Long Beach, CA 90802-4664

CONTRACT

33900

THIS CONTRACT is made and entered, in duplicate, as of June 10, 2015 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on June 9, 2015, by and between SULLY-MILLER CONTRACTING COMPANY, a Delaware corporation ("Contractor"), whose address is 135 S. State College Blvd., Suite 400, Brea, California 92821, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a "Notice Inviting Bids for Bixby Road Between Atlantic Avenue and Orange Avenue in the City of Long Beach, California," dated March 20, 2015, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans and Specifications No. R-6960;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in "Project Plans and Specifications No. R-6960 for Bixby Road Between Atlantic Avenue and Orange Avenue in the City of Long Beach, California," said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT.

A. City shall pay to Contractor the amount(s) for materials and work identified in Contractor's "Bid for Bixby Road Between Atlantic Avenue and

1 Orange Avenue in the City of Long Beach, California," attached hereto as Exhibit
2 "A".

3 B. Contractor shall submit requests for progress payments and
4 City will make payments in due course of payments in accordance with Section 9 of
5 the Standard Specifications for Public Works Construction (latest edition).

6 3. CONTRACT DOCUMENTS.

7 A. The Contract Documents include: The Notice Inviting Bids,
8 Project Specifications No. R-6960 (which may include by reference the Standard
9 Specifications for Public Works Construction, latest edition, and any supplements
10 thereto, collectively the "Standard Specifications"); the City of Long Beach Standard
11 Plans; Project Drawing No. C-5970 for this work; the California Code of Regulations;
12 the various Uniform Codes applicable to trades; the prevailing wage rates;
13 Instructions to Bidders; the Bid; the bid security; the City of Long Beach
14 Disadvantaged, Minority and Women-Owned Business Enterprise Program; this
15 Contract and all documents attached hereto or referenced herein including but not
16 limited to insurance; Bond for Faithful Performance; Payment Bond; Notice to
17 Proceed; Notice of Completion; any addenda or change orders issued in
18 accordance with the Standard Specifications; any permits required and issued for
19 the work; approved final design drawings and documents; and the Information
20 Sheet. These Contract Documents are incorporated herein by the above reference
21 and form a part of this Contract.

22 B. Notwithstanding Section 2-5.2 of the Standard Specifications,
23 if any conflict or inconsistency exists or develops among or between Contract
24 Documents, the following priority shall govern: 1) Permit(s) from other public
25 agencies; 2) Change Orders; 3) this Contract (including any and all amendments
26 hereto); 4) Addenda (which shall include written clarifications, corrections and
27 changes to the bid documents and other types of written notices issued prior to bid
28 opening; 5) Project Specifications; 6) Project Plans (including drawings); 7) the City

1 of Long Beach Standard Plans; 8) Standard Specifications (as identified in Section
2 3.A. hereof, the "Greenbook"); 9) other reference specifications; 10) other
3 reference plans; 11) the bid; and 12) the Notice Inviting Bids.

4 4. TIME FOR CONTRACT. Contractor shall commence work on a date
5 to be specified in a written "Notice to Proceed" from City and shall complete all work within
6 sixty (60) working days thereafter, subject to strikes, lockouts and events beyond the
7 control of Contractor. Time is of the essence hereunder. City will suffer damage if the
8 work is not completed within the time stated, but those damages would be difficult or
9 impractical to determine. So, Contractor shall pay to City, as liquidated damages, the
10 amount stated in the Contract Documents.

11 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
12 acceptance of any work or the payment of any money by City shall not operate as a waiver
13 of any provision of any Contract Document, of any power reserved to City, or of any right
14 to damages or indemnity hereunder. The waiver of any breach or any default hereunder
15 shall not be deemed a waiver of any other or subsequent breach or default.

16 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
17 herewith, Contractor shall submit certification of Workers' Compensation coverage in
18 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
19 attached hereto as Exhibit "B".

20 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
21 upon City by Contractor for and on account of any extra or additional work performed or
22 materials furnished, unless such extra or additional work or materials shall have been
23 expressly required by the City Manager and the quantities and price thereof shall have
24 been first agreed upon, in writing, by the parties hereto.

