The second is an outdoor concert on Pine Avenue, featuring live music and other festive activities.

- **Long Beach Bicycle Festival**

The DLBA will produce the 6th Annual BikeFest Tour of Long Beach at the Waterfront with a bike expo, vendor fair, live music and bicycle tricks, kids' activity area and more.

- **Thunder Thursday on Pine**

The DLBA will produce the 16th Annual Tecate Thunder Thursday on Pine, the official kick-off party to the Toyota Grand Prix of Long Beach. Held along Pine Avenue, between 1st Street and 4th Street, this free event will feature a motor cross demonstration, motorcycle stunts, live music, and a static car display.

- **Summer And Music (SAM) Series**

The 6th Annual Summer And Music (SAM) series will feature local and regional acts, while activating all the major areas of the Downtown throughout the summer.

- **Taste of Downtown Series**

The DLBA will produce a series of three Taste of Downtown events, inviting visitors and residents to enjoy sample-sized portions of signature dishes from restaurants in the Waterfront, East Village Arts District and Pine Avenue neighborhoods.

- **Promenade Beer and Wine Festival**

The DLBA will produce the 2nd annual Beer & Wine Festival in support of the growing beer and wine businesses along the Promenade. The event will include beer and wine sampling, food vendors and live entertainment.

ECONOMIC DEVELOPMENT

\$466,207

Under the direction of the Economic Development Committee, the Economic Development Department fulfills the role of leading, managing, and collaborating on Downtown initiatives, issues, and programs related to economic development (ED), government relations, marketing, public relations, and stakeholder outreach.

- **ED Marketing**

The on-going Downtown Long Beach Economic Development marketing campaign utilizes the most effective and popular real estate trade journals, and other vehicles for driving ED messaging. Expanding beyond traditional advertising, it also uses PR to deliver certain messages by seeking press coverage.

- **Downtown Economic Profile**

Continuing the production of the Downtown Profile as a stand-alone ED publication, the Profile highlights various data, trends, and forecasts related to economic investment, growth, and potential in Downtown Long Beach. The Profile will chart office space occupancy, retail leasing, residential sales, new business openings, development announcements and progress, concurrent ED initiatives, infrastructure investments, information on arts, culture, and tourism demand generators, trends and analyses of the aforementioned, and a compilation of the accolades received during the preceding year. The Profile will be distributed to all local officials, partner ED agencies, regional partners, tenant representatives, and key stakeholders, and will be available for download via the DLBA website.

- **Business Retention Programs**

While attracting new businesses to Downtown Long Beach may garner significant media attention, an equally important ED strategy is the retention and expansion of the existing businesses. A viable and effective business retention and expansion (BRE) program ensures needs of local businesses are heard and addressed. Examples of the types of BRE programs include: shop local

programming that educates the local segments of consumer demand about the impact of retail leakage, 'meet the proprietor' programs that engage active two-way communication between residential and commercial neighbors, grand opening assistance programs, business retention interviews, and a visual merchandizing program intended to help existing retailers adapt and conform in a competitive retail marketplace.

- **Business / Merchandising Seminars**

As a complement to the indirect outreach of the BRE, the DLBA will produce three seminars directed at improving the retail business climate in Downtown Long Beach. These seminars could include both a workshop and a direct outreach component. Examples of the previous year's seminar concepts include small business marketing and the integration of social media marketing tools.

- **www.downtownlbbusiness.com**

Expand upon the DLBA's ED web portal to include recruitment assistance tools that will assist prospects in estimating their approvals and permitting timelines based upon their desired use and the changes that need to occur in the space.

- **Recruitment Tours / Mixers**

The DLBA will host different types of events for representatives from site selection, brokerage, and business interests to showcase opportunities to do business in Downtown Long Beach. The DLBA will work to host quarterly tours (either bus or walking) and mixers for individuals hoping to learn more about Downtown opportunities.

- **ED Subscription Tools**

Obtain adequate subscriptions to provide access to real estate site selection and brokerage tools such as, Loopnet, and ESRI for updated information on expiring leases, as a medium of capturing accurate information on available commercial listings, and demographic / psychographic analyses.

OPERATIONS

\$1,548,633

Under the direction of the Public Safety Committee, the Operations Department is dedicated to the security and maintenance of the 85-block assessment district in the Downtown via the Downtown Clean Team and Safe teams.

