DEPARTMENT OF FINANCIAL MANAGEMENT

July 9, 2013

HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant a permit with conditions on the application of Briad Restaurant Group, LLC, DBA TGI Friday's, 7221 East Carson Boulevard, for Entertainment without Dancing by Patrons. (District 5)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council shall approve the issuance of the entertainment permit if they find that: the issuance of the permit at the proposed location is consistent with federal, state and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) or any responsible persons have a history of committing significant violations of the City code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Department of Financial Management every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached for your review are the departmental investigative reports, history, entertainment permit application and floor plan. To review all supportive documents, as well as the documents included in this report, you may visit www.longbeach.gov/finance/business_relations/entertainment.asp.

The following summarizes departmental findings:

- The Police Department recommends that the permit for entertainment without dancing by patrons be approved subject to conditions.

- The Fire Department finds that the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds that the building/location meets department requirements for the proposed use.

The Department of Financial Management, Business Relations Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment without dancing by patrons be approved subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant with alcohol since August 2000.

This matter was reviewed by Deputy City Attorney Amy R. Webber on June 17, 2013.

TIMING CONSIDERATIONS

The hearing date of July 9, 2013 has been posted on the business location, with the applicant and property owners within 300 feet notified by mail.

The following fees were collected with the application: Building Review \$22 and Zoning Review \$16 (Development Services), Police Investigation \$1,218 (Police Department), and Labels \$90 (Financial Management Department).

The Department of Financial Management recommends **approval** of the Permit subject to the following conditions:

I. STANDARD CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.

Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible beyond fifty feet (50') from the exterior of the premises in any direction.** Outdoor amplified entertainment is prohibited.
- 5) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10:00 P.M. and 8:00 A.M.
- 6) Deliveries to and from the premises shall be limited to the hours of 8:00 A.M. to 10:00 P.M.

For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment,

increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 8) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.
- 9) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.
- 10) The permittee agrees to reimburse the City for all costs associated with excessive police services, as determined by the Chief of Police, required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 11) The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.
- 12) An identification card scanner shall be used for all patrons entering the establishment after 10:00 P.M. for the sole purposes of verifying patron age and/or authenticity of a patron's driver's license or identification card.
- 13) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320).
- 14) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
- 15) All promoters must have or obtain a City of Long Beach Business License **prior to** conducting entertainment activities governed by this permit. The permittee shall be responsible for all entertainment activities at the location, including those conducted by promoters.

- 16) The permittee must provide all promoters, independent contractors, and dancers, hired to conduct entertainment activities with a copy of the approved permit, which shall include a copy of the approved conditions of operation. The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.

The permittee shall keep all agent and promoter's contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
- 18) If the permittee utilizes an independent third party event promoter to provide entertainment related services resulting in any public safety call for service, the City reserves the right to remove and/or restrict the use of independent third party promoters.
- 19) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict with the requirements of this permit, the more stringent regulation shall apply.
- 20) The permittee, shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. II. ADDITIONAL CONDITIONS OF OPERATION

- 1) Entertainment activities indicated on page #7 of your entertainment application are **not permitted on Friday through Monday. Entertainment shall be restricted to Tuesday through Thursday, and no later than 1:30 AM.**
- 2) This Entertainment Permit is accessory to the primary business, which is a restaurant. The authorization to provide entertainment on-site is subject to the use remaining as a restaurant, meaning a bona fide eating place serving actual and substantial meals.

"Meals" means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals.

In the event the primary business ceases operations, fails to operate as a bona fide eating place, fails to serve actual and substantial meals or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

- 3) TGI Friday's shall employ his/her own discretion in determining the level of security necessary to prevent violations of law, and any other disturbances arising out of, or in connection with business operations. Shall the permittee's operations give rise to a substantial increase in complaints/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

The business currently holds a Type 47 (On-Sale General Eating Place) Alcoholic Beverage Control license. The establishment serves American cuisine for lunch and dinner. On January 31, 2013, TGI Friday's applied for an Entertainment without Dancing Permit, requesting recorded amplified music, a disc jockey, and karaoke.

East Division Patrol Commander William Lebaron advised patrol has not had any issues at the establishment. The Commander is concerned about activity on nights when a disc jockey will be providing entertainment. Commander Lebaron requested the establishment provide additional security guards to monitor the establishment, and parking lot, on these nights. Commander Lebaron is not opposed to the approval of an Entertainment without Dancing Permit.

Based upon the Vice Section's investigation and the East Division Patrol Commander's recommendation, the Long Beach Police Department has determined the public's peace, safety, and welfare would not be adversely impacted by the issuance of this permit provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends an Entertainment without Dancing Permit would be in the best interests of the surrounding community and the City of Long Beach.

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.

- 7) The speaker volume on the patio area shall be kept at a low level, so as not to disturb any other businesses. If any noise or disturbance complaints can be attributed to the speaker volume on the patio area, the permittee shall modify or remove existing speakers at the direction of the Chief of Police.

- 9) At the conclusion of each night, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.

To: Erik Sund, Manager of Business Relations Bureau
From: Derek Burnham, Planning Administrator *DB*
Subject: REVIEW OF ENTERTAINMENT LICENSE REQUEST

Site Address: 7221 E. Carson Blvd
Long Beach, Ca 90808

Applicant: Briad Restaurant Group LLC,
DBA TGI Friday's

Zoning District: CHW (Regional Highway District)

Proposed Use: Entertainment without Dancing

The Planning Bureau of the Department of Development Services has the following comments:

A review of the permit history for 7221 Carson Blvd indicates that there have been no CUPs or AUPs approved for the subject property.

The applicant is seeking to obtain a permit for entertainment without dancing. An entertainment permit without dancing is allowed as an accessory use to a restaurant in the CHW zone. No extra parking is required.

Planning Bureau recommends that the entertainment permit without dancing for "TGI Friday's" be approved.