25 8. CLAIMS. Contractor shall, upon completion of the work, deliver
26 possession thereof to City ready for use and free and discharged from all claims for labor
27 and materials in doing the work and shall assume and be responsible for, and shall protect,
28 defend, indemnify and hold harmless City from and against any and all claims, demands,

1 causes of action, liability, loss, costs or expenses for injuries to or death of persons, or
2 damages to property, including property of City, which arises from or is connected with the
3 performance of the work.

4 9. INSURANCE. Prior to commencement of work, and as a condition
5 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence of
6 all insurance required in the Contract Documents.

7 In addition, Contractor shall complete and deliver to City the form
8 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply with
9 Labor Code Section 2810.

10 10. WORK DAY. Contractor shall comply with Sections 1810 through
11 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
12 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by
13 Contractor or any subcontractor for each calendar day such worker is required or permitted
14 to work more than eight (8) hours unless that worker receives compensation in accordance
15 with Section 1815.

16 11. PREVAILING WAGE RATES. Contractor is directed to the prevailing
17 wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred Dollars (\$200)
18 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,
19 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any
20 work done by Contractor, or any subcontractor, under this Contract.

21 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

22 A. If the work is terminated pursuant to an order of any Federal or
23 State authority, Contractor shall accept as full and complete compensation under
24 this Contract such amount of money as will equal the product of multiplying the
25 Contract price stated herein by the percentage of work completed by Contractor as
26 of the date of such termination, and for which Contractor has not been paid. If the
27 work is so terminated, the City Engineer, after consultation with Contractor, shall
28 determine the percentage of work completed and the determination of the City

1 Engineer shall be final.

2 B. If Contractor is prevented, in any manner, from strict
3 compliance with the Plans and Specifications due to any Federal or State law, rule
4 or regulation, in addition to all other rights and remedies reserved to the parties City
5 may by resolution of the City Council suspend performance hereunder until the
6 cause of disability is removed, extend the time for performance, make changes in
7 the character of the work or materials, or terminate this Contract without liability to
8 either party.

9 13. NOTICES.

10 A. Any notice required hereunder shall be in writing and personally
11 delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to
12 Contractor at the address first stated herein, and to the City at 333 West Ocean
13 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of
14 address shall be given in the same manner as stated herein for other notices. Notice
15 shall be deemed given on the date deposited in the mail or on the date personal
16 delivery is made, whichever first occurs.

17 B. Except for stop notices and claims made under the Labor Code,
18 City will notify Contractor when City receives any third party claims relating to this
19 Contract in accordance with Section 9201 of the Public Contract Code.

20 14. BONDS. Contractor shall, simultaneously with the execution of this
21 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
22 form attached hereto and in the amount specified therein, conditioned upon the faithful
23 performance of this Contract by Contractor, and a good and sufficient corporate surety
24 bond, in the form attached hereto and in the amount specified therein, conditioned upon
25 the payment of all labor and material claims incurred in connection with this Contract.

26 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any
27 of the moneys that may become due Contractor hereunder may be assigned by Contractor
28 without the written consent of City first had and obtained, nor will City recognize any

1 subcontractor as such, and all persons engaged in the work of construction will be
2 considered as independent contractors or agents of Contractor and will be held directly
3 responsible to Contractor.

4 16. CERTIFIED PAYROLL RECORDS.

5 A. Contractor shall keep and shall cause each subcontractor
6 performing any portion of the work under this Contract to keep an accurate payroll
7 record, showing the name, address, social security number, work classification,
8 straight time and overtime hours worked each day and week, and the actual per
9 diem wages paid to each journeyman, apprentice, worker, or other employee
10 employed by Contractor or subcontractor in connection with the work, all in
11 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
12 payroll records for Contractor and all subcontractors shall be certified and shall be
13 available for inspection at all reasonable hours at the principal office of Contractor
14 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
15 to furnish such records to City in the manner provided herein for notices shall entitle
16 City to withhold the penalty prescribed by law from progress payments due to
17 Contractor.

18 B. Upon completion of the work, Contractor shall submit to the City
19 certified payroll records for Contractor and all subcontractors performing any portion
20 of the work under this Contract. Certified payroll records for Contractor and all
21 subcontractors shall be maintained during the course of the work and shall be kept
22 by Contractor for up to three (3) years after completion of the work.