DOWNTOWN CLEAN TEAM PROGRAM/PERSONNEL

The Clean Team ensures the central business district remains attractive, clean and appealing for visitors. In order to consistently deal with maintenance issues, a multi-dimensional approach was developed consisting of: sidewalk maintenance, graffiti removal, pressure washing, trash collection, landscape maintenance, paper sign and handbill removal, and maintenance problems requiring third party intervention. The Clean Team provides service as mandated by the PBID Management Plan as well as contracted services outside of the PBID scope which are funded through compensatory revenue and not PBID revenue. An example of contract service is the

agreement between the DLBA and the Long Beach Transit Information Center to provide restroom host service.

- **Sidewalk Maintenance**

Uniformed, radio-equipped personnel sweep litter, debris and refuse from sidewalks and gutters within the District.

- **Graffiti Removal**

The Clean Team removes graffiti by using solvents and pressure washing. The District maintains a zero tolerance graffiti policy. All tags will be removed within 24 hours of notification. For those tags that the Clean Team is unable to remove, a list is sent via fax to the Graffiti Abatement Team with the City of Long Beach, which sends a graffiti removal team out.

- **Sidewalk Pressure Washing**

Pressure washers service 16 to 20 blocks per day, seven days a week. The District standard is to have all sidewalks cleaned every six weeks, with Premium areas cleaned weekly.

- **Landscape Maintenance**

Public landscape areas, tree wells and planters are maintained and kept free of litter and weeds.

- **Paper Sign and Handbill Removal**

Paper signs and handbills that have been scotch-taped or glued on public property, utility boxes, poles and telephones are removed by hand or when necessary, by high pressure hose.

- **Maintenance Problems Requiring Third Party Intervention**

Problems are monitored that create blighted or unsafe conditions in the District, but are outside of the jurisdiction of the DLBA personnel to repair. Requests are made to the responsible party for repair. Types of problems include blocked or damaged sewers or drains, damaged sidewalks, streets, and/or alleys, non-operating street lights, damaged or missing street signs, etc.

DOWNTOWN SAFETY GUIDES PROGRAM/PERSONNEL

The Downtown Safety Guides support the Long Beach Police Department (LBPD), property owners and tenants in overall crime prevention efforts and reduction in neighborhood street disorder, while offering customer service orientation to pedestrians. They provide highly visible neighborhood security and are intended to supplement, not replace individual building security and the LBPD. They also assist with quality of life issues, and participate in outreach programs.

- **Integration with the LBPB**

The Downtown Safety Guides work closely with the LBPB and integrate the District security program with that of the LBPB, whose officers are active in the development and training of the Safety Guides. The lead Safety Guide on each shift carries and monitors a LBPB radio to ensure good communication.

- **Bicycle Patrol**

Bike Patrols deter aggressive panhandling and other unsuitable street behavior. Their presence is a deterrent to theft and burglary from motor vehicles; however the service does not completely prevent these crimes. They also deter and report illegal street vending, illegal dumping and street code violations. They handle a myriad of quality of life problems including: drinking in public, urinating in public, indecent exposure, trespassing, scavenging and shopping cart confiscation. They also perform goodwill gestures such as escorting employees, helping lost persons and giving directions. In addition, Bike Patrols assist with traffic control in case of accidents, fires or unusual occurrences.

- **Foot Patrol**

The Foot Patrol concentrates on the highest pedestrian-use corridors such as Pine Avenue, the Promenade, CityPlace and The Pike at Rainbow Harbor. The Foot Patrol has the same mission and receives the same training as the Bike Patrol.

- **Segway Patrol**

All Downtown Safety Guides are trained to use a Segway during their daily patrols. The Segways give Safety Guides an elevated perspective that allows greater visibility and better views of activity on the streets. The ease of mobility between the Downtown districts is greatly improved, allowing for quicker response time and more efficient travel between stops.

COMMUNITY OUTREACH

- The DLBA Residential Coordinator oversees residential outreach services including clean and safe programs. Residential Coordinator also participates in neighborhood association activities and serves as a liaison between residents, the City of Long Beach, the business community and the DLBA.

1. BACKGROUND

The Downtown Property-Based Business Improvement District (the "PBID") was originally formed in 1998 pursuant to the Property and Business Improvement District Law of 1994 (the "PBID Law"). It was renewed for 10 years in 2003, and then renewed again in 2012 for an additional 10 years. Assessments for the PBID can be levied through and including Fiscal Year 2021/22.

The original formation and each subsequent renewal was approved by the City of Long Beach (the "City") City Council following an assessment ballot protest proceeding including the tabulation of property owner protest ballots and a public hearing.

The City Council appointed the Downtown Long Beach Associates (the "DLBA") to make recommendations to the City Council on: the expenditure of revenues derived from the levy of assessments; the classification of properties; and the method and basis of levying the assessments. The PBID budgets and policies are recommended to the City Council by the DLBA Board, composed of property and business owners located within the PBID.

This Annual Report is prepared pursuant to Section 36650(a) of the PBID Law and includes any proposed changes to the PBID boundaries, benefit zone boundaries, the basis and method of levying the assessments, and any changes to the classification of property.

2. *PROPOSED CHANGES*

There are no proposed changes to the boundaries, the benefit zones, or the assessment methodology of the PBID.

3. IMPROVEMENTS AND ACTIVITIES

The improvements and activities described in this Section are those developed by the DLBA and the formation engineer as outlined in the June 2012 Engineer's Report.

3.1. Environment Activities

PBID "Environment" activities and improvements are intended to improve commerce and the quality of life by making each individual assessed parcel safer, cleaner and more attractive which will encourage investment dollars downtown and generate additional pedestrian traffic. Environment activities specially benefit each individual assessed parcel, including commercial, government, parking structures, non profits and residential. The special benefit to each individual assessed parcel from these activities is that a safer and cleaner environment will increase commercial activity, which directly relates to increase in lease rates and customer usage, and a safer and cleaner environment for its residents.

Clean and Safe Program

Downtown's clean and safe program was developed following the creation of the PBID in 1998. Objectives in managing the program include:

- Deploy a Clean and Safe program that will make a visible, tangible and lasting impact.
- Document existing City services and ensure that PBID-funded services are supplemental to, and do not replace, existing City services.
- Ensure that the program is properly capitalized and that additional funding will not be required once the PBID is created.
- Provide flexibility in the modeling of the program so that the PBID can either create its own in-house program or contract with private firms.

To meet these objectives, uniformed Clean Teams have been deployed throughout downtown to remove litter and graffiti, steam clean sidewalks and maintain furniture in public places. Safety Guides provide an emphasis on public safety and have been effective at deterring nuisance crimes, providing hospitality services to downtown tenants, visitors and residents and connecting the district's homeless population to available resources. Recent yearly achievements of PBID funded Clean Team and Safety Guide crews include:

- Pressure washing of more than 36 million square feet of sidewalks
- Removal of 8,136 graffiti tags and stickers
- Nearly 192 tons (384,000 pounds) of trash were collected
- Nearly 6,000 pounds of weeds were removed
- Safety Guides made more than 115,000 business contacts
- Safety Guides provided 9,287 citizen assists, gave directions to 10,467 individuals and information to 6,223 persons
- Safety Guides had service contacts with 738 homeless individuals

The PBID continuation work program anticipates ongoing deployment at the following frequencies:

Clean Team	
Hours of Deployment per Week	992
Weekly F.T.E.	24.8
Average Weekly Coverage	7 days/week
Litter Removal/Pan & Broom	Daily with peak night service in the Premium Area
Machine Sweeping	Daily All Downtown - Higher Frequency in Premium Area
Steam Cleaning: Standard	Once Every 4 to 6 Weeks
Steam Cleaning: Premium	Weekly
Graffiti Removal	Daily as Needed
Light Landscape/Weeds	As Needed
Emergency cleaning	As Needed
Maintenance of PBID funded beautification elements	As Needed

Safety Guides	
Hours of Deployment per Week	664
Weekly FTE	16.6
Coverage in All Areas	12 to 16 hours
Coverage in Premium Areas	12 to 16 hours plus late night on weekends
Foot Patrol	Premium Area Only
Bike & Segway Patrols	Daily All Downtown
Visitor Services, Safety Escorts, Motorist Assist, Homeless Outreach	Daily All Downtown

Deployment of Clean and Safe Services: Clean and safe services are deployed in each of two “benefit zones” within the PBID:

Premium Service Zone: The Premium service zone includes areas of highest pedestrian activity where demands for clean and safe services are greatest. This area includes the most significant activity generators within the boundaries of the district, including City Place retail center and the Pine Avenue, Promenade and Long Beach Boulevard corridors, the 1st Street corridor in the East Village, and the transit facilities along 1st Street. These activities create the conditions requiring a greater amount of clean and safe services, such as dirty sidewalks, the presence of graffiti and the need to provide safety guide assistance. The Management Plan anticipates that service deployment frequencies within the Premium service zone will be three times more than the remainder of the PBID – from the number and type of safety guides to the frequency of sidewalk cleaning. Under the current PBID deployment plan, Safety Guides patrol each block of the Premium Zone between 25 and 40 times per day.