23 C. The foregoing is in addition to, and not in lieu of, any other
24 requirements or obligations established and imposed by any department of the City
25 with regard to submission and retention of certified payroll records for Contractor
26 and subcontractors.

27 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to

28 the contrary in the Standard Specifications, Contractor shall have the responsibility, care

1 and custody of the work. If any loss or damage occurs to the work that is not covered by
2 collectible commercial insurance, excluding loss or damage caused by earthquake or flood
3 or the negligence or willful misconduct of City, then Contractor shall immediately make the
4 City whole for any such loss or pay for any damage. If Contractor fails or refuses to make
5 the City whole or pay, then City may do so and the cost and expense of doing so shall be
6 deducted from the amount due Contractor from City hereunder.

7 18. CONTINUATION. Termination or expiration of this Contract shall not
8 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
9 prior to termination or expiration of this Contract.

10 19. TAXES AND TAX REPORTING.

11 A. As required by federal and state law, City is obligated to and
12 will report the payment of compensation to Contractor on Form 1099-Misc.
13 Contractor shall be solely responsible for payment of all federal and state taxes
14 resulting from payments under this Contract. Contractor shall submit Contractor's
15 Employer Identification Number (EIN), or Contractor's Social Security Number if
16 Contractor does not have an EIN, in writing to City's Accounts Payable, Department
17 of Financial Management. Contractor acknowledges and agrees that City has no
18 obligation to pay Contractor until Contractor provides one of these numbers.

19 B. Contractor shall cooperate with City in all matters relating to
20 taxation and the collection of taxes, particularly with respect to the self-accrual of
21 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of
22 materials, equipment, supplies, or other tangible personal property totaling over
23 \$100,000 shipped from outside California, a qualified Contractor shall complete and
24 submit to the appropriate governmental entity the form in Appendix "A" attached
25 hereto; and (ii) for construction contracts and subcontracts totaling \$5,000,000 or
26 more, Contractor shall obtain a sub-permit from the California Board of Equalization
27 for the Work site. "Qualified" means that the Contractor purchased at least \$500,000
28 in tangible personal property that was subject to sales or use tax in the previous

1 calendar year.

2 C. Contractor shall create and operate a buying company, as
3 defined in State of California Board of Equalization Regulation 1699, subpart (h), in
4 City if Contractor will purchase over \$10,000 in tangible personal property subject
5 to California sales and use tax.

6 D. In completing the form and obtaining the permit(s), Contractor
7 shall use the address of the Work site as its business address and may use any
8 address for its mailing address. Copies of the form and permit(s) shall also be
9 delivered to the City Engineer. The form must be submitted and the permit(s)
10 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
11 order any materials or equipment over \$100,000 from vendors outside California
12 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
13 shall be a material breach of this Contract. In addition, Contractor shall make all
14 purchases from the Long Beach sales office of its vendors if those vendors have a
15 Long Beach office and all purchases made by Contractor under this Contract which
16 are subject to use tax of \$500,000 or more shall be allocated to the City of Long
17 Beach. Contractor shall require the same cooperation with City, with regards to
18 subsections B, C and D under this section (including forms and permits), from its
19 subcontractors and any other subcontractors who work directly or indirectly under
20 the overall authority of this Contract.

21 E. Contractor shall not be entitled to and by signing this Contract
22 waives any claim or damages for delay against City if Contractor does not timely
23 submit these forms to the appropriate governmental entity. Contractor may contact
24 the City Controller at (562) 570-6450 for assistance with the form.

25 20. ADVERTISING. Contractor shall not use the name of City, its officials
26 or employees in any advertising or solicitation for business, nor as a reference, without the
27 prior approval of the City Manager, City Engineer or designee.

28 ///

1 21. AUDIT. If payment of any part of the consideration for this Contract is
2 made with federal, state or county funds and a condition to the use of those funds by City
3 is a requirement that City render an accounting or otherwise account for said funds, then
4 City shall have the right at all reasonable times to examine, audit, inspect, review, extract
5 information from, and copy all books, records, accounts and other information relating to
6 this Contract.

7 22. NO PECULIAR RISK. Contractor acknowledges and agrees that the
8 work to be performed hereunder does not constitute a peculiar risk of bodily harm and that
9 no special precautions are required to perform said work.