Standard Service Zone: The remaining areas of the PBID encompassed by the Standard service zone have less pedestrian activity and demands for clean and safe services are generally lower. The standard areas have lower intensity activity generators, including less ground floor retail and a higher concentration of office and residential uses. Accordingly, the lower level of pedestrian activity results in reduced need for clean and safe services. Service frequencies within the Standard service zone are less than the frequency of services in the Premium service zone. Under the current PBID deployment plan, Safety Guides patrol each block of the Standard Zone between 8 and 12 times per day, about one third of the frequencies delivered in the Premium service zone.

Options for Enhanced Security: The PBID renewal process has evidenced continued property owner concern with both the reality and perception of public safety on downtown streets. There are a variety of elements contributing to this concern, including ongoing challenges with transient and homeless populations, nuisance crimes ranging from aggressive panhandling to vandalism, and other quality of life issues.

In order to more effectively deploy PBID resources to improve enhanced security, funds for information and safety ambassadors may be redistributed to related activities that have been effective in other California PBIDs, including:

- A “navigator program” in which ambassadors would be tasked with a case management approach to match chronic homeless individuals with available social services (Sacramento, Santa Monica).
- Other quality of life and safety initiatives in partnership with local agencies that may be developed and recommended by the DLBA Public Safety Task Force.

Resident Coordinator: Also within the budget for the Clean and Safe program is a new Resident Coordinator to help downtown’s residential population utilize Clean and Safe services. The Resident Coordinator will provide information, regularly meet with HOAs and resident associations, represent resident perspectives, and trouble-shoot resident issues related to the PBID’s Environmental services that include cleaning, safety and beautification.

Beautification Program: In addition to the general cleaning and safety programs for the purposes of improving commerce to each individual assessed parcel, the PBID may also provide highly visible improvements that will add to the attractiveness of public spaces; such as cosmetic improvements to the landscape and streetscape on the public rights-of-way throughout the District. While downtown Long Beach has been well maintained, the beautification needs continued refreshing and updating. These improvements may include but not necessarily be limited to:

- Seasonal banners and decorations
- Public art
- Street furniture and amenities
- Feasibility analyses and plans for design, streetscape and other physical improvements
- Other activities and improvements that visibly enhance the Downtown environment

Annual recommendations regarding the allocation of beautification funds are determined by the Capital Improvements and Beautification Task Force that provides recommendations to the DLBA board of directors.

3.2. Economy Activities

Activities aimed at working with property owners to improve Downtown's overall image, increased sales and building occupancies are part of the PBID Management Plan. These services are intended to provide special benefits to each individually assessed parcel.

Marketing & Special Events: Marketing and special event activities will aim to improve the overall image of Downtown with the goal of attracting consumers and visitors, and attracting and retaining businesses, jobs and investment. Initiatives must be designed to provide collective benefits to each individual assessed parcel. While annual work programs and budgets will be developed by the Marketing and Special Events Task Force and approved by the Downtown Long Beach Associates board of directors, programs will be selected from a variety of options that may include the following:

- Advertising, including branding and cooperative campaigns and increased placement and frequency in print media.
- Increased distribution and enhanced quality of publications, including downtown maps, directories and activity guides.
- Improved and increased special event and festival production.
- Public relations efforts to promote a positive image and overall experience.

Economic Development: These programs will provide a primary one-stop point of contact for business prospects looking to locate and/or grow in downtown. Comprehensive market information on downtown will be researched, packaged and maintained. Specialized research will identify specific target business groups and niches that are most likely to locate within downtown and benefit from local assets.

DLBA staff will serve as a liaison to assist business and property owners in permitting and development review processes. Program staff will work collaboratively with real estate professionals, City staff, and regional economic development groups to coordinate and leverage business attraction efforts.

Responding to the top priority evidenced by downtown stakeholders in the PBID renewal process, the economic development initiative will initially focus on activating storefronts throughout the downtown, including the recruitment of retail stores, temporary or "pop-up" installations, public art and other

methods. Initiatives launched by the 2010 Retail Visioning process will also be continued, including but not limited to:

- “Shop Local” campaigns that aims to inform and match residents and employees to downtown retail;
- Traditional and emerging business recruitment programs and activities; and,
- Efforts to welcome new businesses to downtown.

3.3. Communications, Administration & Reserves

Communication and administrative costs have been included within the PBID budget. Examples of communication and administrative costs include:

- Accounting and annual financial reports,
- Program support costs including supplies, equipment and rent,
- Communications to keep all downtown stakeholders informed of policies, issues, challenges and opportunities,
- A delinquency reserve estimated at 3% of assessments,
- A general benefit reserve estimated at 0.89% of the budget, to be paid with non-assessment revenue. The general benefit reserve is established to address that the PBID may provide de minimus general benefit (i.e. general benefit to the public and/or surrounding community), requiring 0.89% of the budget to be financed by non-assessment revenue, and

- Other administration costs associated with the overhead and administrative support of programs.

To reduce administrative costs, increase leveraging of funds, and to avoid duplication of enhanced services, the PBID will continue to be managed by the Downtown Long Beach Associates to deliver day-to-day services. DLBA can leverage PBID assessments with additional revenues, including business license BID fees, sponsorship revenue, contracts, grants and earned income.

4. BUDGET

The formation engineer estimated the general benefit of the PBID improvements and activities to be 1%. Thus 1% of the budget must be funded from sources other than assessments.

4.1. Surplus or Deficit Revenues

4.2. Contributions from Other Sources

5. BOUNDARIES

The PBID boundary developed by the formation engineer as outlined in the June 2012 Engineer's Report encompasses approximately 70 blocks of the core of Downtown Long Beach which is bounded roughly by:

- Shoreline Drive to the south, including the Pine Avenue Circle
- Golden Shore to the west and
- Alamitos Avenue to the east.
- To the north, 3rd Street in the western part of the PBID, 8th Street in the central part and 4th Street in the eastern part.

In general the boundary includes approximately 60 "whole blocks", the remainder includes portions of blocks. The properties within whole blocks have all their street frontages included in the activities, i.e., all four street frontages. The properties within a portion of a block have only the street frontage of the property included in the PBID boundary that receives the PBID activities.

5.1. Benefit Zones

Two benefit zones were created to reflect two different levels of service. The deployment and frequency of clean and safe services in the Premium Zone will be greater than the deployment and frequency of clean and safe services in the Standard Zone. The benefit zones are delineated as follows:

Premium Service Zone includes most blocks in the central portion of the PBID bounded by Long Beach Boulevard to the east, 6th Street to the north, Pine and Pacific Avenues to the west and Ocean Boulevard to the south.

Standard Service Zone includes much of the western portion of the PBID bounded roughly by Pacific Avenue, 3rd Street, Golden Shore, Shoreline Drive and Ocean Boulevard. To the east, the standard zone is roughly bounded by Elm Avenue, 4th Street, Alamitos Avenue and Ocean Boulevard.

Maps of the district boundary and the benefit zones are provided on the following pages.

6. ASSESSMENT METHODOLOGY

Assessments for the PBID are calculated using the methodology developed by the formation engineer as outlined in the June 2012 Engineer's Report. Assessments are computed using five property characteristics: land use type, benefit zone, linear frontage, lot square footage, and building square footage. Each assessable parcel is categorized into one of the following land use types: Commercial, Government, Residential, Non-Profit, and Parking.

Per the formation engineer's report:

"Each residential condominium will be assessed based upon its unit gross building square footage and a pro rata share of building lot square footage and frontage based upon the size of the condominium in relation to the gross square footage of the building.

For properties with frontage on both premium and standard zones, linear frontage will be allocated to each zone, and lot plus building square footage rates will apply to the zone fronting the address side of the building."

After each parcel is categorized into its proper land use type, linear frontage, lot square footage and building square footage are determined and those values are multiplied by the assessment rates shown below to determine the total assessment.

6.1. Current Year Actual Assessment Rates

For 2013/14, the PBID Board approved an assessment rate increase of 2%. Thus the actual assessment rates for 2013/14 are 2% greater than the actual assessment rates used in 2012/13.

Category	Actual Rates 2013/14	
	Standard Zone	Premium Zone
Frontage	9.885668572093800000	15.968221113209500000

6.2. Current Year Maximum Assessment Rates

The maximum assessment rates increase each year by 5% over the prior year's maximum assessment rates. The actual assessment rates in any year may be less than or equal the maximum assessment rates. The actual assessment rates cannot exceed that year's maximum assessment rates.