10 23. THIRD PARTY BENEFICIARY. This Contract is intended by the
11 parties to benefit themselves only and is not in any way intended or designed to or entered
12 for the purpose of creating any benefit or right of any kind for any person or entity that is
13 not a party to this Contract.

14 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
15 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
16 create any obligation on the part of City to pay any subcontractor except in accordance
17 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
18 with this Section shall be deemed a material breach of this Contract. A list of
19 subcontractor(s) submitted by Contractor in compliance with Public Contract Code
20 Sections 4100 et seq. is attached hereto as Exhibit "D" and incorporated herein by this
21 reference.

22 25. NO DUTY TO INSPECT. No language in this Contract shall create
23 and City shall not have any duty to inspect, correct, warn of or investigate any condition
24 arising from Contractor's work hereunder, or to insure compliance with laws, rules or
25 regulations relating to said work. If City does inspect or investigate, the results thereof
26 shall not be deemed compliance with or a waiver of any requirements of the Contract
27 Documents.

28 ///

1 26. GOVERNING LAW. This Contract shall be governed by and
2 construed pursuant to the laws of the State of California (except those provisions of
3 California law pertaining to conflicts of laws).

4 27. INTEGRATION. This Contract, including the Contract Documents
5 identified in Section 3 hereof, constitutes the entire understanding between the parties and
6 supersedes all other agreements, oral or written, with respect to the subject matter herein.

7 28. NONDISCRIMINATION. In connection with performance of this
8 Contract and subject to federal laws, rules and regulations, Contractor shall not
9 discriminate in employment or in the performance of this Contract on the basis of race,
10 religion, national origin, color, age, sex, sexual orientation, gender identity, AIDS, HIV
11 status, handicap or disability. It is the policy of the City to encourage the participation of
12 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City
13 encourages Contractor to use its best efforts to carry out this policy in the award of all
14 subcontracts.

15 29. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in
16 accordance with the provisions of the Ordinance, this Contract is subject to the applicable
17 provisions of the Equal Benefits Ordinance (“EBO”), section 2.73 et seq. of the Long Beach
18 Municipal Code, as amended from time to time.

19 A. During the performance of this Contract, the Contractor certifies
20 and represents that the Contractor will comply with the EBO. The Contractor agrees
21 to post the following statement in conspicuous places at its place of business
22 available to employees and applicants for employment:

23 “During the performance of a Contract with the City of Long Beach, the
24 Contractor will provide equal benefits to employees with spouses and its
25 employees with domestic partners. Additional information about the City of
26 Long Beach’s Equal Benefits Ordinance may be obtained from the City of
27 Long Beach Business Services Division at 562-570-6200.”

28 B. The failure of the Contractor to comply with the EBO will be

1 deemed to be a material breach of the Contract by the City.

2 C. If the Contractor fails to comply with the EBO, the City may
3 cancel, terminate or suspend the Contract, in whole or in part, and monies due or to
4 become due under the Contract may be retained by the City. The City may also
5 pursue any and all other remedies at law or in equity for any breach.

6 D. Failure to comply with the EBO may be used as evidence
7 against the Contractor in actions taken pursuant to the provisions of Long Beach
8 Municipal Code 2.93 et seq., Contractor Responsibility.

9 E. If the City determines that the Contractor has set up or used its
10 contracting entity for the purpose of evading the intent of the EBO, the City may
11 terminate the Contract on behalf of the City. Violation of this provision may be used
12 as evidence against the Contractor in actions taken pursuant to the provisions of
13 Long Beach Municipal Code section 2.93 et seq., Contractor Responsibility.

14 30. DEFAULT. Default shall include but not be limited to Contractor's
15 failure to perform in accordance with the Plans and Specifications, failure to comply with
16 any Contract Document, failure to pay any penalties, fines or charges assessed against
17 Contractor by any public agency, failure to pay any charges or fees for services performed
18 by the City, and if Contractor has substituted any security in lieu of retention, then default
19 shall also include City's receipt of a stop notice. If default occurs and Contractor has
20 substituted any security in lieu of retention, then in addition to City's other legal remedies,
21 City shall have the right to draw on the security in accordance with Public Contract Code
22 Section 22300 and without further notice to Contractor. If default occurs and Contractor
23 has not substituted any security in lieu of retention, then City shall have all legal remedies
24 available to it.

USE TAX DIRECT PAYMENT PERMIT
(General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.
